Madeleine L'Engle, Luci Shaw

Sitting At The Feet Of The Past Retelling The North American Folktale For Children:

Handbook of Research on Children's and Young Adult Literature Shelby Wolf, Karen Coats, Patricia Enciso, Christine Jenkins, 2011-04-27 This multidisciplinary handbook pulls together in one volume the research on children's and young adult literature which is currently scattered across three intersecting disciplines: education, English, and library and information science.

Sitting at the Feet of the Past Gary D. Schmidt, Donald R. Hettinga, 1992-09-15 Must a folktale be connected to its culture? Can a tale with universal applications be transmitted from one culture to another without loss? Does a teller from one culture have the ability or even the right to relate a tale from another culture? What happens to a tale when it leaves the oral and adult arenas and appears in print for children? Is it legitimate for a reteller to create variants to suit a child audience? Children's literature is today the major conduit for folklore and professionals in the field must consider these questions. Editors Gary Schmidt and Donald Hettinga have brought together twenty-three writers of children's literature, illustrators, storytellers, and literary critics who explore the issues and offer their experiences and views. The scope of the volume is the North American folktale, a rich amalgam of four major distinct traditions: the Native American folktale, the African American folktale, the retold Western European folktale, and the American tall tale. Each tradition is separately presented with an introductory survey and a selection of essays by the writers and critics. This focused collection will be valuable to scholars and professions in folklore, anthropology, American literature, and children's literature and useful also as a text in courses on children's literature and folklore.

The Annotated African American Folktales Henry Louis Gates Jr., Maria Tatar, 2017-11-14 Winner NAACP Image Award for Outstanding Literary Work Fiction Winner Anne Izard Storytellers Choice Award Holiday Gift Guide Selection Indiewire San Francisco Chronicle and Minneapolis Star Tribune. These nearly 150 African American folktales animate our past and reclaim a lost cultural legacy to redefine American literature. Drawing from the great folklorists of the past while expanding African American lore with dozens of tales rarely seen before, *The Annotated African American Folktales* revolutionizes the canon like no other volume. Following in the tradition of such classics as Arthur Huff Fauset's *Negro Folk Tales from the South* (1927), Zora Neale Hurston's *Mules and Men* (1935), and Virginia Hamilton's *The People Could Fly* (1985), acclaimed scholars Henry Louis Gates Jr. and Maria Tatar assemble a groundbreaking collection of folktales, myths, and legends that revitalizes a vibrant African American past to produce the most comprehensive and ambitious collection of African American folktales ever published in American literary history. Arguing for the value of these deceptively simple stories as part of a sophisticated, complex, and heterogeneous cultural heritage, Gates and Tatar show how these remarkable stories deserve a place alongside the classic works of African American literature and American literature more broadly. Opening with two introductory essays and twenty seminal African tales as historical background, Gates and Tatar present nearly 150 African American stories, among them familiar Brer Rabbit classics but also stories like *The Talking Skull* and *Witches Who Ride*, as well as out-of-print tales from the 1890s *Southern Workman*. Beginning with the figure of

Anansi the African trickster master of improvisation a spider who plots and weaves in scandalous ways The Annotated African American Folktales then goes on to draw Caribbean and Creole tales into the orbit of the folkloric canon It retrieves stories not seen since the Harlem Renaissance and brings back archival tales of Negro folklore that Booker T Washington proclaimed had emanated from a grapevine that existed even before the American Revolution stories brought over by slaves who had survived the Middle Passage Furthermore Gates and Tatar s volume not only defines a new canon but reveals how these folktales were hijacked and misappropriated in previous incarnations egregiously by Joel Chandler Harris a Southern newspaperman as well as by Walt Disney who cannibalized and capitalized on Harris s volumes by creating cartoon characters drawn from this African American lore Presenting these tales with illuminating annotations and hundreds of revelatory illustrations The Annotated African American Folktales reminds us that stories not only move entertain and instruct but more fundamentally inspire and keep hope alive The Annotated African American Folktales includes Introductory essays nearly 150 African American stories and 20 seminal African tales as historical background The familiar Brer Rabbit classics as well as news making vernacular tales from the 1890s Southern Workman An entire section of Caribbean and Latin American folktales that finally become incorporated into the canon Approximately 200 full color museum quality images

Indigenous Perspectives of North America Judit Nagy,Enikő Sepsi,Miklós Vassányi,2014-08-20 The present volume brings to North American Native Studies with its rich tradition and accumulated expertise in the Central European region the new complexities and challenges of contemporary Native reality The umbrella theme Indigenous perspectives brings together researchers from a great variety of disciplines focusing on issues such as democracy and human rights international law multiculturalism peace and security economic and scientific development sustainability literature and arts and culture as well as religion The thirty five topical and thought provoking articles written in English French and Spanish offer a solid platform for further critical investigations and a useful tool for classroom discussions in a wide variety of academic fields

Folk and Fairy Tales D. L. Ashliman,2004-05-30 Just about everyone is familiar with folk and fairy tales Children learn about them from parents teachers and other adults while researchers study these tales at colleges and universities At the same time folk and fairy tales are inseparable from everyday life and popular culture Movies music art and literature offer imaginative retellings and interpretations of fairy and folk tales But despite the pervasiveness of this folklore type most people have only a vague understanding of these tales This reference is a convenient introduction to folk and fairy tales for students and general readers Written by a leading authority this handbook offers a broad examination of folk and fairy tales as a folklore type It looks at tales from around the world and from diverse cultures The volume defines and classifies folk and fairy tales and analyzes a number of examples It studies the varied manifestations of fairy and folk tales in literature and culture and reviews critical and scholarly approaches to this folklore genre The volume also includes a glossary and extensive list of works for further reading

Sitting at the Feet of the Past Gary D. Schmidt,Donald R. Hettinga,1992-09-15 Must a

The Swiftly Tilting Worlds of Madeleine L'Engle Madeleine L'Engle, Luci Shaw, 1998 In honor of Madeleine L Engle s 80th birthday a host of prominent writers and academics gather to create this unique collection of essays They provide an intimate portrait of L Engle and respond to her writings and mentoring influence

The Teller's Tale Sophie Raynard, 2012-10-27 Vaak verrassende portretten van de klassieke westerse sprookjesschrijvers

Discourses That Matter Maria José Canelo, 2013-10-03 How can English and American Studies be instrumental to conceptualizing the deep instability we are presently facing How can they address the coordinates of this instability such as war terrorism the current economic and financial crisis and the consequent myriad forms of deprivation and fear How can they tackle the strategies of de humanization invisibility and the naturalization of inequality and injustice entailed in contemporary discourses This anthology grew out of an awareness of the need to debate the role of English and American Studies both in the present context and in relation to the so called demise of the Humanities Drawing on Judith Butler s rethinking of materiality as the effect of power in her study *Bodies That Matter* 1993 we locate this collection of essays at the crossroads of discourse and power while we expect the work collected here to highlight the ability of discourses to materialize in or as truth and as such to support or decry particular constituencies Discourses therefore matter to us as products and vehicles of power relations that can be subject to the analytical and interpretative tools of English and American Studies Our idea was to challenge especially young scholars to position their research concerning the ability of their fields to be discourses that matter in the case in point to be critical practices that make an active intervention in current debates By focusing on matters such as language as witness to the world representations of gender race and ethnicity performative discourses exceptionalism and power and interculturality these essays pursue the chance to deepen enlarge and question both literary and cultural phenomena their established critical readings and the strategies deployed in representations Finally English and American Studies in the present collection demonstrate their affiliation to the Humanities

by exploring the numerous possibilities offered by their discourses their ability to foster critical thought allowing us to think for and outside ourselves their capacity to test argue and question and their profound imaginative potential **St. Nicholas and Mary Mapes Dodge** Susan R. Gannon, Suzanne Rahn, Ruth Anne Thompson, 2004-07-15 St Nicholas has been called the best children s magazine ever published particularly during the tenure of its founding editor Mary Mapes Dodge From 1873 to 1905 Dodge worked to create what she called a pleasure ground for children a magazine that would have great impact on several generations of children The list of authors who wrote for her includes Louisa May Alcott Frances Hodgson Burnett Henry Wadsworth Longfellow Rudyard Kipling Theodore Roosevelt and Mark Twain The quality of the magazine s illustration was equally high The magazine was also the launching pad for a new generation of authors and artists such as F Scott Fitzgerald E B White Jack London and Eudora Welty This anthology of critical writing on St Nicholas includes some of the most influential articles already published and newly commissioned essays on a variety of subjects including the impact of the St Nicholas league the utopian thrust of the magazine s fiction and the story of the long and productive literary partnership between Dodge and Alcott Essays also analyze Dodge s relationship with her readers her editorial practice the illustrations American family life as seen by young British readers war and military life advertising and the middle class preoccupation with change of fortune tales The work places St Nicholas in American cultural history and analyzes how it both influenced and was influenced over thirty years Essential documentary material presently unpublished or inaccessible and illustrations from the magazine are also included

Sitting At The Feet Of The Past Retelling The North American Folktale For Children Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sitting At The Feet Of The Past Retelling The North American Folktale For Children free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can

download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sitting At The Feet Of The Past Retelling The North American Folktale For Children free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sitting At The Feet Of The Past Retelling The North American Folktale For Children free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sitting At The Feet Of The Past Retelling The North American Folktale For Children. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sitting At The Feet Of The Past Retelling The North American Folktale For Children any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sitting At The Feet Of The Past Retelling The North American Folktale For Children Books
