Quebec Conspiracy Allen B. Chastain, 2006-11-01 Kidnapped off the streets of Manhattan and transported to the bitter cold wilderness of northern Quebec Jackie and George believe it s a case of mistaken identity Their struggle to survive and the adventure they share changes their lives forever *Contagious* Emily Goodwin, 2014-07-25 First in the zombie pandemic series by the New York Times bestselling author I can t give this post apocalyptic story six stars but I wish I could Tamara Rose Blodgett I wasn t afraid of death If I died it would be over My worst fear wasn t of dying it was of living Living while everyone around me had their flesh savagely torn from their bodies to be shoved into the festering and ever hungry mouths of zombies It terrified me right down to my very core to be alive while the rest of the world was dead During the Second Great Depression twenty four year old Orissa Penwell is forced to drop out of college when she is no longer able to pay for classes Unable to find a job she moves in with her aunt in Indianapolis Down on her luck Orissa doesn t think she can go any lower She couldn t be more wrong A virus breaks out across the country leaving the infected crazed aggressive and very hungry Orissa is used to only being responsible for herself When she finds herself a reluctant leader of a group of survivors she must make a choice set aside her issues and help the others or go off alone in search of her own family and friends In her narrative storytelling Emily Goodwin presents a refreshingly strong female hero in her zombie infested survival tale Goodwin has shown that female writers can make flesh crawl both living and undead just as well as her male peers HorrorAddicts net

Cottam, 2011-08-02 A little boy becomes a voice for something sinister after his family is torn apart by tragedy in this paranormal tale It only takes a couple of visits to convince Dr Elizabeth Bancroft that Adam Hunter is not just having bad dreams He s a child possessed His father is desperate adamant that his son s affliction is the result of a curse he incurred in the depths of the Amazon where a badly misguided military operation ended in a terrifying and macabre encounter There he met two women one who placed the curse and the other with whom any hope of saving his son resides Mark Hunter leaves the Scottish Highlands to beg help from the mysterious woman leaving his son in the care of Elizabeth who is about to discover there are equally dark secrets on their own doorstep And in her blood I loved this book and the author s writing style It is spooky and creepy and keeps you turning pages The atmosphere is definitely a creepy Gothic kind and it s a tale of good versus evil Nazis witchcraft and a trip that takes us from the Amazon to the Scottish Highlands with never ending suspense With characters that you really care about *The Magdalena Curse* is a spooky and thrilling read for a dark winter s
