My Gawd! and Other Stories Fairbanks, 2018-03-22 My Gawd and Other Stories by Fairbanks just the one word like Moses like Prince My Gawd Is that allowed Can you write that If it was a film it would be rated R adults only But not rated X by any means this is not erotica That's the fun of the clever writing Its fiction It sometimes gets very close to the line but then it backs off There are only a couple of jolts in retrospect Some stories have no sex at all Does sex between insects count This is a collection of thirteen short stories set out as one per month plus New Years It is fun to take up the author's suggestion and read the last story first and then again at the end This tantalizing

New Years story is written as a play and the other one is a humorous narrative poem The stories are full of interesting and varied characters young old male female ordinary eccentric naughty and nice Settings include the authors backyard Central Australia other rural backgrounds and Canberra Each short story is different holding the readers interest and moving along without dragging There are no boring bits at all There is poetry in the prose touching descriptions of setting and character Two of the stories are longer giving the reader the chance to follow an interesting plot and the characters more fully Watch out for the famous Fairbanks twist Lots of marketing potential with this one Put it on your bedside table and read one story a night for fun and for titillation The next Fifty Shades The naughty outback Aussies version My gawd The Complete Cosmicomics Italo Calvino, 2014-09-16 The complete collection of nimble and often hilarious short stories exploring the cosmos by the acclaimed author of Invisible Cities Colin Dwyer NPR Italo Calvino's beloved cosmicomics cross planets and traverse galaxies speed up time or slow it down to the particles of an instant Through the eyes of a cosmic know it all with the unpronounceable name of Qfwfq Calvino explores natural phenomena and tells the story of the origins of the universe Relating complex scientific and mathematical concepts to our everyday world they are an indelible and delightful literary achievement Originally published in Italian in three separate volumes including the Asti d Appello Prize winning first volume Cosmicomics these thirty four dazzling stories are collected here in one definitive English language anthology Trying to describe such a diverse and entertaining mix I have to admit just as Calvino does so often that my words fail here too There's no way I or anyone really can muster enough of them to quite capture the magic of these stories Read this book please Colin Dwyer NPR **Red Cavalry and Other Stories** Isaac Babel, 2005-07-07 Throughout his life Isaac Babel was torn by opposing forces by the desire both to remain faithful to his Jewish roots and yet to be free of them This duality of vision infuses his work with a powerful energy from the earliest tales including Old Shloyme and Childhood which affirm his Russian Jewish childhood to the relatively non Jewish world of his collection of stories entitled Red Cavalry Babel's masterpiece Red Cavalry is the most dramatic expression of his dualism and in his simultaneous acceptance and rejection of his heritage heralds the great American Jewish writers from Henry Roth to Saul Bellow and Philip Roth
