**The Slandered Woman in Shakespeare** Joyce Hengerer Sexton, 1978 Study of Much ado about nothing Othello Cymbeline and The winter s tale

**The Theme of the Slandered Woman in Shakespeare** Joyce Haviland Hengerer, 1966

**Routledge Revivals: Shakespeare and Feminist Criticism (1991)** Philip C Kolin, 2017-02-17 First published in 1991 this book is the first annotated bibliography of feminist Shakespeare criticism from 1975 to 1988 a period that saw a remarkable amount of ground breaking work While the primary focus is on feminist studies of Shakespeare it also includes wide ranging works on language desire role playing theatre conventions marriage and Elizabethan and Jacobean culture shedding light on Shakespeare s views on and representation of women sex and gender Accompanying the 439 entries are extensive informative annotations that strive to maintain the original author s perspective supplying a careful and thorough account of the main points of an article

**Domination And Defiance** Diane Elizabeth Dreher, 2021-03-17 Shakespeare was clearly fascinated by the relationship between fathers and daughters for this primal bond of domination and defiance structures twenty one of his comedies tragedies and romances In a conflict that is at once social and interpersonal Shakespeare s fathers demand hierarchical obedience while their daughters affirm the new more personal values upheld by Renaissance humanists and Puritans In her penetrating analysis of this compelling relationship Diane Dreher examines the underlying psychological tensions as well as the changing concepts of marriage and the family during Shakespeare s time She points to the pain and conflict caused by sex role polarization Shakespeare s possessive fathers tyrannize over their daughters unwilling to relinquish their masculine power and control and leaving these young women with only two alternatives paternal domination or defiance and loss of love The logic of Shakespeare s plays repudiates traditional stereotypes showing how women like Ophelia and Desdemona are destroyed by conforming to the passive Renaissance ideal The book concludes with a consideration of Shakespeare s androgynous characters dynamic women in doublet and hose and fathers who become sensitive caring and empathetic Shakespeare s balanced characters thus reconcile the polarities within themselves and bring greater harmony to their world Domination and Defiance is the first book on this most provocative relationship in Shakespeare Shedding new light on the complex father daughter bond character and motivation it makes a major contribution to literary studies

**The Anatomy of Insults in Shakespeare's World** Nathalie Vienne-Guerrin, 2022-05-19 The Anatomy of Insults in Shakespeare s World explores Shakespeare s complex art of insults and shows how the playwright set abusive words at the heart of many of his plays It provides valuable insights on a key aspect of Shakespeare s work that has been little explored to date Focusing on the most memorable scenes of insult abusive characters and insulting effects in the plays the volume shifts how readers understand and read Shakespeare s insults Chapters analyze the spectacular rhetoric of insult in Henry IV Troilus and Cressida and Timon of Athens the skirmishes of wit in Much Ado

about Nothing and A Midsummer Night's Dream insult and duelling codes in Romeo and Juliet As You Like It and Twelfth Night the complex relationships between slander and insult in Much Ado about Nothing and Measure for Measure the taming of the tongue in Richard III and The Taming of the Shrew the trauma of insults in Othello The Merchant of Venice and Cymbeline and insult beyond words in Henry V and King Lear Grasping insult as a specific speech act the volume explores the issues of verbal violence and verbal shields and the importance of reception and interpretation in matters of insult It offers a panorama of the Elizabethan politics of insult and redefines Shakespeare's drama as a theatre of insults

The Love Story in Shakespearean Comedy Anthony J. Lewis, 2021-10-21 In this fascinating study Anthony J Lewis argues that it is the hero himself rejecting a woman he apprehends as a threat who is love's own worst enemy Drawing upon classical and Renaissance drama iconography and a wide range of traditional and feminist criticism Lewis demonstrates that in Shakespeare the actions and reactions of hero and heroine are contingent upon social setting father son relations patriarchal restrictions on women and cultural assumptions about gender appropriate behavior This compelling analysis shows how Shakespeare deepened the familiar love stories he inherited from New Comedy and Greek romance Beginning with a penetrating analysis of the hero's contradictory response to sexual attraction Lewis's discussion traces the heroine's reaction to abandonment and slander and the lover's subsequent parallel descents into versions of bastardy and death In arguing that comedy's happy ending is the product of the gender role reversals brought on by their evolving relationship itself Lewis shows in meticulous detail how sexual stereotypes influence attitudes and restrict behavior This perceptive discussion of male response to family and of female response to rejection will appeal to Shakespeare scholars and students as well as to the theater community Lewis's persuasive argument that Shakespeare's heroes and heroines are from the first three dimensional figures far removed from the stock types of Plautus Terence and his continental sources will prove a valuable contribution to the ongoing feminist reappraisal of Shakespeare

*Christian Settings in Shakespeare's Tragedies* D. Douglas Waters, 1994 Battenhouse's Shakespearean tragedy Its art and Christian premises Irving Ribner's Patterns in Shakespearian tragedy Virgil K Whitaker's The mirror up to nature The techniques of Shakespeare's tragedies and Robert Grams Hunter's Shakespeare and the mystery of God's judgments Waters questions for example Battenhouse's validity of Christian theological and didactic emphases on the old purgation theory of catharsis His approach differs also from Northrop Frye's views on the tragedies in Northrop Frye on Shakespeare an archetypal approach to representative plays including the tragedies

A Feminist Companion to Shakespeare Dymphna Callaghan, 2016-05-23 The question is not whether Shakespeare studies needs feminism but whether feminism needs Shakespeare This is the explicitly political approach taken in the dynamic and newly updated edition of A Feminist Companion to Shakespeare Provides the definitive feminist statement on Shakespeare for the 21st century Updates address some of the newest theatrical and creative engagements with Shakespeare offering fresh insights into Shakespeare's plays and poems and gender dynamics in early modern England Contributors come from across the

feminist generations and from various stages in their careers to address what is new in the field in terms of historical and textual discovery Explores issues vital to feminist inquiry including race sexuality the body queer politics social economies religion and capitalism In addition to highlighting changes it draws attention to the strong continuities of scholarship in this field over the course of the history of feminist criticism of Shakespeare The previous edition was a recipient of a Choice Outstanding Academic Title award this second edition maintains its coverage and range and bringsthe scholarship right up to the present day

**"Tragic Patriarchy": The Misogynist Side of Shakespeare in 'Hamlet' and 'Othello'** Kathrin Köhler, 2004-11-19 Inhaltsangabe Abstract Was Shakespeare a misogynist Or was he on the contrary an early advocate of female equality Were his plays manifests of patriarchy of the dominance of men over women and of typical stereotypes Or were they like other critics have argued just the opposite Was he a feminist in sympathy as Juliet Dusinberre has argued or was he the patriarchal bard many others see in him In how far were his views about the sexes influenced by the conceptions of gender in the Elizabethan time and did he support question or even reject them These were the questions I had in mind when I started working on this thesis paper After dealing with both Shakespeare and feminism in the course of my studies an evaluation of Shakespeare s attitude towards women seemed very interesting The attraction that Shakespeare combined with feminism has and the necessity of such criticism has often been discussed The following quote is rather long but perfectly expresses my own interest in the topic Feminist critics of Shakespeare must use the strategies and insights of this new criticism selectively for they examine a male dramatist of extraordinary range writing in a remote period when women s position was in obvious ways more restricted and less disputed than our own Acknowledging this feminist critics also recognize that the greatest artists do not necessarily duplicate in their art the orthodoxies of their culture they may exploit them to create character or intensify conflict they may struggle with criticise or transcend them Shakespeare it would seem encompasses more and preaches less than most authors hence the centuries old controversy over his religious affiliation political views and sexual preferences His attitudes towards women are equally complex and demand attention The fact that all major female characters have to die in Hamlet as well as in Othello is what first brought me to assess these two plays I believe that even without an in depth analysis of the plays the excessive murdering of women shows that Shakespeare s attitude towards them is in some way troubled I was worried that this would be too trivial a starting point but other critics have had the same idea And as has been noted the women in the tragedies almost invariably are destroyed or are absent from the new order consolidated at the conclusions The more I dealt with this vast topic however the more complicated it became The
