Past Shock Jack Barranger,1998-11 Alvin Toffler once coined the term future shockwhen people are overwhelmed by the future Past Shock suggests that events from thousands of years ago strongly impact humanity today It reveals why religion was created what organized religion wont tell you the reality of the slave chip programming that we all have what really happened in the Garden of Eden what the Tower of Babel was and why we were stopped from building it how we were conditioned by gods to remain spiritually ignorant and much more Exposes the pretender godsadvanced beings who were not divine but had advanced knowledge of scientific principles including genetic engineering Our advanced science of today has begun to unravel their secrets Learn how to overcome the slave chip conditioning and begin living life as it was meant to be as a spiritually fulfilled being **Musical America** ,1921 *His-Story on How the Word Came to Be* Randall

Cripps,2012-08 Every faith in the world is based on fabrication That is the definition of faith acceptance of that which we imagine to be true that which we cannot prove Every religion describes God through metaphor allegory and exaggeration from the Early Egyptians through modern Sunday school Metaphors are a way to help our minds process the Unprocessable The problems arise when we begin to believe literally in our own metaphors Religious allegory has become a part of the fabric of reality And living in that reality helps millions of people cope and be better people **A Quest for Spring** Monica Mujumdar Dixit,2017-09-12 Raehan and Amolika come from two very different worlds And for the time that their worlds overlap and stick to one path life seems beautiful Between projects at college and hanging out with friends the two of them come to a startling revelation that involves a bond of love between them Unbeknownst to the both of them there lies a leviathan of espionage that eventually consumes the bond they share driving them apart by force Sixteen years pass when fate decides to rekindle their bond only this time the challenges are exacerbated by the unresolved baggage of the past Do the two of them find each other Does the dull grey long standing spell of winter rise to give way to spring *ILLUMINATI BIBLE: Hidden Wisdom of Alpha & Omega* Michael Cage,2015-04-07 Read today what your friends will be reading tomorrow because you ll tell them about it The Illuminati Bible is a treasure of esoteric knowledge and wisdom Track the secrets of the Christian Bible with a book that is full of cross references as well as Hebrew and Greek breakdowns Locate the encrypted message of the Christian Bible with easy to follow footnotes Find out who the ancient Hebrew s really were what the Tree of Life really represents and why the Tree of Knowledge bore forbidden fruit The Illuminati Bible also takes the reader step by step through the history of religion showing when where and why the three Abrahamic religions were created Look into the mind of the Illuminati and explore their doctrine and plans of world dominance through a New World Order Follow the sacred bloodline as it ruled in history and reigns today through the British Monarch and the Committee of Three Hundred

David Duguid,1876 **Abraham: The World's First Psychopath** Adam Weishaupt,2013-01-26 If you consider it impossible that the morally perfect God would order a father to make a human sacrifice of his innocent son for no reason other than to demonstrate absolute mindless obedience then the God of Abraham cannot be God So who is he The ancient Gnostics had the obvious answer he s Satan Doesn t that explain the horrific history of the Abrahamic religions and their grotesque propensity for violence Abrahamism is a terrorist religion led by a terrorist God who demands unwavering obedience even when it contradicts morality The Jews Christians and Muslims who trace their common ancestry to Abraham are thus revealed as Devil worshippers This book provides a theological dissection of the tale of Abraham from the Jewish Christian and Muslim perspectives It reveals Abraham as one of the most evil men in history and unquestionably the world s first psychopath Like the Nazis he put obedience to a tyrannical monster above human life

Childhood in the Middle Ages and the Renaissance Albrecht Classen,2011-12-22 Earlier theses on the history of

childhood can now be laid to rest and a fundamental paradigm shift initiated as there is an overwhelming body of evidence to show that in medieval and early modern times too there were close emotional relations between parents and children. The contributors to this volume demonstrate conclusively on the one hand how intensively parents concerned themselves with their children in the pre modern era and on the other which social political and religious conditions shaped these relationships. These studies in emotional history demonstrate how easy it is for a subjective choice of sources coupled with faulty interpretations caused mainly by modern prejudices toward the Middle Ages in particular to lead to the view that in the past children were regarded as small adults. The contributors demonstrate convincingly that intense feelings admittedly often different in nature shaped the relationship between adults and children.

Dead Lawyers Tell No Tales Randy D. Singer, 2013

Landon Reed is an ex quarterback convicted of organizing a points shaving scheme. During his time in prison he found forgiveness and faith and earned his law degree. Now he longs for an opportunity to prove his loyalty and worth. Be careful what you ask for. Harry McNaughton is one of the founding partners of McNaughton Clay and the only lawyer willing to take a chance employing an ex con turned lawyer. Though Landon initially questions Harry's ethics and methods, it's clear the crusty old lawyer has one of the most brilliant legal minds Landon has ever encountered. The two dive into preparing a defense for one of the highest profile murder trials Virginia Beach has seen in decades when Harry is gunned down in what appears to be a random mugging. Then two more lawyers are killed when the firm's private jet crashes. Authorities suspect someone has a vendetta against McNaughton Clay, leaving Landon and the remaining partner as the final targets. As Landon struggles to keep the firm together, he can't help but wonder if the plot related to a shady case from McNaughton Clay's past or to the murder trial he's neck deep in now. And will he survive long enough to find out?
