then travels to the South Continent with some of Omaro s warriors to recover emeralds hidden by the Prince who carried the sword and the scroll from the South Continent to Omaro s jungle The recovery of the emeralds involves a battle with a jungle tribe in the South Continent During the adventures involving the emeralds Justin discovers that the mysterious South Continent civilization that delivered him the magic sword probably came from an advanced civilization planet The advanced civilization planet was home to a race of warrior priests and their religion is very similar to the teachings of the Priests of Vorell Justin suspects a connection to Lord Vorell himself Among the emeralds that Justin obtained from the South Continent is one called The Eye of The World The emerald has some magic advanced technology properties and will aid Justin in the expansion of his kingdom He then travels to Mervon for a meeting of the Association of Nations and to sell some of the emeralds There is an attempt to rob his hotel room and the forces of the South Zayan government are caught red handed The result is that Justin is now recognized by the Association of Nations as the King of Zaya
