Sociology The United States In A Global Community:

Sociology Joan Ferrante-Wallace, 2000 Known for its ability to thoroughly integrate sociology into the world we live in Ferrante's text gives students a foundation in the discipline as well as global examples that open up that perspective This book the leading global book for introductory sociology interweaves examples from all over the world into chapters on basic sociological concepts Ferrante is careful to lay down a variety of different theories for the students thus allowing them to see sociology from multiple perspectives Each chapter draws examples from a different country to illustrate its points The author's vivid writing style and use of unique and innovative examples make sociology highly understandable and applicable for students

Sociology Joan Ferrante, 1999-08 The Study guide that accompanies the text includes 20 study questions per chapter concept application and applied research sections Practice Quizzes with answers so that students can assess their own progress a continuing education section that features films further reading Internet resources and Infotrac exercises and background information for the student on each of the countries the Author uses as examples in the text

The Social Theory of W.E.B. Du Bois Phil Zuckerman, 2004-02-20 Karl Marx Max Weber and Emile Durkheim are widely recognized as the trinity of sociological theory While these three sociologists were trailblazing social theorists who enhanced the study of human behavior and its relationship to social institutions other more contemporary scholars were just as innovative one of those scholars being W E B Du Bois W E B Du Bois was a political and literary giant of the 20th century publishing over twenty books and thousand of essays and articles throughout his life In The Social Theory of W E B Du Bois editor Phil Zuckerman assembles Du Bois's work from a wide variety of sources including articles Du Bois published in newspapers speeches he delivered selections from well known classics such as *The Souls of Black Folk* and *Darkwater* and lesser known hard to find material written by this revolutionary social theorist W E B Du Bois is arguably one of the most imaginative perceptive and prolific founders of the sociological discipline In addition to leading the Pan African movement and being an activist for civil rights for African Americans Du Bois was a pioneer of urban sociology an innovator of rural sociology a leader in criminology the first American sociologist of religion and most notably the first great social theorist of race The Social Theory of W E B Du Bois is the first book to examine Du Bois's writings from a sociological perspective and emphasize his theoretical contributions This volume covers topics such as the meaning of race race relations international relations economics labor politics religion crime gender and education The Social Theory of W E B Du Bois offers an excellent introduction to the sociological theory of one of the 20th century's intellectual beacons It is a dynamic text for undergraduate and graduate students studying sociological theory African American studies and race and ethnicity

Forming a Global Community Joseph de Rivera, 2022-10-18 To address global problems such as pandemics warming economic inequality mass migration and widespread terrorism Joseph de Rivera argues that we must form a global community A community of eight billion humans is difficult to conceive However it can be imagined and created if we transform our understanding of who humans are and what community entails We can understand who persons are how they are motivated and how a community can be conceived in a way that offers an alternative to individualism and collectivism The mutualism that is proposed provides a moral compass for navigating the challenges that confront us and encourages specific governing structures political economies and rituals that will further the formation of a global community Based on the philosophical analysis of John Macmurray the author's argument relies on an extensive review of the current literature on self personhood emotional motivation social identity forms of community and religious and secular rituals Interdisciplinary in

nature it aims to direct philosophy and the social sciences to the challenges of globalism and the creation of a global community
