What is S d The Hebrew word S d can be interpreted in at least two ways as a secret or mystery or as a congregation of people taking part in a secret or mystery in a formal manner Did Jesus belong to the sect of the Nazarenes or did he simply come from Nazareth Is there any esoteric relationship between the sacrifice of Jesus and the death of the mythological Adonis Is the similarity between the terms Adonis and Adonai arbitrary or just one of the many pieces of evidence hinting at the commonalities that the Greek and Hebrew mystery traditions shared Penetrate if you dare into this highly veiled and hermetic study of the Mysteries of Adoni and the figure of Jesus of Nazareth that Samuel Fales Dunlap bestowed upon the world in 1861 Now and for the first time this book has been rendered almost accessible to the profane by the copious annotations that Sonchis Triacorda has delivered for this brand new and greatly embellished edition E GIBIL is now pleased to present a thoroughly revamped edition of the two instalments of these all time classics of the comparative study of religions S d The Mysteries of Adoni and S d The Son of Man now including many new illustrations and annotations that we are sure will appeal greatly to all true adepts of the esoteric learning **Sod** Samuel Fales Dunlap,2018-06-29 Sod S.
