

SOJOURNERS in the WILDERNESS

The Christian Right
in Comparative
Perspective

A silhouette of a church steeple with a cross on top, situated on a hill. To the left of the steeple, there is a single tree and a fence line running along the slope of the hill. The background is a clear blue sky.

Sojourners In The Wilderness The Christian Right In Comparative Perspective

William Safran

Sojourners In The Wilderness The Christian Right In Comparative Perspective:

Sojourners in the Wilderness Corwin E. Smidt, James M. Penning, 1997 While the Christian Right has been the subject of a good deal of scholarly analysis it has not been adequately studied within a comparative context across time across different institutional systems or across different religious communities In Sojourners in the Wilderness a host of distinguished scholars examine these dimensions of the Christian Right The contributors analyze the Christian Right historically what is its relationship today with earlier manifestations How have its organizational structures and strategies changed over time Sociologically what are the current opportunities for Christian Right inroads within African American Catholic and Jewish communities and politically what accounts for the affinity between many evangelical Protestants and the Christian Right within the American political context while such an affinity appears to be lacking in other political contexts All of those interested in religion's role in politics and history will find this book valuable

The Democratic Virtues of the Christian Right Jon A. Shields, 2009-02-02 The Christian Right is frequently accused of threatening democratic values But in The Democratic Virtues of the Christian Right Jon Shields argues that religious conservatives have in fact dramatically increased and improved democratic participation and that they are far more civil and reasonable than is commonly believed Shields interviewed leaders of more than thirty Christian Right organizations observed movement activists in six American cities and analyzed a wide variety of survey data and movement media His conclusions are surprising the Christian Right has reinvigorated American politics and fulfilled New Left ideals by mobilizing a previously alienated group and by refocusing politics on the contentious ideological and moral questions that motivate citizens Shields also finds that largely for pragmatic reasons the vast majority of Christian Right leaders encourage their followers to embrace deliberative norms in the public square including civility and secular reasoning At the same time Shields highlights a tension between participatory and deliberative ideals since Christian Right leaders also nurture moral passions prejudices and dogmas to propel their movement Nonetheless the Christian Right's other democratic virtues help contain civic extremism sharpen the thinking of activists and raise the level and tenor of political debate for all Americans

The Christian Right in American Politics John C. Green, Mark J. Rozell, Clyde Wilcox, 2003-05-06 From the first rumblings of the Moral Majority over twenty years ago the Christian Right has been marshalling its forces and maneuvering its troops in an effort to re shape the landscape of American politics It has fascinated social scientists and journalists as the first right wing social movement in postwar America to achieve significant political and popular support and it has repeatedly defied those who would step up to write its obituary In 2000 while many touted the demise of the Christian Coalition the broader undercurrents of the movement were instrumental in helping George W Bush win the GOP nomination and the White House Bush repaid that swell of support by choosing Senator John Ashcroft once the movement's favored presidential candidate as attorney general The Christian Right in American Politics under the direction of three of the nation's leading scholars in the field of religion and politics recognizing

the movement as a force still to be reckoned with undertakes the important task of making an historical analysis of the Christian Right in state politics during its heyday 1980 to the millennium Its twelve chapters written by outstanding scholars review the impact and influence of the Christian Right in those states where it has had its most significant presence South Carolina Virginia Texas Florida Michigan Iowa Kansas Minnesota Colorado California Maine and Oregon and Washington Since 1980 scholars have learned a good deal about the social characteristics religious doctrine and political beliefs of activists in and supporters of the Christian Right in these states and each contribution is based on rigorous dispassionate scholarship The writers explore the gains and losses of the movement as it attempts to re shape political landscapes More precisely they provide in depth descriptions of the resources organizations and the group ecologies in which the Christian Right operates the distinct elements that drove the movement forward As the editors state the Christian Right has been engaged in a long and torturous march toward the millennium from outsider status into the thick of American politics Those formative years 1980 2000 are essential for any understanding of this uniquely American social movement This rigorous analysis over many states and many elections provides the clearest picture yet of the goals tactics and hopes of the Christian Right in America *Religion and the Bush Presidency* M. Rozell, G. Whitney, 2007-08-20 George W Bush s religiosity has invited much analysis and controversy about the impact of religion on government This collection of leading scholars essays first examines the impact of various religions voting groups on the 2004 presidential campaign and then reviews and assesses the impact of religion on the policies of the Bush presidency **The Oxford Handbook of Religion and American Politics** Corwin E. Smidt, Lyman A. Kellstedt, James L. Guth, 2017 Over the past three decades the study of religion and politics has gone from being ignored by the scholarly community to being a major focus of research Yet because this important research is not easily accessible to nonspecialists much of the analysis of religion s role in the political arena that we read in the media is greatly oversimplified This Handbook seeks to bridge that gap by examining the considerable research that has been conducted to this point and assessing what has been learned what remains unsettled due to conflicting research findings and what important questions remain largely unaddressed by current research endeavors The Handbook is unique to the field of religion and American politics and should be of wide interest to scholars students journalists and others interested in the American political scene *The Politics of Evangelical Identity* Lydia Bean, 2016-12-13 Drawing on her groundbreaking research at evangelical churches near the U S border with Canada two in Buffalo New York and two in Hamilton Ontario Lydia Bean compares how American and Canadian evangelicals talk about politics in congregational settings *Evangelicals and the Continental Divide* Sam Reimer, 2003 In *Evangelicals and the Continental Divide* Sam Reimer finds surprising levels of uniformity among evangelicals on both sides of the border He shows that both American and Canadian evangelicals share highly similar religious identities central beliefs moral and sub cultural boundaries and social attitudes Reimer found that American evangelicals did not distinguish themselves through greater

conservatism or greater commitment but did connect politics and faith to a much greater extent than their Canadian counterparts while evangelicals in Canada evinced greater tolerance He argues that these differences point to an enduring importance of national historical and cultural differences whereas regional differences are not as significant Using data obtained from 118 in depth interviews with evangelicals in both countries as well as a representative poll of 3 000 Canadians and 3 000 Americans Reimer details the inner workings of the evangelical subculture and gives us an understanding of evangelical similarities and differences across the two nations *Beyond the Global Culture War* Adam K. Webb,2013-08-21 Presenting a cross cultural critique of global liberalism this book argues for a broad based challenge that can meet it on its own scale It probes many of the key challenges we face in the new millennium and is a useful read for students of politics and globalization *Religion and Politics in the United States* Kenneth D. Wald,Allison Calhoun-Brown,2007 Religion and Politics in the United States Fifth Edition offers a comprehensive account of the role of religious ideas institutions and communities in American public life While maintaining that religion is too politically potent to be left out or consigned to the margins in accounts of American politics Wald and Calhoun Brown also argue against the common tendency to treat religion as the dominant force in politics today Early topics include the nature and persistence of religion in the United States its contribution to the Founding and the continuing debate over the role of religion in government and law Following a discussion of how religious factors encourage political action the book concludes by discussing basic political attitudes and behavior among members of mainstream American religious traditions and minority religious communities defined by ethnicity race gender and sexual orientation The new edition greatly expands coverage of various religious minorities with a new chapter on politics and religion among African Americans Latinos Muslim Americans Latter Day Saints Mormons and other faith traditions There is larger focus on how religion influences the politics of local communities Minorities and Reconstructive Coalitions Willie Gin,2017-07-06 Through comparative and historical analysis the book shows that reconstructive coalitions such as labor and pan Christian moral movements affect minority incorporation and bring Catholics and Protestants together under new identities and significantly improving Catholic standing It provides overviews of the history of Catholics in Australia Canada and the United States while at the same time advancing unique arguments about the impact of coalitions on minority politics *Political and Religious Identities of British Evangelicals* Andrea C. Hatcher,2017-07-19 This book examines the paradoxical relationship between the religious and political behaviors of American and British Evangelicals who exhibit nearly identical religious canon and practice but sharply divergent political beliefs and action Relying on interviews with British religious and political elites journalists MPs activists clergy as well as focus groups in ten Evangelical congregations this study reveals that British Evangelicals unlike their American counterparts known for their extensive involvement in party politics have no discernible ideological or partisan orientation choosing to pursue their political interests through civic or social organizations rather than electoral influence It goes further to show

that many British Evangelicals shun the label itself for its negative political connotations and in out group sensibility and choose to focus on a broader social justice imperative rendered almost incoherent by a lack of group identity Placing itself at the forefront of an incipient but growing segment of comparative research into the intersectionality of religion and politics the work satisfies a lacuna of how the same religious tradition can act differently in public squares contextualized by political and cultural variables

Globalizing Family Values Doris Buss,2003 With little fanfare and profound effect family values have gone global and the influence of the Christian Right is increasingly felt internationally This is the first comprehensive study of the Christian Right s global reach and its impact on international law and politics Doris Buss and Didi Herman explore tensions contradictions victories and defeats for the Christian Right s global project particularly in the United Nations The authors consult Christian Right materials from pamphlets to novels conduct interviews with people in the movement and provide a firsthand account of the World Congress of Families II in 1999 a key event in formulating Christian Right global policy and strategy The result is a detailed look at a new global player its campaigns against women s rights population policy and gay and lesbian rights its efforts to build an alliance of orthodox faiths with non Christians and the tensions and strains as it seeks to negotiate a role for conservative Christianity in a changing global order Piety, Politics, and Pluralism

Mary C. Segers,2002-03-20 Piety Politics and Pluralism skillfully confronts the question Is liberal democracy hostile to religion or is it compatible with the rights of believers Prominent scholars analyze the controversy about religious freedom by examining two areas at the intersection of religion and politics in contemporary American society the Supreme Court s 1990 decision in Oregon v Smith and the events of the 2000 presidential campaign Their essays remind us that in an increasingly pluralistic society Americans must work continually to reconcile religious commitment and political obligation Piety Politics and Pluralism is a groundbreaking work that will be indispensable to students of religion and politics American politics and constitutional law

Faith, Politics, and Sexual Diversity in Canada and the United States David Rayside,2011-04-01 For decades agitation by lesbians gays and other sexual minorities for political recognition has provoked a heated response among religious activists in both Canada and the United States In this remarkable comparative study expert authors explore the tenacity of anti gay sentiment as well as the dramatic shifts in public attitudes towards queer groups across all faith communities in both the United States and Canada They conclude that despite the ongoing conflict religious adherence does not invariably entail opposition to the political acknowledgment of queer rights

The Secular and the Sacred William Safran,2004-08-02 What is the place of religion in modern political systems This volume addresses that question by focusing on ten countries across several geographic areas Western and East Central Europe North America the Middle East and South Asia These countries are comparable in the sense that they are committed to constitutional rule have embraced a more or less secular culture and have formal guarantees of freedom of religion Yet in all the cases examined here religion impinges on the political system in the form of legal establishment semi legitimation subvention and

or selective institutional arrangements and its role is reflected in cultural norms electoral behaviour and public policies The relationship between religion and politics comes in many varieties in differing countries yet all are faced with three major challenges modernity democracy and the increasingly multi ethnic and multi religious nature of their societies Godless Democrats and Pious Republicans? Ryan L. Claassen, 2015-06-15 This book argues that basic demographic forces are essential to understanding the rise of Evangelical Republicans and Secular Democrats **Evangelicals and Israel** Stephen Spector, 2009 Most observers explain evangelical Christians bedrock support for Israel as stemming from the apocalyptic belief that the Jews must return to the Holy Land as a precondition for the second coming of Christ But the real reasons argues Stephen Spector are far more complicated In *Evangelicals and Israel* Spector delves deeply into the Christian Zionist movement mining information from original interviews web sites publications news reports survey research worship services and interfaith conferences to provide a surprising look at the sources of evangelical support for Israel Israel is God's prophetic clock for many evangelicals irrefutable proof that prophecy is true and coming to pass in our lifetime But Spector goes beyond end times theology to find a complex set of motivations behind Israel evangelical relations These include the promise of God's blessing for those who bless the Jews gratitude to Jews for establishing the foundations of Christianity remorse for the Church's past anti-Semitism fear that God will judge the nations based on how they treated the Jewish people and reliance on Israel as the West's firewall against Islamist terrorism Spector explores many Christian Zionists hostility toward Islam but also uncovers an unexpected pragmatism and flexibility concerning Israel's possession of the entire Holy Land For evangelicals politics frequently mixes with faith Yet Spector argues that evangelical beliefs though often portrayed as unifying and rigid are in reality various and even contradictory Spector uses George W Bush's beliefs about the Bible as a sounding board for these issues and explores the evangelical influence on his Middle East policies *Evangelicals and Israel* corrects much of the speculation about Bush's personal faith and about evangelicalism's impact on American Middle East relations and provides the fullest and most nuanced account to date of the motives and theology behind Christian Zionism

Christian Clergy in American Politics Sue E. S. Crawford, Laura R. Olson, 2003-05-06 In recent decades Christian clergy have ever more frequently had to decide whether to become involved in politics When they do become involved their influence can be substantial In this book Sue E S Crawford Laura R Olson and their coauthors explore the political choices clergy make and the consequences of these choices Drawing on personal interviews and statistical data to place the actions of clergy in both their religious and secular contexts the authors study mainline and evangelical Protestant Catholic and Mennonite communities They examine the role of white African American and female religious leaders And they address issues of local development city government and national and international politics Contributors Christi J Braun Boston University School of Law Timothy A Byrnes Colgate University James C Cavendish University of South Florida Sue E S Crawford Creighton University Katie Day Lutheran Theological Seminary at Philadelphia Melissa M Deckman Washington

College Paul A Djupe Denison University Joel S Fetzer Central Michigan University James L Guth Furman University Ted G Jelen University of Nevada Las Vegas Laura R Olson Clemson University James M Penning Calvin College Mary R Sawyer Iowa State University Corwin E Smidt Calvin College The Foundations of American Jewish Liberalism Kenneth D. Wald, 2019-01-17 American Jews have built a political culture based on the principle of equal citizenship in a secular state This durable worldview has guided their political behavior from the founding to the present day In The Foundations of American Jewish Liberalism Kenneth D Wald traces the development of this culture by examining the controversies and threats that stimulated political participation by American Jews Wald shows that the American political environment permeated by classic liberal values produced a Jewish community that differs politically from non Jews who resemble Jews socially and from Jewish communities abroad Drawing on survey data and extensive archival research the book examines the ups and downs of Jewish attachment to liberalism and the Democratic Party and the tensions between two distinct strains of liberalism Routledge Handbook of Religion and Politics Jeffrey Haynes, 2023-05-30 This third edition of the successful Routledge Handbook of Religion and Politics provides a definitive global survey of the interaction of religion and politics From the United States to the Middle East from Asia to Africa and beyond religion continues to be an important factor in political activity and organisation Featuring contributions from an international team of experts this volume examines the political aspects of the world s major religions including crucial contemporary issues such as religion and climate change religion and migration and religion and war Each chapter has been updated to reflect the latest developments and thinking in the field and the handbook also includes new chapters on topics such as religious freedom religion and populism proselytizing humanism and politics and religious soft power The four main themes addressed are World religions and politics Religion and governance Religion and international relations Religion security and development References at the end of each chapter guide the reader towards the most up to date information on these key topics This book is an indispensable source of information for students academics and the wider public interested in the dynamic relationship between politics and religion

Sojourners In The Wilderness The Christian Right In Comparative Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sojourners In The Wilderness The Christian Right In Comparative Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sojourners In The Wilderness The Christian Right In Comparative Perspective has opened up a world of possibilities. Downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sojourners In The Wilderness The Christian Right In Comparative Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sojourners In The Wilderness The Christian Right In Comparative Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers,

and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Sojourners In The Wilderness The Christian Right In Comparative Perspective*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Sojourners In The Wilderness The Christian Right In Comparative Perspective* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sojourners In The Wilderness The Christian Right In Comparative Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. *Sojourners In The Wilderness The Christian Right In Comparative Perspective* is one of the best book in our library for free trial. We provide copy of *Sojourners In The Wilderness The Christian Right In Comparative Perspective* in digital format, so the resources that you find are reliable. There are also many Ebooks of related with *Sojourners In The Wilderness The Christian Right In Comparative Perspective*. Where to download *Sojourners In The Wilderness The Christian Right In Comparative Perspective* online for free? Are you looking for *Sojourners In The Wilderness The Christian Right In Comparative Perspective* PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you

receive whatever you purchase. An alternate way to get ideas is always to check another Sojourners In The Wilderness The Christian Right In Comparative Perspective. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sojourners In The Wilderness The Christian Right In Comparative Perspective are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sojourners In The Wilderness The Christian Right In Comparative Perspective. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sojourners In The Wilderness The Christian Right In Comparative Perspective To get started finding Sojourners In The Wilderness The Christian Right In Comparative Perspective, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sojourners In The Wilderness The Christian Right In Comparative Perspective So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sojourners In The Wilderness The Christian Right In Comparative Perspective. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sojourners In The Wilderness The Christian Right In Comparative Perspective, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sojourners In The Wilderness The Christian Right In Comparative Perspective is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sojourners In The Wilderness The Christian Right In Comparative Perspective is universally compatible with any devices to read.
