Suzan-Lori Parks,2006-11-01 Suzan Lori Parks is one of the most important dramatists America has produced Tony Kushner
The plan was that no matter what I did how busy I was what other commitments I had I would write a play a day every single
day for a year It would be about being present and being committed to the artistic process every single day regardless of the
weather It became a daily meditation a daily prayer celebrating the rich and strange process of a writing life Suzan Lori
Parks On November 13 2002 the incomparable Suzan Lori Parks got an idea to write a play every day for a year She began
that very day finishing one year later The result is an extraordinary testament to artistic commitment This collection of 365
impeccably crafted pieces each with its own distinctive characters and dramatic power is a complete work by an artist
responding to her world each and every day Parks is one of the American theater s most wily and innovative writers and her
stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous TIME
