Soledad Roman:

Red Against Blue Helen Delpar,2010-03-03 An overview of the early political history of Colombia through an examination of the Liberal party from 1863 to 1899 its role in the Colombian political system and its evolution during that time Augusto "César" Sandino Marco Aurelio Navarro-Genie,2002-06-01 Ultimately Sandino saw himself as a Divine incarnation In exploring how religion dominated his persona and activated his political and social projects this book portrays Sandino as not just a rebel but a revolutionary prophet and messiah It is at once an intriguing and significant contribution to the growing literature on Sandino on Nicaraguan and Latin American history and on millenarian movements and religions BOOK JACKET Republica de Colombia Pedro A. Pedraza,1909 The Human Tradition in Latin America Judith Ewell, William H. Beezley,1989 Although the people whose stories appear in this book seem far removed from our lives most have the qualities that E M Forster admires as part of the true human tradition We may cringe at the suffering that some of them endured or contributed to or at the violence that pervaded their lives Still we can empathize with the courage and ability that gave most of them the power to endure through the cruelty and chaos of nineteenth century Latin America
