The Last Words:

The Last Words (Real and Traditional) of Distinguished Men and Women Frederic Rowland Marvin, 2022-08-01

Frederic Rowland Marvin's *The Last Words: Real and Traditional of Distinguished Men and Women* serves as a portal to the final utterances of historical and cultural titans encapsulating their end-of-life reflections, epitaphs, and at times enigmatic last phrases. Presented by DigiCat Publishing with the ethos of preserving the written word as legacy, this book chronicles a collection of parting wisdoms in a style that is both biographical and reflective. As a literary piece, it situates itself firmly in the tradition of anecdotal historiography, offering readers a poignant glimpse into the ultimate moments of renowned personalities covering a broad scope of eras and backgrounds within its pages. Marvin's meticulous collection allows the words to transcend time, presented in a modern format that ensures their endurance. In delving into the life experiences and accomplishments of Frederic Rowland Marvin, one can discern the profound interest Marvin held in the human condition and the weight of words left behind as cultural touchstones. His scholarly background informs his curatorial approach to assembling these last words, which hints at a desire not only to record history but also to capture the essence of life's fleeting nature. The author's dedication and insight provide a framework that guides the reader through the legacies of statesmen, philosophers, artists, and more, illustrating how their concluding declarations echo through time. This compilation merits a place on the bookshelves of those drawn to history, philosophy, and the human experience at large. It is particularly recommended for readers seeking insight into the minds of individuals who have significantly shaped our collective narrative. *The Last Words* invites contemplation and discussion, beckoning us to ponder the lasting impact of our voices and the words we may one day leave behind. It is a poignant reminder that in the end, our words can indeed become the ultimate testament to our lived experiences and enduring influence.

Last Words Karl S. Guthke, 1992-10-30

Whether Goethe actually cried "More light on his deathbed" or whether Conrad Hilton checked out of this world after uttering "Leave the shower curtain on the inside of the tub," last words, regardless of authenticity, have long captured the imagination of Western society. In this playfully serious investigation based on factual accounts, anecdotes, literary works, and films, Karl Guthke explores the cultural importance of those words spoken at the border between this world and the next. The exit lines of both famous and ordinary people embody for us a sense of drama and truthfulness and reveal much about our thoughts on living and dying. Why this interest in last words? Presenting statements from such figures as Socrates, Nathan Hale, Marie Antoinette, and Oscar Wilde, "I am dying as I have lived beyond my means," Guthke examines our fascination in terms of our need for closure, our desire for immortality, and our attraction to the mystique of death scenes. The author considers both authentic and invented final statements as he looks at the formation of symbols and legends and their function in our culture. Last words handed down from generation to generation like cultural heirlooms have a good chance of surviving in our collective memory. They are shown to epitomize a life, convey a sense of irony, or play to an audience, as in the case of the assassinated Mexican

revolutionary Pancho Villa who is said to have died imploring journalists Don't let it end like this Tell them I said something

Famous Last Words Alan Bisbort, 2001 Whether Inspiring Incomprehensible insightful bleak or absurd last words can be spoken by the living as well as the dying Among the dying last words are truly final as was the case with Dylan Thomas who uttered I've just had eighteen straight whiskeys I think that's the record Famous Last Words records the parting shots of dozens of folks no longer with us from those dead for political reasons to those who themselves decided to end it all And it records the words of those who went on with their lives after uttering a memorable farewell but whose reputation was made by their words often to their lasting frustration such as the infamous Richard Milhous Nixon You won't have me to kick around anymore because gentlemen this is my last press conference Famous Last Words also preserves the last words of those inhabiting the world of fiction whether in a book on the stage in a movie or on TV Blanche DuBois's I have always depended on the kindness of strangers ranks right alongside Charles Foster Kane's Rosebud and Sidney Carton's It is a far far better thing that I do than I have ever done The mutterings of the imagined are always floating around in our culture's consciousness kicking lustily Author Alan Bisbort consulted unimpeachable sources and original texts in compiling this compendium of 140 choice good byes But not only the farewells capture our attention Bisbort's concise witty and informative text adds revealing context to the quoted words Famous Last Words is fascinating illuminating and immensely rewarding Reading through the pages may reveal some unifying impulse behind all those bye-byes if so you have truly stumbled upon the meaning of life
