western sky surrounded at its base by a growth of pine and fir trees that made it look like a jewel of diamond shining whiteness held in a filigree setting of green Its snow covered peaks glistened and changed color from moment to moment as the shadows lengthened in the sun s descent toward the horizon Rumor said there was a group of men Divine men in Fact called the Brotherhood of Mount Shasta who formed a branch of the Great White Lodge and that this Focus from very ancient times had continued unbroken down to the present day I had been sent on government business to a little town situated at the foot of the mountain and while thus engaged occupied my leisure time trying to unravel this rumor concerning The Brotherhood I knew through travels in the Far East that most rumors myths and legends have somewhere as their origin a deep underlying Truth that usually remains unrecognized by all but those who are Real students of life I fell in love with Shasta and each morning almost involuntarily saluted the Spirit of the Mountain and the Members of the Order I sensed something very unusual about the entire locality and in the light of the experiences that followed I do not wonder that some of them cast their shadows before Long hikes on the trail had become my habit whenever I wanted to think things out alone or make decisions of serious import Here on this great giant of nature I found recreation inspiration and peace that soothed my soul and invigorated mind and body I had planned such a hike for pleasure as I thought to spend some time deep in the heart of the mountain when the following experience entered my life to change if so completely that I could almost believe I was on another planet but for my return to the usual routine in which I had been engaged for months The morning in question I started out at daybreak deciding to follow where fancy led and in a vague sort of way asked God to direct my path By noon I had climbed high up on the side of the mountain where the view to the south was beautiful as a dream As the day advanced it grew very warm and I stopped frequently to rest and enjoy to the full the remarkable stretch of country around the McCloud River Valley and town It came time for lunch and I sought a mountain spring for clear cold water Cup in hand I bent down to fill it as an electrical current passed through my body from head to foot I looked around and directly behind me stood a young man who at first glance seemed to be someone on a hike like myself I looked more closely and realized immediately that he was no ordinary person As this thought passed through my mind he smiled and addressed me saying My Brother if you will hand me your cup I will give you a much more refreshing drink than spring water I obeyed and instantly the cup was filled with a creamy liquid Handing it back to me he said Drink it I did so and must have looked my astonishment for while the taste was delicious the electrical vivifying effect in my mind and body made me gasp with surprise I did not see him put anything into the cup and I wondered what was happening That which you drank he explained comes directly from the Universal Supply pure and vivifying as Life Itself in fact it is Life Omnipresent Life for it exists everywhere about us It is subject to our conscious control and direction willingly obedient when we Love enough because all the Universe obeys the behest of Love Whatsoever I desire manifests itself when I command in Love I held out the cup and that which I desired for you appeared
