The Lawless Border:

The Lawless Border Allan Vaughan Elston, 1968 *Blood on the Borders* Judith Cook, 2003-10-01 This historical thriller whose protagonist is inspired by a real 16th century doctor named Simon Furman is full of period detail that is reflective of the political intrigues of the times On May Day 1592 after a night of revelry and a day tending the sick Forman falls into bed utterly exhausted Soon afterward he is woken by a man on his doorstep who is dying from a sword thrust and the next morning Forman is summoned to Whitehall accused of harboring enemies of the state To prove his innocence he agrees to journey to Edinburgh on a secret spying mission But once he enters the borders between Scotland and England where the bloodthirsty Reivers vow a life for a life he realizes that death is stalking him As one gruesome murder closely follows another Dr Forman must act quickly to identify a ruthless killer before his own life is put in jeopardy **Troublesome Border** Oscar J#quez Mart'nez, 2006-09-28 U S residents are largely unaware that Mexicans also view their northern border with concern and at times even alarm Border communities such as Ciudad Ju rez and Tijuana have long been subjected to heavy criticism from Mexico City and other interior areas for their close ties to the United States a country viewed with apprehension and suspicion by the Mexican citizenry Oscar Mart nez s words may come as a surprise to those who associate the U S southern border with banditry racial strife illegal migration drug smuggling and official corruption all attributed to Mexico In *Troublesome Border* now revised to reflect the dramatic changes over the last two decades a distinguished scholar and long time resident of the border area addresses these and other problems that have caused increasing concern to federal governments on both sides of the border This second edition of *Troublesome Border* has been updated and revised to cover dramatic developments since the book s first publication in 1988 that have once again transformed the region in fundamental ways Martinez includes new information on migration and drugs including the extraordinary rise of violence traced largely to the rampant illegal drug trade the devastating effects of U S Border Patrol blockades that have resulted in thousands of deaths and the impact of the North American Free Trade Agreement NAFTA *The Scotch-Irish Influence on Country Music in the Carolinas: Border Ballads, Fiddle Tunes and Sacred Songs* Michael C. Scoggins, 2013-05-14 Country music in the Carolinas and the southern Appalachian Mountains owes a tremendous debt to freedom loving Scotch Irish pioneers who settled the southern backcountry during the eighteenth and nineteenth centuries These hardy Protestant settlers brought with them from Lowland Scotland Northern England and the Ulster Province of Ireland music that created the essential framework for old time string band music From the cabins of the Blue Ridge and Great Smoky Mountains to the textile mills and urban centers of the Carolina foothills this colorful passionate heartfelt music transformed the culture of America and the world and laid the foundation for western swing bluegrass rockabilly and modern country music Author Michael Scoggins takes a trip to the roots of country music in the Carolinas **The Border Angler** , 1860 *Poverty Row Studios, 1929-1940* Michael R. Pitts, 2015-09-17 From the beginning of the sound era until the end of the 1930s independent movie making

thrived Many of the independent studios were headquartered in a section of Hollywood called Poverty Row Here the independents made movies on the cheap usually at rented facilities where shooting was limited to only a few days From Allied Pictures Corporation to Willis Kent Production 55 Poverty Row Studios are given histories in this book Some of the studios such as Diversion Pictures and Cresnet Pictures came into existence for the sole purpose of releasing movies by established stars Others for example J D Kendis were early exploitation filmmakers under the guise of sex education The histories include critical commentary on the studio s output and a filmography of all titles released from 1929 through 1940
