The Lawless

Paul Douglas Castle

The Lawless:

The Lawless Decade Paul Sann, 2012-12-06 From the start of Prohibition to the Wall Street Crash these lively vignettes portray the most noteworthy people and events of the 1920s Hundreds of photographs depict gangsters flappers movie stars other personalities

The Lawless Land Rex Mumford, 2003-10 They entered the valley harsh yet beautiful With danger around every hill Where only a fast gun and quick thinking can save a person and even then only with luck A lot of luck Rex Mumford brings to life in this western novel much of the suspense action and surprise of the traditional old west Follow the lives of those portrayed in this novel during a time when men and women wanted little more than some land and to live peacefully Yet when faced with difficult challenges they could and would meet them head on Often they were the judge and jury with little time to decide the fate of those that wronged them When someone draws on you you only have two choices be faster or die in The Lawless Land Brown s Hole one of the stops along the outlaw trail A beautiful valley for ranching but also a haven for those hiding from the law with no were else to run More often than not they possessed only a fast horse and even faster gun hand It was fight or die Most fought some died Two deputy marshals leaving their badges and authority behind and a girl with a different agenda all enter the valley known as Brown s Hole Two looking for answers one looking for revenge Faced with challenges and odds never before faced each will find what they are looking for and a whole lot more than they bargained for The only problem is surviving

The Conclusion to the Whole Matter Paul Douglas Castle, 2014-02-11 As the author of The Conclusion to the Whole Matter I conclude its a risk of emotions to read this book Because The Conclusion to the Whole Matter is a two edged sword that cuts through myths pagan practices abominations and the detestable traditions of men that are manifested in our society and also in the churches of God The Conclusion to the Whole Matter will stir up different emotions in all readers that read its contents because The Conclusion to the Whole Matter will not let you see the world of Christianity as you once imagined it to be The rose colored glasses that most people view Christianity through may not seem so rosy after reading The Conclusion to the Whole Matter But The Conclusion to the Whole Matter is the whole truth based on the word of God In our society today men abhor the truth they twist and veil it in darkness and insincerity The Conclusion to the Whole Matter unveils hidden things that professing Christians might wish would stay hidden from the light The contents of this book are devoted to the feelings and emotions of God The Bible consists of approximately 782 000 words The Conclusion to the Whole Matter is summed up in six words But its taken me approximately 190 000 words to put definition to The Conclusion to the Whole Matter In the last days it will be 144 000 men of God and a flying angel who preach the last gospel on earth The last gospel preached will be The Conclusion to the Whole Matter

The Christian Observer ,1865 *Why Did Jesus Say, "Salvation is of the Jews"?* Donald Werner,2018-09-02 This book is for Jews and Christians Jesus said Salvation is of the Jews John 4 22 and in Revelation 14 12 Jesus tells us that we must keep the commandments of God have the faith of Jesus The Jewish Jesus told us to keep his teachings and he said unless we do we will never see eternal life I will compare the Jewish faith and the Christian faith to see which one best complies with Jesus teachings It will then be evident to you that most Christians are not saved according to Jesus criteria but Biblical Jews are I know that s a bold statement But Jesus said if we don t keep his teachings we are not saved I always thought that salvation was of the Christian faith but Jesus said Salvation is of the Jews now I know what he meant and Christians had better take note before Judgment Day Also read about evangelism Jesus style Jesus parables saving grace Mark of the Beast Seal of God synagogue of Satan why the church today is Laodicea and much more **The Gospel Of the Kingdom of God, Form #17.003** Dr. Brook Stockton,2020-02-06 Background on the Gospel of the Kingdom of God Sovereignty Education and Defense Ministry SEDM is expressly authorized to be republish this document on Google Book and Google Play and elsewhere by the author at the following location on the author s website DMCA Copyright Section 10 <https://nikeinsights.famguardian.org/footer/dmccopyright> For reasons why NONE of our materials may legally be censored and violate NO Google policies see <https://sedm.org/why-our-materials-cannot-legally-be-censored> *The Vehement Jesus* David J. Neville,2017-11-13 The Vehement Jesus composes a fresh examination and interpretation of several perplexing passages in the Gospels that at face value challenge the conviction that the mission and message of Jesus were peaceful Using narrative analysis and various forms of intratextual critique in the service of a hermeneutic of shalom the author makes the case that Gospel portrayals of the vehement Jesus are compatible with perhaps even indispensable to the composite canonical portrait of Jesus as the Messiah of Peace As a result this exploration in New Testament theology and ethics makes an invaluable contribution to the crucial conversation about the role of Jesus life and teaching in Christian reflection on the morality of violence today **The Methodist Review** ,1892 **The Pseudepigraphal Letters to the Thessalonians** Marlene Crüsemann,2018-12-13 Marlene Crüsemann examines the Thessalonian letters in the context of Jewish Christian social history building upon her analysis of 1 Thessalonians Crüsemann comes to the conclusion that it is post apostolic epistolary communication and questions whether it is a letter of Paul and indeed whether it is an early letter This analysis in turn adds

weight to the thesis propounded by some previous scholars that the letter is somewhat out of place and may be a later work by another author Cr semann subsequently illustrates that 2 Thessalonians by contrast revokes the far reaching social separation from Judaism that characterizes 1 Thessalonians and thus aims socio historically at a solidarity with the entire Jewish people Analysing the concept of the Jews as supposed enemy the future of the Greek gentile community and the relationship between the two letters Cr semann concludes that the discussion about a divergence of the ways of Christians and Jews in early Christian times needs to be realigned A Story of Faith, Hope and Love William Dewberry,2016-03-01 Gods existence is conspicuous as a result of His creation and the history in the Bible of the blessings and punishment received by His people from the time of the Garden of Eden to the crucifixion of Jesus Christ to provide redemption Therefore the most important thing in life is faith in God which leads to hope love and obedience in Gods Word the Bible Christians understand God by his creation and His willingness to sustain human life God clearly reveals himself and His creation in the inspired account of the Bible God welcomes people to establish a relationship of faith in Him in order to avoid the consequences of sin The authenticity of the Bible was established many years ago and the people of every generation since its completion believe it is a divinely inspired book Apocalypticism in the Bible and Its World Frederick J. Murphy,2012-08-01 2013 Biblical Archaeology Society BAS Award for Best Book Relating to the New Testament Frank Moore Cross Award American Schools of Oriental Research 2013 Apocalypticism is not a peripheral topic in biblical studies It represents the central characteristic transformation of Hebrew thought in the period of the Second Temple It therefore constituted the worldview of Jesus Paul and the earliest Christians and it is the context in which the New Testament books were written In this volume Frederick Murphy defines apocalypticism while discussing its origins where it comes into play in the Hebrew Bible and how it relates to Jesus and the New Testament The Beast and Babylon J.B. Whitelaw-Stevens,2017-07-06 The Beast and Babylon answers some age old questions about the two symbolic entities featured in the book of Revelation These symbols have historically been typified as a revived Roman Empire and its God opposing religious counterparts that rise up in Europe prior to the Second Coming of Jesus Christ In contrast this informative and timely study reveals that the latter day beast power rises out of not one but out of three defunct previous empires in the Middle East known via Daniels metaphors as the lion bear and leopard kingdoms It appears from Daniel 7 1112 that long after the last manifestation of the Roman Empire is destroyed these three dormant empires are revived for a season and a time During their rejuvenation they reappear in Revelation 13 and 17 in the form of a tripartite seven headed political religious beast power that emerges from the topographies of the ancient Grecian leopard Persian bear and Babylonian lion kingdoms Furthermore these combined territories encompass ten sovereign Islamic horn nations that were revealed after the Ottoman Empire was abolished ninety five years ago Today many of these Islamic nations contain embedded terrorist groups whose fanatical Jihadist leaders are determined to resurrect a radical pan Islamic Caliphate by which to establish Sharia law

throughout the World To achieve these objectives the latter day nascent imperial beast power in conjunction with ten like minded insurgent leaders must initiate a global Jihad to incite war on the people of God and conspire to destroy a religious city called Mystery Babylon the Great *Sacred Calendar of Prophecy; Or, A Dissertation on the Prophecies which Treat of the Grand Period of Seven Times & Especially of Its Second Moiety Or the Latter Three Times & a Half* George Stanley Faber, 1828 *The ^A Conflict Myth and the Biblical Tradition* Debra Scoggins Ballentine, 2015-06-01 In *The Conflict Myth and the Biblical Tradition* Debra Scoggins Ballentine analyzes the ancient west Asian theme of divine combat between a victorious warrior deity and his enemy typically the sea or a sea dragon *The Blacklisted Bible* Daniel L. extremism environmental catastrophe Yet it also seeks to place these singularly modern crises within a much longer history For the contributors to this collection it is the ancient religious tradition called the messianic that provides the critical lens through which modernity may be interrogated In its ongoing struggles with the messianic liberal modernity confronts the promise and threat of a radically new Politics to Come So what are the Politics to Come How do they manifest themselves throughout history Why does the possibility of a messianic judgement continue to haunt the western political imaginary This collection offers a series of political philosophical and theological perspectives from which the future of liberal modernity if it has one can be imagined
