

THE LAZARUS CONNECTION

The background of the cover features a silhouette of a large, leafy tree on the right side. Behind the tree, a bright, glowing light source, likely the sun, is setting or rising, creating a strong lens flare and illuminating the sky with a warm, orange-yellow glow. The foreground is dark and indistinct, suggesting a landscape or a body of water.

Kingsley,2016-05-12 Few works of art better illustrate the splendor of eleventh century painting than the manuscript often referred to as the precious gospels of Bishop Bernward of Hildesheim with its peculiar combination of sophistication and na vet its dramatically gesturing figures and the saturated colors of its densely ornamented surfaces In *The Bernward Gospels* Jennifer Kingsley offers the first interpretive study of the pictorial program of this famed manuscript and considers how the gospel book conditioned contemporary and future viewers to remember the bishop The codex constructs a complex image of a minister caring for his diocese not only through a life of service but also by means of his exceptional artistic patronage of a bishop exercising the sacerdotal authority of his office and of a man fundamentally preoccupied with his own salvation and desire to unite with God through both his sight and touch Kingsley insightfully demonstrates how this prominent member of the early medieval episcopate presented his role to the saints and to the communities called upon to remember him **A Theology of John's Gospel and Letters** Andreas J. Benedict XVI: A Life Volume Two Peter Seewald, 2021-11-11 Emeritus Pope Benedict commanded both adulation and unrelenting criticism To millions he was a beacon of light in a turbulent modern world In this second volume of Peter Seewald s authoritative biography the story continues from the Second Vatican Council 1965-8 right up to his resignation in 2013 the first Pope to do so in almost 600 years We see how Benedict was influenced by the Council and the ensuing political unrest all over Europe to move from a liberal perspective on the Church and the modern world to one that was profoundly conservative Appointed in 1981 as prefect of the Congregation of Doctrine of the Faith and quickly nicknamed God s Rottweiler he proved to be intransigent on the controversial issues of abortion contraception gay rights and gay marriage But elected Pope in 2005 his tenure of office was so riven with shocking revelations of controversy and scandal that it seemed that by the time of his resignation in 2013 he was incapable of handling the complexities of the Church in the modern world Vatileaks sexual abuse by priests the Regensburg speech which became the spark of an eruption of anger and rage in the Muslim world all these hit the world s media headlines Peter Seewald was the only person who was close enough to Benedict to assess the man himself and to uncover the truth about so many of the controversial issues surrounding this most controversial papacy Seewald has already published two books of interviews with Benedict and this book is based not just on meticulous research but on many hours of recorded interviews with Benedict himself It will stand for many years as the definitive biography of Benedict XVI from an author with unrivalled access to the

Jesus and YHWH-Texts in the Synoptic Gospels Scott Brazil,2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegeting dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology
