The Leper And Other Stories:

The Duel, and Other Stories Anton Pavlovich Chekhov, 1916 *The Duel and Other Stories* Anton Chekhov, Constance Garnett, 2003-02-10 Six selections from the famed Russian showcase his natural aptitude for detail dialogue humor and compassion Includes The Darling a poignant piece supporting the claim that life has no meaning without love as well as The Kiss Anna on the Neck The Man in a Case The Malefactor and the title story [The Duel and Other Stories](#) Anton Pavlovich Chekhov, 2021-01-13 Chekhov illustrates the complexities of the dynamics in 19th century Russian society in an impossibly effortless way He does it so well precisely because he refuses to acknowledge just one absolute truth about life humans are complex and so the world they create must be one too Goodreads **The Canterville Ghost, The Happy Prince and Other Stories** Oscar Wilde, 2010-04-01 A collection of stories including two of Wilde's most famous The Canterville Ghost in which a young American girl helps to free the tormented spirit that haunts an old English castle and The Happy Prince who was not as happy as he seemed Often whimsical and sometimes sad they all shine with poetry and magic **The Duel and Other Stories (riverrun editions)** Anton Chekhov, 2020-01-23 A married woman restlessly seeks a deeper love An insomniac ponders the meagreness of his life A man loses the respect of his family because of a counterfeit coin A duel of wits escalates into a clash of cultures and more The Duel and Other Stories is the second in an exclusive three volume edition of Chekhov's stories Encompassing the intricacy and range of social connection these exquisitely crafted stories trace the mutability of our everyday relationships as they stall separate or entwine In the strangely lyrical deadpan prose so characteristic of Chekhov's drama they expose the misplaced affections broken vows and brilliant dreams of what it is to be human This unique collection offers a perfect introduction to one of Russia's and the world's greatest writers [The Duel and Other Stories](#) Антон Чехов, 2021-03-16 *"The Sting of Death" and Other Stories* Toshio Shimao, 2020-06-01 Until a recent boom Shimao Toshio writer of short fiction critic and essayist was not widely known even in Japan He has never won the Akutagawa or the Naoki Prize and none of his works had previously appeared in English translation He is less well known than other writers Yasuoka Shotaro Kojima Nobuo and Shono Junzo with whom he has associated and whose works have been liberally translated into English Yet there are those who consider him to be one of the best contemporary writers in Japan This volume by no means exhausts the scope of Shimao's fiction There are no stories here for instance about childhood or student life and none of his many travel stories Some of his most famous stories When we Never Left Port for example have not been included But the stories presented here do offer a considerable variety of style from the pristine storybook language of The Farthest Edge of the Islands to the young intellectual's jargon of Everyday Life in a Dream to the visionary hysterical occasionally ritualistic prose of the sick wife stories to the sober difficult almost ponderous narration of This Time That Summer Shimao's approach to his material varies as well Everyday Life in a Dream is the only representative here of a large number of stories usually called surrealistic by the critics stories whose plots progress by the logic of dreams The

individual experience of real life are lived through a combination of conscious and unconscious perception These stories are the least approachable and the least charming to the casual reader but they serve among other things to highlight patterns in the more realistic fiction The Farthest Edge of the Islands is a symbolic heightening of reality in another way a romantic fairy tale beginning at the extremity of experience at the farthest edge of the world The other stories are presented as precise close chronicles of reality by a participant in that reality whose attention never waivers and who never allows himself to avert his eyes from a world that he sees as his responsibility and in a sense his fault All but the first story The Farthest Edge of the Islands which is in third person narration are told in the first person by the character who plays Shimao's role in the life that inspired the fiction Paul the Minstrel and Other Stories Arthur Christopher Benson, 2020-07-17 Reproduction of the

original Paul the Minstrel and Other Stories by Arthur Christopher Benson **Paul the Minstrel and Other Stories**

Arthur Christopher Benson, 1911 **The Essential Táin Bó Cúailnge and Other Stories from the Ulster Cycle**

Matthieu Boyd, 2025-09-04 T in B Cúailnge frequently referred to as the T in is one of the most important works of medieval Irish literature and has been called the national epic of Ireland This new judiciously abridged translation of the T in renders the text in an approachable colloquial style that nevertheless maintains enough accuracy to support close reading This edition also contextualizes the T in itself with numerous selections from the rest of the so called Ulster Cycle the related body of legends about the characters of the T in including accounts of their origins and their deaths Also included are a full introduction extensive footnotes drawing on the most recent scholarship on the T in that provide clarifications explanations and background information four maps showing the sites of major events in the epic and a series of character trees to help readers keep track of the T in's large cast of characters and their often complex interrelationships among other valuable resources *The kept woman and other stories* Kamala Das, 2010 I feel a woman is most attractive when she surrenders to

her man She is incomplete without a man averred Kamala Das shortly before her death in May 2009 One of the most controversial and celebrated Indian authors she combined in her writings rare honesty and sensitivity provocation and poignancy The Kept Woman and Other Stories explores the man woman relationship in all its dimensions Deprived deprived mysterious mystical and exalted each character culled from experience and observation is an incisive study of love lust and longing

The Golden Thought of Queen Beryl, and Other Stories Marie Cameron, 1880 **Seraphita. A daughter of Eve, and other stories** Honoré de Balzac, 1899

The Diary of a Superfluous Man and Other Stories Ivan Turgenev, 2018-05-28 When Turgenev published Diary of a Superfluous Man in 1850 he created one of the first literary portraits of the alienated man Turgenev once said that there was a great deal of himself in the unsuccessful lovers who appear in his fiction This failure along with painful self consciousness is a central fact for the ailing Chulkaturin in this melancholy tale As he reflects on his life he tells the story of Liza whom he loved and a prince whom she loved instead and the curious turns all their lives took **The angel of the iceberg, and other stories and parables** John Todd, 1859 *About Catherine de' Medici,*

Seraphita, and other stories Honoré de Balzac, 1901 *Short Story Index*, 1999 **A History of Epidemics in Britain (Vol. 1&2)** Charles Creighton, 2023-12-12 In *A History of Epidemics in Britain Vol 1 2* Charles Creighton meticulously chronicles the impact of infectious diseases throughout British history analyzing their social economic and political ramifications Creighton's literary style seamlessly blends historical narrative with empirical data providing a comprehensive examination of various epidemics from the Plague of Justinian to the cholera outbreaks of the 19th century This two volume work offers an insightful commentary on the broader implications of health crises influenced by contemporaneous societal attitudes and responses effectively situating these events within the larger context of public health evolution and medical understanding An esteemed physician and historian Creighton's insights are deeply rooted in his extensive medical background and his keen interest in the intersection of history and epidemiology His academic pursuits were shaped by the prevailing Victorian interest in the sciences prompting him to explore how epidemics influenced government policy and public health initiatives Creighton's dedication to uncovering historical patterns in illnesses reflects his desire to illuminate how past experiences can inform modern approaches to disease management For scholars public health professionals and history enthusiasts alike Creighton's work is an indispensable resource The detailed analysis not only enriches our understanding of past epidemics but serves as a cautionary tale about the interplay of disease and society a must read for anyone seeking to comprehend the historical implications of health crises **Brith Sholom News**, 1926 *A History of Epidemics in Britain* Charles Creighton, 1891
