

What is a School Library Media Program?

*And How Did the
Idea Get Started?*

The Library Media Program And The School

Lesley S. J. Farmer

The Library Media Program And The School:

The Role of the School Library Media Program in Networking United States. Task Force on the Role of the School Library Media Program in the National Program, 1978

Taxonomies of the School Library Media Program David V. Loertscher, 2000 Explains how to build a strong library media program providing taxonomies for the library media specialist teacher student and administrator and discussing collaborative planning technology direct services to groups and individuals the information infrastructure and program evaluation

Administering the School Library Media Center Betty J. Morris, 2010-08-16 This is the most comprehensive textbook on school library administration available now updated to include the latest standards and address new technologies This reference text provides a complete instructional overview of the workings of the library media center from the basics of administration budgeting facilities management organization selection of materials and staffing to explanations on how to promote information literacy and the value of digital tools like blogs wikis and podcasting Since the publication of the fourth edition of Administering the School Library Media Center in 2004 many changes have altered the landscape of school library administration the implementation of NCLB legislation and the revision of AASL standards just to mention two The book is divided into 14 chapters each devoted to a major topic in school library media management This latest edition gives media specialists a roadmap for designing a school library that is functional and intellectually stimulating while leading sources provide guidance for further research

Toward a 21st-Century School Library Media Program Esther Rosenfeld, David V. Loertscher, 2007-10-15 A collection of articles written by leading experts in the school library field that explain how school teachers librarians and administrators can work together to improve library services and meet the needs of all students

The Library Media Program and the School D. Philip Baker, 1984

Ensuring Intellectual Freedom and Access to Information in the School Library Media Program Helen R. Adams, 2008-09-30 Over two thirds of all challenges to books and other resources reported to the ALA Office for Intellectual Freedom occur in schools This book explores intellectual freedom issues in school library media programs including selection of resources and materials selection policies challenges and censorship students freedom to read patron privacy and confidentiality of library records the blocking of Internet resources access to the school library media center its resources and services for students with special needs and advocacy for minors First Amendment rights in school library media programs Throughout the text practicing public school and private school library media specialists at different grade levels candidly share their stories and observations on how intellectual freedom principles and ALA policy statements apply to real life situations Attorney Mary Minow provides vital information about the impact of the First Amendment federal and state law and court decisions on minors using libraries in schools Whether a library media specialist in the field or a student in a graduate or undergraduate library and information studies program readers will find both practical information and advice to complement the concepts found in the American Library Association's Intellectual Freedom Manual Print and Web

resources are included *The School Library Media Manager* Blanche Woolls, 2004 All of the chapters in this popular school library management textbook have been revised and updated Written in an accessible conversational style it is ideal for student use Traditional management topics are integrated within chapters that provide a complete overview of the profession and all aspects of school library management Each chapter has student exercises to pique discussion and critical thought and the tone of the book is that of an instructor discussing what a school library should look like with an emphasis on the role of the school librarian as educator The author addresses the development of the school library media center through the changes in K 12 education over time and explores the way such changes affected school libraries Attention is given to the leadership responsibility to be an advocate at local state and national levels The new National Board for Professional Teaching Standards certification for school librarians is discussed as are budget facilities cataloging copyright selection of materials staff evaluation and all the other basic managerial functions The book is current with discussions of the AASL national guidelines and standards the USA Patriot Act and the effect of Internet filtering on school libraries

Student Success and Library Media Programs Lesley S. J. Farmer, 2003-09-30 Student success comprises a complex system of expectations and measurements Designed for school library media specialists this book focuses on library media programs and examines the factors that influence student achievement Through a presentation of research trends and actual practice award winning author Lesley Farmer demonstrates how media specialists can encourage student achievement by creating an environment conducive to learning Farmer takes a systems approach illuminating how each stakeholder in a student's education contributes to and impacts student achievement Chapters include What Defines Student Achievement Research in the School Library World Internal Factors The School Library Media Program School Factors Towards Student Achievement Student Factors Towards Student Achievement Societal Factors Towards Student Achievement Focus on Reading Who's a Good Reader Next Steps In addition to research findings about library programming Farmer examines collection resources facilities staffing curricula instruction reading issues services products and administration Key research studies are cited throughout the work to optimize referral to relevant information This is an invaluable guide for school library media specialists as well as for faculty and students in LIS and education programs

Enhancing Teaching and Learning Jean Donham, 2008 You can take a proactive role in shaping instruction and respond to your users needs and requests with this thoroughly revised and expanded guide You'll learn how to develop and implement an effective library media program by integrating it into the total education environment Part One covers all aspects of the school environment students curriculum and instruction principals school district administration and the community Part Two shows you how to integrate the school library media program throughout these environments using interaction and collaboration New in this edition are discussions of special education post high school transitions shared school public libraries and more along with a discussion of recent developments in elementary education including standards assessments and the No Child Left Behind Act

Achieving a

Curriculum-based Library Media Center Program Jane Bandy Smith,1995 This text provides information to ensure that teachers and students access the best available resources and use them in the manner most effective for each individual learner It focuses on the library s role in the curriculum design process **Guide for Developing and Evaluating School Library Media Programs** ,2000 With simple straight forward directions and hundreds of reproducibles this book provides you with a step by step guide for evaluating your school library media program Individual chapters cover standards programs preparation of media personnel certification continuing education personnel and evaluation leadership planning and management resources and facilities Many of the concepts and guidelines of Information Power have been incorporated into the text Seven Steps to an Award-Winning School Library Program Ann M. Martin,2012-01-05 This comprehensive book takes the reader through the necessary steps to develop user buy in and assistance in creating a learner driven library program The result A unique exemplary school library program that is eligible for national awards Creating an award winning school library program involves more than simply following the guidelines and standards available that describe what an exemplary program should accomplish Effecting the changes necessary is often a process that presents multiple challenges along the way especially when there is insufficient buy in to the changes This updated second edition of Seven Steps to An Award Winning School Library Program begins with a description of an existing model school library program and then describes steps that emphasize how to develop user buy in and assistance in achieving the results of a learner driven library program In addition to providing descriptions of detailed actions to perform advice on working with staff and background information on change theory this book also includes practical documents diagrams processes workshop ideas lesson plans and tips when filling out applications for awards **The Emerging School Library Media Program** ,1988 *Guidelines for California Library Media Programs* California Association of School Librarians,CMLEA.,1977 **Toward a 21st-Century School Library Media Program** Esther Rosenfeld,David V. Loertscher,2007-10-15 This collection of enlightening and stimulating articles written by some of the most important figures in school librarianship demonstrates how teacher librarians classroom teachers and administrators can work together to create a 21st century school library media program With topics that emphasize student success leadership partnerships curriculum design collaborative planning and teaching literacy 21st century skills emerging technologies and so much more this compendium brings together the best of the best discussions The practicing teacher librarian as well as the student seeking to expand his or her knowledge of the field will find this compilation especially beneficial in providing an overview of the most critical issues related to the role the teacher librarian plays in their school The articles previously published in the peer reviewed Teacher Librarian The Journal for School Library Professionals with several included from the magazine VOYA Voice of Youth Advocates reveal how school libraries and teacher librarians are moving forward to meet the challenges of this new century **Linking for Learning** Illinois School Library Media Association,Joanne Calarco,1999 **A Discussion Guide for Information Power,**

Guidelines for School Library Media Programs M. Ellen Jay, Michael D. Leahy, Hilda L. Jay, 1988 The most recent set of national guidelines for the development of school library media programs which was published in 1988 identifies underlying changes in the roles of the school library media specialist as well as in the program itself Viewing the library media specialist as an initiator of curricular activities rather than a purveyor of support services these guidelines emphasize leadership partnership planning curricular needs collection development and equity of access to information This discussion guide has been developed to help educators at all levels to plan meetings and conduct effective discussion sessions with persons who have become familiar with Information Power in its entirety in order to evaluate local school library media programs in light of the recent revisions The first of three sections identifies the principal concepts presented in Information Power and provides an overview of each of its eight chapters Procedures by which discussion sections may be effectively organized to promote the successful exchange of knowledge and views are recommended in the second section The final section identifies specific constituencies for discussion groups and suggests discussion questions for each of the groups i e library media specialists administrators and boards of education classroom teachers college and university faculty state department of education personnel and members of the community at large as well as questions for mixed constituency groups and questions basic to all discussion sessions GL

Block Scheduling and Its Impact on the School Library Media Center Marie Shaw, 1999-02-28 Across the country educators are facing the challenge of restructuring the secondary school to meet the needs of students in the twenty first century Block scheduling provides sustained time and fosters an environment for active and experiential learning a key to student success in life The author who has spearheaded the adoption of block scheduling in her school s library media center has prepared a complete guide for library media specialists contemplating or moving to block scheduling In preparing this guide she has incorporated the experiences of twelve secondary school libraries across the country that have also moved to block scheduling Step by step this guide walks the library media specialist through planning networking curriculum and instruction professional development technology and assessment Practical suggestions forms lesson plans and case studies of other media centers that have successfully adopted block scheduling will help the library media specialist to make the transition to the block Block scheduling places a high demand on staff materials and information technologies Shaw stresses that networking of people and resources is essential to successful adoption of block scheduling She takes the reader through the planning and transitional phases of a high school adopting block scheduling and addresses concerns about instructional change ongoing curriculum and the role of the library media specialist as a teacher of information technology She provides ideas on where to find professional development and how to network with other library media specialists with expertise in the block and offers practical suggestions on resource sharing study hall flexible scheduling budget collection development substitute teachers and assessment techniques The Choice to Change Cindy Jeffrey Krimmelbein, 1989 Teaching library media research and information skills series Advice for

integrating a library media skills program into the curriculum The School Library Media Center Ruth Ann Davies, 1974
Examines current changes and trends in school librarianship and suggests guidelines for achieving an effective library media program
