Introd. by V. Kibaltchich [V.V. Kibal'čič].** , 1975 *Exiled to Stalin's Prisons* Albert Pleysier, Alexey Vinogradov, 2018-11-09 Why have I been exiled to prison It was a question millions of Soviet citizens asked themselves in the latter 1930s and in the years that followed World War Two The charges brought against those who were imprisoned were decided by the State and the time of incarceration was also decided by the State Urkho Rukhanen was arrested in 1938 and was accused of participating in an anti Soviet nationalist organization The accusation was a fabrication Urkho was declared guilty was exiled to a prison labor camp and was released in 1946 Sofia Prupis was arrested in 1949 She was accused of being a Trotskyite and a Zionist The charges brought against her were fabrications She was declared guilty of treason and given a ten year sentence Both Urkho and Sofia are the main subjects in the book **The Life and Death of Trade Unionism in the USSR, 1917-1928** Gunter Bischof, 2017-07-12 The Russian Revolution excited men and captured their imaginations It seemed to herald the fulfillment of the nineteenth century socialist movement Socialists believed that with the proper use of technocracy they could scourge poverty and hunger from the earth They felt that a social system based on equality and social justice could overcome the traditional division of each society into rich and poor They were convinced that they could overcome social problems that seething and bubbling beneath the surface threatened to be as destructive as wars fought between great powers These were the ideals and objectives of both 1917 revolutions They were exciting and contagious The Russians were seen by many as being on the threshold of a new and great experiment one which would lead the world to peace democracy and security the dream of ages Support grew quickly A worldwide movement committed to the extension of the ideological and moral principles of the Revolution and to the defense of the Soviet Union grew and became a significant factor in world politics It did not turn out that way Much of the story of this tragedy is to be found in labor struggles the split between the Communist Party the trade unions and the workers The labor movement which had been pushing for a democratic alternative turned against the Bolsheviks soon after 1917 and labor opposition left the Bolsheviks at the crossroads of history The Bolsheviks had to choose between dictatorship or democracy Under Lenin s guidance they opted for minority dictator ship the outcome

Smith,2017-11-14 Stephanie J Smith brings Mexican politics and art together chronicling the turbulent relations between radical artists and the postrevolutionary Mexican state The revolution opened space for new political ideas but by the late 1920s many government officials argued that consolidating the nation required coercive measures toward dissenters While artists and intellectuals some of them professed Communists sought free expression in matters both artistic and political Smith reveals how they simultaneously learned the fine art of negotiation with the increasingly authoritarian government in order to secure clout and financial patronage But the government Smith shows also had reason to accommodate artists and a surprising and volatile interdependence grew between the artists and the politicians Involving well known artists such as Frida Kahlo Diego Rivera and David Alfaro Siqueiros as well as some less well known including Tina Modotti Leopoldo M ndez and Aurora Reyes politicians began to appropriate the artists nationalistic visual images as weapons in a national propaganda war High stakes negotiating and co-opting took place between the two camps as they sparred over the production of generally accepted notions and representations of the revolution s legacy and what it meant to be authentically Mexican **A Global Chronology of Conflict** Spencer C.
