The Life and Times of Charlemagne Jim Whiting, 2006-09 Charles the Great or Charlemagne was one of the world's greatest military leaders He became the leader of the Franks who lived in modern day France in 768 Under his command Frankish armies conquered most of Western Europe in the following decades In 800 he was crowned emperor by Pope Leo XII His greatness rested on more than military prowess He was always interested in education both for himself and for his subjects He assembled many of the most noted scholars in Europe at his capital in Aachen Germany and began the Carolingian Renaissance This was a period of heightened learning innovations in architecture and the preservation of many priceless books from earlier centuries

The Life and Times of Charles II. Christopher Falkus, 1972 The Merry Monarch was the most popular of kings in his lifetime and has remained so to posterity This biography seeks to show why and indicates that the secret lay not so much in the positive achievements of his reign as in the essentially human qualities which set him apart from other sovereigns But Charles of course was more than a witty tolerant urbane man he was a ruler of three kingdoms England Scotland and Ireland who reigned at a time of crisis in the affairs of his war torn lands In youth he knew the bitterness of defeat and exile In manhood he had to maintain ceaseless opposition to contending factions The result was a lifetime crowded with struggle and conflict in which against all odds he triumphed to preside over a society whose creative achievements in all fields science literature music and art are almost unparalleled in English history

The Life and Times of Felix Mendelssohn Susan Zannos, 2004-03 Unlike most 19th century composers who had to struggle to make a living Felix Mendelssohn came from a very wealthy family He never had to work but he worked harder to fulfill his family's expectations than many who suffered poverty He was an extremely gifted musical genius who wrote some of his best works while he was still a teenager Mendelssohn gained fame as a conductor and as the organizer of many music festivals in Germany and in England where he was always enthusiastically welcomed Unlike some composers who only performed their own work Mendelssohn had a passion for presenting the best music of all periods He was also very generous in helping younger composers by playing their work His weakness was being unable to say no to the many requests he received for performances He was a perfectionist who devoted his energy to presenting the highest possible level of musical perfection As his fame spread he had little time left for his own compositions

Mendelssohn died at the age of 38 essentially from exhaustion brought on by overworking

The Cambridge Companion to Charles Dickens John O. Jordan, 2001-06-18 The Cambridge Companion to Charles Dickens contains fourteen specially commissioned chapters by leading international scholars who together provide diverse but complementary approaches to the full span of Dickens's work with particular focus on his major fiction. The essays cover the whole range of Dickens's writing from *Sketches by Boz* through *The Mystery of Edwin Drood*. Separate chapters address important thematic topics: childhood, the city and domestic ideology. Others consider formal features of the novels including their serial publication and Dickens's distinctive use of language. Three final chapters examine Dickens in relation to work in other media: illustration, theatre and film. Each essay provides guidance to further reading. The volume as a whole offers a valuable introduction to Dickens for students and general readers as well as fresh insights informed by recent critical theory that will be of interest to scholars and teachers of the novels.
