The Life and Times of Private Eye, 1961-1971 Richard Ingrams,1972 **The Life and Times of "Private Eye", 1961-1971** Richard Ingrams,1971 Writers Directory NA NA,2016-03-05 *Private Eye* ,1978 The Conservative Party and the extreme right 1945-1975 Mark Pitchford,2013-07-19 This book reveals the Conservative Party s relationship with the extreme right between 1945 and 1975 For the first time this book shows how the Conservative Party realising that its well known pre Second World War connections with the extreme right were now embarrassing used its bureaucracy to implement a policy of investigating extreme right groups and taking action to minimise their chances of success The book focuses on the Conservative Party s investigation of right wing groups and shows how its perception of their nature determined the party bureaucracy s response The book draws a comparison between the Conservative Party machine s negative attitude towards the extreme right and its support for progressive groups It concludes that the Conservative Party acted as a persistent block to the external extreme right in a number of ways and that the Party bureaucracy persistently denied the extreme right within the party assistance access to funds and representation within party organisations It reaches a climax with the formulation of plan threatening its own candidate if he failed to remove the extreme right from the Conservative Monday Club *A Bibliography of British History, 1914-1989* Keith Robbins,American Historical Association,Royal Historical Society (Great Britain),1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **Paul Foot** Margaret Renn,2024-09-03 A portrait of a brilliant journalist and tireless campaigner for justice Paul Foot was one of the most influential investigative reporters of his generation For nearly fifty years he was the scourge of corrupt politicians and dodgy businessmen a champion of the underdog In this the first biography of Paul Foot journalist Margaret Renn traces Foot s personal political and professional trajectories placing his life and works within the long arc of postwar Britain Drawing on extensive interviews with those close to him and utilizing her unparalleled knowledge of his prodigious output the book brings the many different faces of Paul Foot together into a single portrait A prolific writer for the Daily Mirror Private Eye the Guardian and Socialist Worker Foot s investigations broke numerous major stories He wrote about ordinary people caught up in extraordinary events and the issues in some of his campaigns maintained their prominence long after his death in 2004 police corruption in the Stephen Lawrence case sexual abuse in children s homes the Lockerbie bombing His books ranged from how politicians used race to win votes through miscarriages of justice to the politics of poetry and the failure of the vote to deliver power to the people Paul Foot A Life in Politics is a brilliant portrait of a committed and active socialist orator and relentless investigator of wrongdoing **A Book about the Film Monty Python and the Holy Grail** Darl Larsen,2015-03-06 Monty Python s Flying Circus aired from 1969 until 1974 but the conclusion of the series did not mark the

end of the troupe's creative output. Even before the final original episodes were recorded and broadcast, the six members began work on their first feature-length enterprise of new material. Rather than string together a series of silly skits, they conceived a full-length story line with references to the real and imagined worlds of the mythical King Arthur, the lives of medieval peasants, and the gloomy climate of 1970s Britain. Released in 1975, *Monty Python and the Holy Grail* was a modest success but has since been hailed as a modern classic. In *A Book about the Film Monty Python and the Holy Grail*, All the References from African Swallows to Zoot, Darl Larsen identifies and examines the cultural, historical, and topical allusions in the movie. In this entertaining resource, virtually every reference that appears in a scene, whether stated by a character depicted in the *mise en scène* or mentioned in the print companion, is identified and explained. Beyond the Arthurian legend, entries cover literary metaphors, symbols, names, peoples, and places, as well as the myriad social, cultural, and historical elements that populate the film. This book employs the film as a window to both reveal and examine Arthurian life and literature, the historical Middle Ages, and a Great Britain of labor unrest, power shortages, and the common man. Introducing the reader to dozens of medievalist histories and authors and connecting the film concretely to the modern British Empire, *A Book about the Film Monty Python and the Holy Grail* will appeal to fans of the troupe as well as medieval scholars and academics who can laugh at themselves and their work. Dupriez, 1991-01-01. Comprising some 4000 terms defined and illustrated, *Gradus* calls upon the resources of linguistics, poetics, semiotics, socio-criticism, rhetoric, pragmatics, combining them in ways which enable readers quickly to comprehend the codes and conventions which together make up literarity. **In Two Minds** Kate Bassett, 2014-10-01. *In Two Minds* is the first comprehensive biography of Jonathan Miller, the story of one of post-war Britain's most intriguing polymaths. Descended from immigrants who fled Tsarist anti-Semitism to become shopkeepers in Ireland and London's East End, Miller was born into an intellectual milieu between Bloomsbury and Harley Street, the son of a novelist and a leading child psychiatrist. Miller trained as a doctor but then forged a career as a stellar comedian and as a world-renowned theatre and opera director. He is a controversial humorist, public intellectual, and TV personality. As a star in the groundbreaking satirical revue *Beyond the Fringe*, he shot to fame alongside Peter Cook, Dudley Moore, and Alan Bennett. His expertise and interests encompass many areas: from medicine, he wrote and presented the hugely acclaimed BBC documentary series *The Body in Question* to the history of art, Mozart, atheism, and the nature of laughter. Jonathan Miller is one of the most multi-talented Britons of his generation, celebrated for his dazzling intelligence and anti-establishmentarian wit. Drawing on in-depth interviews, this is an entertaining and illuminating portrait of a fascinatingly complex man. **Ready, Steady, Go!** Shawn Levy, 2003-07-08. It's the summer of 1966. The fundamental old ways: chastity, rationality, harmony, sobriety, even democracy, blasted to nothing or crumbling under siege. The city glows. It echoes. It pulses. It bleeds pastel and fuzzy, spicy paisley, and soft. This is how it's always going to be: smashing clothes, brilliant music, easy sex, eternal youth, the eyes of everybody, everyone's first thought, the
