THOMAS EAKINS

The Life And Work Of Thomas Eakins

Lloyd Goodrich

The Life And Work Of Thomas Eakins:

The Life and Work of Thomas Eakins Gordon Hendricks, Thomas Eakins, 1974 *Thomas Eakins* Amy Beth Werbel, Professor Amy Werbel, 2007-01-01 The life and work of Thomas Eakins 1844 1916 America's most celebrated portrait painter have long generated heated controversy In this fresh and deeply researched interpretation of the artist Amy Werbel sets Eakins in the context of Philadelphia's scientific medical and artistic communities of the 19th century and considers his provocative behavior in the light of other well publicized scandals of his era This illuminating perspective provides a rich alternative account of Eakins and casts entirely new light on his renowned paintings Eakins modern critics have described his artistic motivations and beliefs as prurient and even pathological Werbel challenges these interpretations and suggests instead that Eakins is best understood as an artist and teacher devoted to an exacting and profound study of the human body to equality for women and men and to middle class meritocratic and Quaker philosophies Thomas Eakins: His Life and Work. [With a Portrait.] Lloyd Goodrich, 1933 Portrait William S. McFeely, 2007 McFeely sheds new light on painter Thomas Eakins genius and on the evocative melancholy of his portraits particularly of women which include many of his remarkable wife Susan McDowell Eakins Those deeply perceptive paintings maybe the greatest expressions of his art

Eakins Revealed Henry Adams, 2005-05 This book not only unveils new facts about Eakins's life more important it makes sense for the first time of the enigmas of his work BOOK JACKET Three Periods in the Life and Work of Thomas Eakins Wendy Kramer Kveskin, 1977 **Thomas Eakins** Lloyd Goodrich, 1933 Man Made Martin A. Berger, Thomas Eakins, 2000 Berger's original readings provide altogether new and compelling ways to understand some of Eakins's most well known paintings Alexander Nemerov Stanford University This book is most interesting Berger rereads a number of Eakins's paintings and makes use of recent investigations about the meaning of manhood in the nineteenth century Man Made casts much of Eakins's life and work into new light Elizabeth Johns author of *Thomas Eakins The Heroism of Modern Life* During the last decade Martin Berger has been the most perceptive and sophisticated critic of masculinity in nineteenth century American art With this book he consolidates that analysis triumphantly and extends its implications first into a consideration of all of Eakins's oeuvre and then into related discourses of sexuality domesticity and race Man Made has useful things to say to scholars in all fields of American culture In addition it now becomes the most interesting book on Eakins since Elizabeth Johns's groundbreaking work *Thomas Eakins The Heroism of Modern Life* first published nearly twenty years ago Bruce Robertson University of California Santa Barbara **Thomas Eakins** Fairfield Porter, 2011-08-01

Portrait William S. McFeely, 2010-08 Thomas Eakins painted two worlds in 19th cent Amer one sure of its values musicians scientists and philosophers and one that offered an uncertain vision of the changing times From the shadow of his mother's depression to his fraught identity as a married man with homosexual inclinations to his failure to sell his work in his day Eakins was a man marked equally by passion and by melancholy This examination of Eakins's defining artistic moments

and key relationships with his wife Susan MacDowell with his subject and friend Walt Whitman and with the leading scientists of his time sheds light on the motivations and desires of one of the founders of American realism A powerful testament to the lasting vision of a man ahead of his time Full color illus *The Grove Encyclopedia of American Art* Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

Sex Objects Jennifer Doyle, 2006 The declaration that a work of art is about sex is often announced to the public as a scandal after which there is nothing else to say about the work or the artist controversy concludes a conversation when instead it should begin a new one Moving beyond debates about pornography and censorship Jennifer Doyle shows us that sex in art is as diverse as sex in everyday life exciting ordinary emotional traumatic embarrassing funny even profoundly boring Sex Objects examines the reception and frequent misunderstanding of highly sexualized images words and performances In chapters on the boring parts of Moby Dick the scandals that dogged the painter Thomas Eakins the role of women in Andy Warhol's Factory films bad sex and Tracey Emin's crudely evocative line drawings and L.A. artist Vaginal Davis's pornographic parodies of Vanessa Beecroft's performances Sex Objects challenges simplistic readings of sexualized art and instead investigates what such works can tell us about the nature of desire In Sex Objects Doyle offers a creative and original exploration of how and where art and sex connect arguing that to proclaim a piece of art about sex reveals surprisingly little about the work the artist or the spectator Deftly interweaving anecdotal and personal writing with critical feminist and queer theory she reimagines the relationship between sex and art in order to better understand how the two meet and why it matters Jennifer Doyle is associate professor of English at the University of California Riverside She is coeditor with Jonathan Flatley and Jos Esteban Muñoz of *Pop Out Queer Warhol: American Paintings* Metropolitan Museum of Art (New York, N.Y.), 1965

Thomas Eakins, His Life and Work (Classic Reprint) Lloyd Goodrich, 2017-05-21 Excerpt from Thomas Eakins His Life and Work Writing Master a sturdy figure and a round head strongly Irish in character with bald brow shaggy eyebrows patient gray eyes a long clean shaven upper lip an old fashioned fringe of whiskers below the chin and an expression at once firm and benign with a touch of humor and strong steady hands used to years of exacting work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Disability and Art History from Antiquity to the Twenty-First Century Ann Millett-Gallant, Elizabeth Howie, 2022-03-28 This volume analyzes representations of disability in art from antiquity to the twenty first century incorporating disability studies scholarship and art historical research and

methodology This book brings these two strands together to provide a comprehensive overview of the intersections between these two disciplines Divided into four parts Ancient History through the 17th Century Gods Dwarfs and Warriors 17th Century Spain to the American Civil War Misfits Wounded Bodies and Medical Specimens Modernism Metaphor and Corporeality Contemporary Art Crips Care and Portraiture and comprised of 16 chapters focusing on Greek sculpture ancient Chinese art Early Italian Renaissance art the Spanish Golden Age nineteenth century art in France Manet Toulouse Lautrec and the US and contemporary works it contextualizes understandings of disability historically as well as in terms of medicine literature and visual culture This book is required reading for scholars and students of disability studies art history sociology medical humanities and media arts Masterpieces of American Painting in the Metropolitan Museum of Art Margaretta M. Salinger, Metropolitan Museum of Art (New York, N.Y.), 1986 One hundred masterpieces from the Metropolitan Museum of Art **Shared Intelligence** Barbara Buhler Lynes, Jonathan Weinberg, Georgia O'Keeffe Museum, 2011-03-09 Catalog of an exhibition opening at the Georgia O'Keeffe Museum on Feb 4 2011 and traveling to the Columbus Museum of Art and the Pennsylvania Academy of the Fine Arts *American Watercolor in the Age of Homer and Sargent* Kathleen A. Foster, Philadelphia Museum of Art, 2017-01-01 The fascinating story of the transformation of American watercolor practice between 1866 and 1925 The formation of the American Watercolor Society in 1866 by a small dedicated group of painters transformed the perception of what had long been considered a marginal medium Artists of all ages styles and backgrounds took up watercolor in the 1870s inspiring younger generations of impressionists and modernists By the 1920s many would claim it as the American medium This engaging and comprehensive book tells the definitive story of the metamorphosis of American watercolor practice between 1866 and 1925 identifying the artist constituencies and social forces that drove the new popularity of the medium The major artists of the movement Winslow Homer John Singer Sargent William Trost Richards Thomas Moran Thomas Eakins Charles Prendergast Childe Hassam Edward Hopper Charles Demuth and many others are represented with lavish color illustrations The result is a fresh and beautiful look at watercolor's central place in American art and culture **Passages in Modern Sculpture** Rosalind E. Krauss, 1981-02-26 Studies major works by important sculptors since Rodin in the light of different approaches to general sculptural issues to reveal the logical progressions from nineteenth century figurative works to the conceptual work of the present **Signs of Grace** Kristin Schwain, 2008 Religious imagery was ubiquitous in late nineteenth century American life department stores schoolbooks postcards and popular magazines all featured elements of Christian visual culture Such imagery was not limited to commercial and religious artifacts however for it also found its way into contemporary fine art In Signs of Grace Kristin Schwain looks anew at the explicitly religious work of four prominent artists in this period Thomas Eakins F Holland Day Abbott Handerson Thayer and Henry Ossawa Tanner and argues that art and religion performed analogous functions within American culture Fully expressing the concerns and values of turn of the century Americans this artwork depicted religious

figures and encouraged the beholders communion with them Describing how these artists drew on their religious beliefs and practices as well as how beholders looked to art to provide a transcendent experience Schwain explores how a modern conception of faith as an individual relationship with the divine facilitated this sanctified relationship between art and viewer This stress on the interior and subjective experience of religion accentuated the artist s efforts to engage beholders personally with works of art how better to fix the viewer s attention than to hold out the promise of salvation Schwain shows that while these new visual practices emphasized individual encounters with art objects they also carried profound social implications By negotiating changes in religious belief by aestheticizing faith in a new particularly American manner these practices contributed to evolving debates about art ethnicity sexuality and gender
