Jacket *Ernest Hemingway* James M. Hutchisson, 2017-03-08 To many, the life of Ernest Hemingway has taken on mythic proportions. From his romantic entanglements to his legendary bravado, the elements of Papa's persona have fascinated readers, turning Hemingway into such an outsized figure that it is almost impossible to imagine him as a real person. James Hutchisson's biography reclaims Hemingway from the sensationalism, revealing the life of a man who was often bookish and introverted, an outdoor enthusiast who revered the natural world and a generous spirit with an enviable work ethic. This is an examination of the writer through a new lens, one that more accurately captures Hemingway's virtues as well as his flaws. Hutchisson situates Hemingway's life and art in the defining contexts of the women he loved and lost, the places he held dear, and the specter of mental illness that haunted his family. This balanced portrait examines for the first time in full detail the legendary writer's complex medical history and his struggle against clinical depression. The first major biography of Hemingway in over twenty years, this monumental achievement provides readers with a fresh, comprehensive look at one of the most acclaimed authors of the twentieth century. *Ernest Hemingway* Mary V. Dearborn, 2017-05-16 The first full biography of Ernest Hemingway in more than fifteen years, the first to draw upon a wide array of never-before-used material, the first written by a woman. Mary Dearborn's new biography gives the richest and most nuanced portrait to date of this complex, enigmatically unique American artist, whose same uncontrollable demons that inspired and drove him throughout his life undid him at the end, and whose seven novels and six short story collections informed and are still informing fiction-writing generations after his death. **Ernest Hemingway: a Life Story** Carlos Baker, 1969 **ERNEST HEMINGWAY - Premium Edition** Ernest Hemingway, 2023-11-20 In the Premium Edition of *ERNEST HEMINGWAY*, readers are invited into the intricate world of one of 20th-century literature's most influential figures.
