exceptionalism of a shining city upon a hill the American saga includes a dark stain of prejudice and nativism still present within the national fabric Beginning with the assault upon Native lands and culture along with the introduction of racial slavery patterns of exploitation and greed fostering gender racial and class inequality are an essential part of America s story Themes of prejudice and inequality however are offset by the promise of social justice and an egalitarian America outlined by Thomas Jefferson s Declaration of Independence Elizabeth Cady Stanton s Seneca Falls Declaration of Principles Abraham Lincoln s Gettysburg Address Franklin D Roosevelt s The Four Freedoms and Martin Luther King Jr s I Have a Dream oratory While considering topics such as Presidential leadership Talking American History emphasizes the efforts of American reformers dreamers freedom fighters dissenters radicals and workers to move the nation toward the democratic promise laid out in its founding documents The framework is a traditional political history narrative told from a progressive perspective This is an interpretation with which not all readers will agree but the intention is to facilitate dialogue and debate that are imperative for the survival of American democracy
