The Life Of Hope

James R. Wilkes

The Life Of Hope:

The Life Of Hope Paul Quarrington, 2012-09-25 Paul rolls into Hope Population 1001 late at night on his thirtieth birthday on the lam from his wife and a surprise party he has known about for weeks. He is trying to escape the Big city and get some serious work done on his second novel but finds the diversions of Hope no less seductive than those he has fled. One of those diversions is the two hundred year old legendary fish Ol Mossback. Paul could hardly pass up the chance to land such a fish. He puts aside his work in progress in an attempt to discover the mysteries of Hope with all its quirky characters and to finally be able to answer the question talked with Ol Mossback lately. *How to Live a Life of Hope* Alphonsus Obayuwana M.D., 2021-03-23 Finally as an author I have written the book which I personally wish I had had much earlier in my own life. As a road map this book reveals how to discover your true calling, expand your capacity to dream and maximize your acquirement of human hope. In plain language it explains how to begin and continue to sustain a life of gratifying contentment. Unlike most self help books it contains none of the usual long list of dos and don'ts. Instead it recommends very precise exercises and practical daily routines that are easy to follow and remember including self administered metrics for monitoring your own progress. If you are or you know someone who might be in need of a practical manual to help him or her transition into successful adulthood or a college student searching for relevant criteria for choosing the right major or a fulfilling career, a newlywed couple or a young professional who needs a guiding philosophy for achieving personal goals and aspirations, anyone actively searching for a more meaningful life, a parent, a teacher or a counselor who needs a blueprint for mentoring and inspiring others, this book was written with you and them in mind. This is a book that is also full of practical tips for neutralizing the usual annoyances of everyday life as well as what to do exactly in the event of a personal misfortune or tragedy. **A Hope-Filled Life** James R. Wilkes, 2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ. The word is found abundantly in the Scriptures. We speak of it in our testimonies and fellowship. We sing about it in our corporate worship. Yet it would seem at times that our concept of hope is understood in merely some vague way. Hope seems like an abstraction, something we consider only theoretically, not something that really matters or makes a difference. However, biblical hope is a gospel grace that provides joy and endurance for our lives right now. *A Hope Filled Life* seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives. Hope is indeed not an optional add on but a vital necessity. Embracing the many truths about hope in the Scriptures strengthens our hearts. As we run the race set before us, we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope. **Love, Life and Hope** C J Ford, 2018-03-13 The writing of this book did not start out as a plan to write a book. Many little things and circumstances all contributed to one day starting to write down each day's thoughts of my heart on a piece of paper carried in my pocket, the collection of which has now become the book *Love, Life and Hope*.
