Black Women and Breast Cancer Elizabeth A. Williams,2018-11-16 Christian theology at its core is a story about someone being in trouble In response to this trouble the triune God intervenes God identifies with those in trouble walking with them through the experience Yet the God of Christian theology goes a step further God prevails over trouble God is an overcomer Black women with breast cancer identify with this God They also see themselves in this theological narrative They see themselves in the midst of troubles troubles like racism poverty and environmental exposures that create the disease affecting their bodies They see the troubles of breast cancer their biological disposition towards more aggressive cancers later stage diagnoses poorer prognoses diminished quality of care and worse outcomes Black women also palpably feel the troubles breast cancer brings like fear physical disfigurement social isolation being stereotyped for treatment decisions abandonment and even death Black women feel the myriad troubles breast cancer brings But Black women also know God in their troubles They know an active God who identifies with and prioritizes their needs They know this God through scripture and experience as God who puts them front and center And because they know God as an overcomer and creative force they know themselves as overcomers For with God their troubles do not last always Black women with breast cancer construct a cultural theology of breast cancer out of knowing God Borne out of experiences of the Black Church womanist theology and their intersectional identities of race class and gender this theological investigation informed by anthropology examines how Black women construct an ontology of who God is and how God operates and gain a God consciousness that shapes their response to the disease Using pain faith and testimony as tools to struggle against breast cancer Black survivors theology transforms them from victims of breast cancer to change agents Out of their lives as survivors comes a theology of complex hope one cognizant of Black women s breast cancer disparities yet oriented towards Black women s achievement of health in the present and the future a sufficient hope to sustain Black women through it all **The New Revised Standard Version Bible: Pocket Edition** NRSV Bible Translation Committee,2006-05-25 This portable NRSV Bible is available in eye catching binding styles at extremely attractive prices Its compact size makes it the perfect companion for people on the go while its clear typeface makes it eminently readable **Jesus Listens** Sarah Young,2021-10-05 When your days feel overwhelming

Plammoottil Cherian,2019-06-13 Biblical interpretation of the Abrahamic Covenants and his descendants often present a bias against the Arabs and Ishmaelites perhaps due to lack of full knowledge of God s covenantal promises and blessings to humanity Dr Cherian presents clear evidences that God has no partiality and that Jews Christians Arabs Muslims Hindus and all people are equally called to be the partakers of the Kingdom of God Ishmael was not rejected but he and his generations were abundantly blessed and they have a continuous role to play in the

Brown, 2014-01-02 From disagreement over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key sacred texts

Stones the Builders Rejected Mark S. Kinzer, 2024-06-04 Since the groundbreaking publication of Postmissionary Messianic Judaism 2005 Mark Kinzer has challenged theologians and religious leaders to consider the essential ecumenical vocation of Jewish disciples of Jesus Proposing a bilateral ecclesiology in solidarity with Israel he argued that the overcoming of Christian supersessionism required a robust affirmation of the distinctive calling of Jews within the community of Jesus the Messiah In this way Kinzer's work put the issue of Jewish followers of Jesus on the theological agenda for those seeking a reparative reconfiguration of the relationship between the church and the Jewish people In recent years Kinzer has attended to the theological implications of this perspective and has widened his focus to include not only the Messianic Jewish movement but also Jews within Catholic Orthodox and Protestant churches The present collection of essays reflects this wider concern According to Kinzer the theological stones of contention are Christology conceived of as Messianology ecclesiology understood as Israelology and eschatology imagined as Zionology Moreover it is the presence of Jewish disciples of Jesus that concretizes these theological abstractions in the form of Jewish flesh and blood summoning Jews and Christians to rethink their relationship to one another in ways that express their essential mutual dependence
