The Greatest Gift Ever Given Michael S. Ridenour, 2017-11-09 As a child in a non religious family Michael Ridenour found a Bible one day and began reading Initially excited by its lively stories he paused at the New Testament faced with a baffling inner question Where in the world is Christ today An unexpected answer came during his teenage years with a spontaneous experience of the Christ being but this only led to more questions Later discovering the work of Rudolf Steiner he found the authentic vision and language he needed to clarify and better comprehend his own experiences but the questions kept coming The Greatest Gift Ever Given is a fruit of Ridenour s life long search for answers a book that is at once deeply thoughtful humorous philosophical and poetic In Part I Raising the Foundation he studies the Judeo Christian mysteries After humanity s fall into materialism these mysteries signal the development of human individuality The impulse for self hood continues with Christ who brings a new path of divine love But the mystery of Christ leads naturally to his shadow Today we can no longer escape the question Where in the world is Judas Without Judas s betrayal Christ s greatest gift could never have been given We can t reject Judas but should transform

him within ourselves In Part II Lowering the Temple Ridenour relates the theme of metamorphosis to the contemporary world Once guided by initiates personal transformation now needs to blossom from within each individual human soul The topic of evolution takes us to a consideration of the perennially controversial Charles Darwin as well as the intuitive approach of Goethe and the living thinking of Rudolf Steiner A rich treasure trove of ideas The Greatest Gift Ever Given sharpens a dynamic focus on current spiritual needs and contributes a thought provoking response to them The English Catalogue of Books: v.
