Soulmates Juliana Geran Pilon, 2011-12-31 In Soulmates Resurrecting Eve Juliana Geran Pilon argues for a return to an egalitarian view of men and women found in the original Genesis narrative as reflected through Judaism Christianity and Islam In each of these Abrahamic traditions it was understood that man and woman were created to be soulmates in God's image equal despite their different functions within society Pilon writes that this original message has gradually been distorted with disastrous effect Any hope for an ennobling human community begins by resurrecting Eve as an equal partner

to Adam The work examines the Biblical creation narrative comparing it to Greek and other ancient mythologies Pilon explains how the disturbing association of woman with sin and death led to Eve s demise as Adam s equal The final section of the work deals with the Goddess myth love and marriage in early religious narratives and modern man s search for his soul no less than for a soulmate The book at its core is a meditation on the relationship between men and women but also among human beings The resurrection of Eve is indispensable to attaining a true appreciation of love and faith Pilon uses religious texts expert commentary and various works of fiction poetry and psychology to make her argument come alive The work is strengthened by the writing style alternately poetic and humorous and a clear and illuminating progression of ideas Its emphasis on reconciliation and understanding and its post feminist outlook will find a receptive audience *Elenchus of Biblica* 1997 Robert Althann,2001-12-31 [Index to Jewish Periodicals](#) ,1997 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests [American Book Publishing Record](#) ,1997 **Subject Guide to Books in Print** ,1997 [Forthcoming Books](#) Rose Arny,1997-04 1999, □□□ □□□□ **Books in Print** ,1991

Re-Kindling History -The Pre-History of Genesis 4 - 11:26 David Carl Schafers,2018-06-25 This book aims to be an introduction to the pre history of mankind following Adam and Eve s expulsion from the Garden of Eden the first murder of Abel by his brother Cain the Sons of God the Great Flood and finally the confusion at the Tower of Babel according to the book of Genesis This is often called the story of the nations or the Primeval history of Genesis Chapters include discussions on Cain and Abel Genesis 4 1 24 Adam s descendants 4 25 5 32 The sons of God Genesis 6 1 4 The Great Flood of Noah Genesis 6 5 9 29 Preparation 6 5 7 16 The Flood 7 17 8 12 The Covenant of Noah 8 13 9 17 The Cursing of Ham 9 18 29 The Tower of Babel Genesis 11 1 9 Noah s Descendants Genesis 10 1 32The Atarahasis Legend Atarahasis Uta napshti in the Gilgamesh Epic The Yahwist and Priestly sources of the Flood Ussher s TimelineThis book aims to bring together the different perspectives on the events of Genesis 4 11 that have been presented by different religions and scholars I have tried to give as much information as I could possibly find from the differing traditions associated with the events of the Genesis accounts that are given in the Bible I have used extra biblical sources such as the the Book of Enoch and Jubilees the Jewish historian Josephus and theologian Philo of Alexandria early Christian authors such as St Augustine and John Chrysostom the Protestant reformers of Martin Luther and John Calvin the Book of Moses Later Day Saints Mormons and the beliefs of Joseph Smith and finally the Qur an and the Hadiths of Muhammad from Islam and her traditions With the inclusion of 300 footnotes this book hopes to expand the readers appreciation of the indelible effect that the Genesis accounts have left on the human imagination and her cultures all across the world **The Story of Adam** M.D. Richmond,2016-02-24 A reality based fiction that takes the facts of the book of Genesis and paints a 1500 year history of pre Flood man A world of contract reveals the line of Seth and Cain and the history of choice **The True Account of Adam & Eve** Ken Ham,2012 When you unlock the door to biblical compromise the door gets pushed open wider with each generation The Church is now debating the

validity of Genesis as actual history the reality of hell itself and even if Adam was a real person Trying to change the biblical time line to fit with the secular concepts of millions of years has led many in Christian academia to reject the literal interpretation of the Bible itself Perfect for children the book helps them discover the truth about the first man and woman and how their disobedience led to the need for Jesus Christ

Adam, Eve, and the Devil Marjo C. A. Korpel, Johannes C. de Moor, 2014-04 In this book the authors develop an intriguing theory about the Canaanite origin of the biblical traditions concerning the origin of the cosmos and the creation of humankind Adam Eve and the Devil tells a new story about human beginnings and at the same time proposes a fresh start for biblical research into primordial traditions A number of clay tablets from Ugarit dating from the late thirteenth century BCE throw new light Korpel and de Moor argue on the background of the first chapters of Genesis and the myth of Adam In these tablets El the creator deity and his wife Asherah lived in a vineyard or garden on the slopes of Mt Ararat known in the Bible as the mountain where Noah's ark came to rest The first sinner was not a human being but an evil god called Horon who wanted to depose El Horon was thrown down from the mountain of the gods and in revenge he transformed the Tree of Life in the garden into a Tree of Death and enveloped the whole world in a poisonous fog Adam was sent down to restore life on earth but failed because Horon in the form of a huge serpent bit him As a result Adam and his wife lost their immortality This myth found its way into the Bible the Apocrypha and the Pseudepigraphical literature though it was often transformed or treated critically Adam Eve and the Devil traces the reception of the myth in its many forms and also presents the oldest pictures of Adam and Eve ever identified one of them on the front cover of the book

The Many Faces of Adam and Eve Bernard F. Batto, 2022-02-17 Contrary to popular opinion the story of Adam and Eve is not confined to the book of Genesis It has roots in prebiblical myth and continued to evolve long after the Bible was completed Bernard F Batto traces the development of the Adam and Eve story from its origins in Mesopotamian myth to its reformulation in Genesis and beyond including its expansion in Jewish epigraphs such as 1 Enoch and the Life of Adam and Eve and its place in Christian innovations such as the apostle Paul's thesis that Christ is a second Adam and in the thinking of church fathers such as Irenaeus who held that Christ recapitulates all humankind in himself and Augustine whose doctrine of original sin interprets the Adam and Eve story Batto also examines gnostic teachings about a heavenly Adam and an earthly Adam and surveys rabbinical attempts from the Talmudic period to find hidden meanings in the Genesis story Islam's emphasis on Satan's role in seducing Adam and Eve is also discussed and the book concludes with Milton's unforgettable retelling of the Adam and Eve story in Paradise Lost Batto's goal is not only to reveal the many faces given Adam and Eve throughout history but also to understand the divergent cultural and theological factors powering this long evolving tradition

The Mystery of Adam Edith Neumaier, 2004-06-01 Many books have been written on the subject of biblical gender equality However in order to completely understand this subject we have to fully embrace the way God created the first human being Only a few egalitarian authors hint that the first man and the

first woman have common origin Only a handful agree with the ancient rabbis that the first Adam contained both sexes If the Hebrew scripture can show that the first earth creature was at the same time male and female gender equality cannot be questioned any longer and hierarchy in marriage and the church needs to be acknowledged as the result of the fall This book challenges the reader to examine the traditional Christian interpretation of Genesis 2 7 25 in order to fully embrace biblical gender equality In addition it encourages Christians to take off their cultural glasses and look at history to find out why the Christian church accepted a hierarchical model and male dominance instead of gender equality
