Center for Children's Books,1986-08 Designed to aid adults parents teachers librarians in selecting from the best of recent children s literature this guide provides 1 400 reviews of books published between 1979 and 1984 This volume carries on the tradition established by Zena Sutherland s two earlier collections covering the periods from 1966 to 1972 and 1973 to 1978 Her 1973 edition of The Best in Children s Books was cited by the American School Board Journal as one of the outstanding books of the year in education *Eternal Chalice* Juliette Wood,2008-06-30 The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged descendants of Christ himself and Mary Magdalene The common thread running through all these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthral those who like Sir Perceval seek to unlock the mysterious secrets of western mythology s most extraordinary and tantalising enigma and will delight students of history
