The Rosslyn Sessions Heather Holmes,2025-09-21 Rosslyn Chapel the Collegiate Church of St Matthew Roslin is famous

throughout the world as an enigma a place of wonder and mystery as well as beauty Especially from the late twentieth century onwards many books have been written on its history and its pseudo history from a wide range of perspectives This book doesn't seek to challenge them or provide a counter argument to them It records the chapel through a series of 101 channelled sessions with it over a period of two years The chapel uses the author as a channel to share its wisdom and guidance It speaks of its purpose and meaning its story and how it relates to the wider universe as well as more universal themes and issues It provides guidance and wisdom to help the author understand it and give insights into her life and personal development The channelled sessions can be used to understand the chapel and its work and as reflection pieces to understand it its wisdom and guidance
