what you may have learned in school it wasn't a rich slaveholder's war fought to maintain white privilege. In fact the War of Independence wasn't about maintaining any status quo; it was the world's first successful bottom-up revolution by the people ushering in a new dawn of liberty that history had never seen before. But with left wingers dominating the teaching of history, where can you go for the true story of the unprecedented events that made the United States the world's greatest nation? Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground-breaking patriotic history you've always wanted to read about the foundation of our unique nation. *The Politically Incorrect Guide to the American Revolution* reveals four key factors that applied only in America, making it impossible to replicate the Revolution anywhere else. Why it matters that the Patriot fighting force was overwhelmingly Scotch Irish. The key role of Protestantism, which denominations tended to become Patriots and which Tories. How Americans were different from the Europeans and English even at the outset of the Revolution. How the casualties of the deadliest war in American history are routinely underreported. How our Revolution became a model for hundreds of others that all failed. Schweikart and Dougherty take on the left-wing myths starting with the Marxist narrative of the Revolution in Howard Zinn's nearly ubiquitous *A People's History of the United States* and uncover the truth about America's beginning.

North Carolina's Revolutionary Founders Jeff Broadwater, Troy L. Kickler, 2019-03-27 This collection of essays profiles a diverse array of North Carolinians all of whom had a hand in the founding of the state and the United States of America. It includes stories of how men who stood together to fight the British soon chose opposing sides in political debates over the ratification of the supreme law of the land, the Constitution. It also includes accounts of women, freedmen, and Native Americans whose narratives shed light on the important roles of marginalized peoples in the Revolutionary South. Together the essays reveal the philosophical views and ideology of North Carolina's revolutionaries. Contributors: Jeff Broadwater, Jennifer Davis, Doyle Lloyd, Johnson Benjamin R. Justesen, Troy L. Kickler, Scott King, Owen James MacDonald, Maggie Hartley Mitchell, Karl Rodabaugh, Kyle Scott, Jason Stroud, Michael Toomey, and Willis P. Whichard.
