The Pacific Way A Memoir:

The Pacific Way Ratu Kamisese Mara, 1997-01-01 Ratu Sir Kamisese's thoughtful and entertaining memoir of his personal and political life candidly outlines significant events in the development of Fiji a plural society for which The Pacific Way holds a special and evocative meaning The phrase inspired his 1970 partnership with the Indian opposition leader to produce a constitution whereby in his own words people of different races opinions and cultures can live and work together for the good of all can differ without rancour govern without malice and accept responsibility as reasonable people intent on serving the interests of all After leading Fiji through 17 years of multiracial harmony he found it ironic that his defeat in 1987 opposed by an Indian dominated coalition and a fervid Fijian Nationalist Party was provoked by his multiracialism But this same multiracial vision enabled him after the military coups in 1987 to lead an interim government that restored stability and economic progress As the appointed President of Fiji he is sustained by wide popular acclaim and affection Very few Pacific leaders have published their opinions and perspectives on such a wide range of issues and topics In addition to his long and distinguished political life he tells of his chiefly heritage his early education and medical studies at Otago University his years at Oxford University and his career as a colonial administrator His memoir will be of outstanding interest to Pacific historians political scientists and anthropologists as well as the general reader

Regional Politics in Oceania Stephanie Lawson, 2024-02-22 The most comprehensive study of regional politics in Oceania produced to date Drawing on a range of interdisciplinary sources and providing a systematic account of major issues facing the region this book will appeal to anyone engaged in any aspect of regional studies in Oceania and beyond

The Making and Remaking of Australasia Tony Ballantyne, 2022-11-03 This book explores the emergence of Australasia as a way of thinking about the culture and geography of this region Although it is frequently understood to apply only to Australia and New Zealand the concept has a longer and more complicated history Australasia emerged in the mid 18th century in both French and British writing as European empires extended their reach into Asia and the Pacific and initially held strong links to the Asian continent The book shows that interpretations and understandings of Australasia shifted away from Asia in light of British imperial interests in the 19th century and the concept was adapted by varying political agendas and cultural visions in order to reach into the Pacific or towards Antarctica The Making and Remaking of Australasia offers a number of rich case studies which highlight how the idea itself was adapted and moulded by people and texts both in the southern hemisphere and the imperial metropole where a range of competing actors articulated divergent visions of this part of the British Empire An important contribution to the cultural history of the British Empire Australia New Zealand and Pacific Studies this collection shows how Australasia has had multiple often contrasting meanings

Political Life Writing in the Pacific Jack Corbett, Brij V. Lal, 2015-07-29 This book aims to reflect on the experiential side of writing political lives in the Pacific region The collection touches on aspects of the life writing art that are particularly pertinent to political figures public perception and ideology identifying important political

successes and policy initiatives grappling with issues like corruption and age old political science questions about leadership and dirty hands These are general themes but they take on a particular significance in the Pacific context and so the contributions explore these themes in relation to patterns of colonisation and the memory of independence issues elliptically captured by terms like culture and tradition the nature of self presented in Pacific life writing and the tendency for many of these texts to be written by outsiders or at least the increasingly contested nature of what that term means

Security Cooperation in the Pacific Islands Joanne Wallis, Henrietta McNeill, James Batley, Anna Powles, 2025-03-20 Wallis McNeill Batley Powles and the contributors examine the dynamics of Pacific Islands security cooperation analysing how it helps address regional security challenges amid the broader strategic competition between China and the United States that is increasingly playing out in the region Pacific Island countries do not want to become pawns in this competition but its impacts are inescapable and are creating additional security challenges Compounding these effects are climate change and COVID 19 both of which have intersected with existing traditional and non traditional security challenges facing the region In response Pacific Island leaders have vowed to pursue greater security cooperation amongst themselves and with partner states This book addresses partner states interests in the region how these interests and Pacific priorities align and if not what the possible consequences may be It also analyses successful areas of security cooperation and tackles how challenges may be improved Incorporating a range of perspectives from key leaders practitioners and scholars this is an empirically grounded analysis of security cooperation within the Pacific Islands region and by the region's major partners A vital resource for researchers and practitioners seeking to better understand Pacific Islands security collaboration and the inherent challenges it faces The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Combatting Climate Change in the Pacific Marc Williams, Duncan McDuie-Ra, 2017-12-12 This book analyses the regional complexes of climate security in the Pacific Pacific Island States and Territories PICTs have long been cast as the frontline of climate change and placed within the grand architecture of global climate governance The region provides compelling new insights into the ways climate change is constructed governed and shaped by and in turn shapes regional and global climate politics By focusing on climate security as it is constructed in the Pacific and how this concept mobilises resources and shapes the implementation of climate finance the book provides an up to date account of the way regional organizations in the Pacific have contributed to the search for solutions to the problem of climate insecurity In the context of the United Nations Climate Change Conference COP21 in Paris in 2015 the focus of this book on regional governance offers a concise and innovative account of climate politics in the prevailing global context and one with implications for the study of climate security in other regions particularly in the developing world

Statehood À la Carte in the Caribbean and the Pacific Jack Corbett, 2023 This book explains how leaders in the Caribbean and Pacific regions balance the autonomy viability dilemma of postcolonial statehood by practising statehood la carte Jack Corbett shows that this approach is a pragmatic response to the contradictions inherent to coloniality

The United Nations and the Pacific Islands Graham Hassall, 2023-09-18 This book critically examines the relationship between the United Nations Organization and the small states of the Pacific islands It

provides an in depth coverage of the United Nations coupled with how Pacific Small Island Developing States interact It covers three themes the first one being the position of the UN on the Pacific Islands which examines the role of the many UN organs agencies and programs in strengthening individual countries and the region as a whole It examines the manner in which the UN s activities have benefited Pacific nations territories and peoples The second theme deals with the Pacific states in the UN and examines the participation of Pacific nations and territories in the UN s various organs agencies and programmes It analyses the contribution they have made to the effectiveness of the organization as distinct from the benefits they have sought to gain from it The third and last theme deals with small states in global public policy taking a broader look at how small states are faring within the UN system in the age of global discourse on shared public goods public policy concerns

Enjoying the Track of Expression: An Mental Symphony within **The Pacific Way A Memoir**
