one in 1869 one in 1872 and the final one is 1874 75 In the first he sought election to the U S Senate At the very last minute the tide went against him in the legislature and Johnson thereby lost a wonderful opportunity to return to Washington only a few months after the end of his presidency In 1872 Tennessee stipulated that its new congressional seat would be an at large one This suited Johnson who favored a statewide rather than a district race When he could not secure the formal nomination of the state s Democratic part he boldly declared himself an independent candidate Although he knew full well that his actual chances of election over either a Republican or a Democratic rival were slim Johnson stayed in the fray Confederates exerted one the Democratic party and he succeeded The Republican contender emerged victorious much as Johnson had calculated and therefore in a somewhat perverse this strengthened Johnson s political clout for another day The day came in 1874 when he launched his campaign for the U S Senate Johnson labored mightily throughout the state in this cause by the time the legislature convened he was the major contender for the post But Democratic party successes in the gubernatorial and legislative elections had encouraged a number of other hopefuls Eventually the legislature staged fifty five ballots before Johnson carried the day in late January 1875 As fate would have it President Grant summoned a special session of the U S Senate to meet in March enabling Johnson to claim his seat well ahead of the normal schedule The ex president strode confidently into the Senate chamber the scene of his impeachment embarrassment in 1868 and took the oath of office Many well wishers as well as old foes greeted the battle scarred political veteran whose vindication had been achieved at last After lingering in Washington after the close of the Senate session Johnson returned to Tennessee where he lived out the short remainder of his days With the exception of serious financial reverses and a nearly fatal battle with cholera in 1873 Johnson s sole focus had been his political rehabilitation Considering his return to the Senate albeit brief the argument could be made that he succeeded But considering the verdict of most historians it remains debatable whether he achieved his aims The Editor Paul H Bergeron is professor of history at the University of Tennessee Knoxville
