This Handbook MRW is a unique encompassing overview of the figure of the vampire. Not only covering the list of usual suspects, this volume provides coverage from the very first reports of vampire-like creatures in the 17th century to film and media representations in the 21st century. *The Palgrave Handbook of the Vampire* shows that what you thought you knew about vampires is only a fraction of the real and fascinating story.

The Playboy Sheikh's Virgin Stable-Girl Sharon Kendrick, 2009-08-01 Polo playing sheikh Prince Kaliq Al Farisi loves his women as much as his horses. They're wild, willing, and he's their master. Stable girl Eleni is a local Calistan. Raised by her brutal father on the horse racing circuit, she feels unlovable. When her precious horses are given to Sheikh Kaliq, she refuses to be parted from them. The playboy sheikh is determined to bed Eleni, and when Kaliq realizes she's a virgin, the challenge only becomes more interesting.

From France With Love Mary Harrod, 2015-05-21 Love stories have always been at the heart of French cinema, but romantic comedies have until recently been absent from it. In 2001, the global success of *Amélie* catalysed a major development in the Western world's second largest film industry: the appropriation of the Hollywood romantic comedy genre, or *Rom Com à l'Américaine*. In *From France with Love*, Mary Harrod explores this contemporary phenomenon, examining both local hits and films with international status. Using socio-cultural data, box office figures, and analysis of critical reception, she reveals the ways in which these films mirror shifting attitudes towards gender roles within French society, as well as the increasingly important interrelation between French national cinema and transnational filmmaking paradigms.
