Symons,2016-01-01 Apathy is killing the Church Many who claim to know Jesus live unchanged lives and divide their affections among worthless idols *Passion Cry* reveals a holy God who is unashamedly jealous for the love of His people and He will not let this dispassion toward Him remain The Church has suffered too long from the pressure to conform to a dull disinterested lukewarm and detached approach to Christ The tide must turn In the face of societal pressure cultural and moral revolution and an anti Christ flavor that increases every day Pastor Robbie Symons calls the people of God to rise up and take their stand As the persecution upon Christ followers goes from subtle to unmistakable the current generation of believers is about to find out where their passions truly lie **The Preacher's Commentary, Complete 35-Volume Set:**
