PASTOR'S WIFE

The one who always has a smile on her face. The one with seemingly endless amounts of patience and faith. The one who serves God and the church and her husband without fail. the one who welcomes people into her home (even when she's tired and doesn't feel like it) and always has an encouragement to share. The one who helps behind the scenes, not just on sunday mornings, but all week long.

You make the role of pastor's wife look easy- and we know it isn't.

We are truly thankful for everything you do.

The Pastors Wife And The Church:

The Pastor's Wife Gloria Furman, 2015-04-16 Pastors wives are in a privileged yet often difficult position Various challenges make it is easy for ministry wives to feel discouraged about their relationship with God lose their wonder at the mystery of the church and forget the joy of serving alongside their husband In this encouraging and humorous book Gloria Furman offers pastors wives a breath of fresh air reminding readers that Christ stands ready to help regardless of the circumstance whether it s late night counseling sessions unrealistic expectations about how they spend their time or complaints about their husbands preaching Filled with life giving truth from God s Word regarding the privilege of ministry in Christ s name this book will help women joyfully treasure their Savior serve their husbands and love their churches

Why Can'T I Love My Pastor'S Wife? Shonda Moliere Little, 2016-11-28 Why Cant I Love My Pastors Wife was written to expose and unsilence the truth about the pastors wife and how she is often treated in the church Attitudes concerning the pastors wife have been one of the hindering forces that have hindered the church from going forth There has been a masquerade in the church that says that everything is well This area has been completely silenced too long In this book Shonda Little asks a very thought provoking question She asks Why cant I love my pastors wife In this very personal and heartfelt book she manages to address this very sensitive question through her personal experiences as a pastors wife and through the Bible Romans 15 7 tells us to receive ye one another as Christ also received us to the glory of God This means that we are to receive the pastors wife as well as the pastor The church has to love and accept the pastors wife because they are one They cannot be separated You cannot love the pastor on the scale of ten and love the wife on the scale of five This area has been an underlying factor that has been in the church to keep it hindered and divided There must be unity in this area in the church When this happens there is division The devil uses this to cause division in the church God said that where there is unity there is strength This book will unsilence this area in the church so that the church can move forward in unity and the love of God

The Life of a Pastor's Wife Barbara Kinney, 2019-08-23 How will a woman know what her life will be like as a pastor s wife How will she find her place within the congregation and the inner workings of the church How will she handle the diverse issues that will come to her door and the many challenges that she will face Read the advice of many pastors wives who have told their amazing stories of how they found answers to the many perplexing questions that have come their way Extensive interviews were conducted with pastors wives around the United States and Canada discussing their life experiences as a result of their many years of ministry These anecdotes are full of wisdom and wit Some are even unbelievable and heart wrenching But all are true and are rich with spiritual lessons which can be applied in church life

The and Pastor, the People and the Pastor's Wife Christine Marie Hubbard,2011-06-01 My name is Christine I am 46 years of age I was a Pastors wife Something I can say I never desired to be actually just the opposite When I was a little girl I would sit and dream about what it would be like to be married and just live a normal life Husband goes to work then he comes home You love and take care of your children raise them to love Jesus and you live happily ever after However in my case this did not happen When I met my husband he declared to me that he wanted to be a Pastor For quite sometime I pondered in my mind if I wanted to be a Pastor s wife I thought I knew the cost of Ministry You see since I was ten years of age I traveled with my Mother and Father brother and sisters as evangelist As a young girl I keep hearing the call on my life but resisted because I just wanted to be normal As time

went on I traveled extensively as an evangelist holding revival services preaching and singing the Gospel of our Lord Jesus Christ And now I realize that the call of God on my life is something I can never run from So I have chosen to embrace it My passion is to see Revival come to the church I believe it is the mission of the church to reach out to not only the lost but those who are hopeless I have asked myself many times how can I reach the lost and the hopeless and then it dawned on me Revival will not come through a program but through a true passion to be a part of the change that needs to come to the church It is with this passion that I have written this book True Companion: Thoughts on Being a Pastor's Wife Nancy Wilson,2013-09-23 Being a pastor s wife isn t the least bit about wearing fancy hats and attending church potlucks It means helping a man who gets more complaints than any other who deals with more messes than any other and who has a more unreliable income than any other Being a Pastor s wife means a lot of suffering and heartbreak in addition to all the frustrations of normal life You can see Nancy Wilson s thirty years of experience most clearly in how she reacts to the difficult stuff the stuff that can make you especially if you re married to a pastor feel inadequate and under qualified True Companion offers friendly practical and above all Christ centered wisdom on how to help your husband in his vocation how to deal with the congregation at home kids how much or how little a pastor s wife needs to be involved in the church what sins tend to spring up in a pastor s home how to deal with adversity from enemies or from friends and a host of other issues

Becoming the Pastor's Wife Beth Allison Barr,2025-03-18 Provides a blistering critique of the narrowing options for female leadership in the evangelical church A powerful indictment of an unequal system Publishers Weekly As a pastor s wife for twenty five years Beth Allison Barr has lived with assumptions about what she should do and who she should be In *Becoming the Pastor s Wife* Barr draws on that experience and her academic expertise to trace the history of the role of the pastor s wife showing how it both helped and hurt women in conservative Protestant traditions While they gained an important leadership role it came at a deep cost losing independent church leadership opportunities that existed throughout most of church history and strengthening a gender hierarchy that prioritized male careers Barr examines the connection between the decline of female ordination and the rise of the role of pastor s wife in the evangelical church tracing its patterns in the larger history ancient medieval Reformation and modern of Christian women s leadership By expertly blending historical and personal narrative she equips pastors wives to better advocate for themselves while helping the church understand the origins of the role as well as the historical reality of ordained women
