

The dog and the shadow

Oneday, a dog had found a piece of meat and was carrying it home in its mouth to eat . on its way home it had to cross a running creek. As it crossed, it looked down in the water and saw its own shadow in the water. It thought the shadow was another dog with another piece of meat. It made up its mind to have that second piece of meat. So it started to hit the shadow with its mouth, but as it opened its mouth the piece of meat fell into the water and was never seen more. The dog went home sadly with no food to eat.
