The Laying On Of Hands:

Healing and the Laying on of Hands Phillip E. Hopp, 2017-01-12 Is divine healing by the laying on of hands the privilege and right of every believer today What is the gift of laying on of hands What is falling down and being slain in the Spirit mean Is laying on of hands used to cast out demons What is the doctrine of apostolic succession by laying on of hands These important questions as well as many others noted Bible teacher and author Phillip E Hopp addresses and answers in his seminal book *Healing and the Laying on of Hands* Intended for ministers and lay students of the Bible alike *Healing and the Laying on of Hands* is an in depth and scholarly look into the biblical origins and historical applications of the laying on of hands for healing spiritual authority and Baptism or filling in the Holy Spirit It is arguably the most comprehensive and intelligent analysis ever written on the subject of laying on of hands As the consuming Pentecostal flame of the Holy Spirit is kindled and breaks forth into renewed power and anointing upon our generation clothed in the glittering garments of great signs miracles and wonders there will be an increased need in the Body of Christ to understand this fundamental doctrine of the Church Long regarded as the Queen of the Gifts of the Holy Spirit by some laying on of hands is when properly understood and ministered in faith fragrant and rich with spiritual blessing for every believer *Healing and the Laying on of Hands* cleaves asunder some of the fundamental errors and misconceptions of this important doctrine of the Church **The Laying on of Hands** Clayton Cuffy, 2013-02-21 Take a journey through the Bible and investigate the significance of the laying on of hands **Laying on of Hands** Michael E. B. Maher, 2016-12-16 Our Lord Jesus used the ministry of laying on of hands It is with the ministry of Jesus that we see for the first time in the bible the extensive use of this method of ministry The laying on of hands teaches believers how to minister the grace of God to His church and to the world For the laying on of hands deals primarily with the gifts of the Spirit and the power of God This book will help the believer to more fully understand the importance of this ministry and how to operate in it **God's Power Through the Laying on of Hands** Norvel Hayes, 1982-06-15 In this powerful book Dr Norvel Hayes shares that you can experience the same results in your life as the Bible promises He shares with a bold enthusiasm that captures the heart of the hearer He has learned through personal experience that God's Word can be effective in every area of your life and that it will work for anyone who **the laying on of hands** ray brown, 2020-05-06 This book was initially birthed out of my personal Bible study as I contemplated the infilling and the baptism of the Holy Ghost God's established preference or propensity if you will to employ the phenomenon of the laying on of hands for healing and for the impartation of the gift of the Holy Ghost has always intrigued me Specifically God's use of his chosen disciple from Damascus named Ananias to lay hands upon Saul of Tarsus so that he might receive his sight and be filled with the Holy Ghost has fascinated me since I was a young boy in Sunday school The entire Road to Damascus narrative and the LORD Jesus Christ's singular even dreadful awe inspiring appearance to the mean spirited Pharisee Saul engaged and captivated me This book addresses religious bigotry and the innate inescapable pride and

prejudice and perceived spiritual superiority of sectarian indoctrination Although I originally set out to study the dynamic wonder of God choosing to employ men to minister unto other men and his utilizing the laying on of hands to impart the infilling of the Holy Ghost the emphasis of my study quickly and seamlessly transitioned from the importance of men to focus on the gift of God the gift of God of himself the gift of the Holy Ghost God gives himself away in and by the comprehensive Christ both the Father and the Son by the Holy Ghost It is my desire to magnify the LORD Jesus Christ by focusing upon the purposeful evangelical outreach of God's love that the Father might be glorified in the Son It concerns and distresses me that as a nation we have waned in our desire for more of God Broadly we have settled for gimmicks and questionable entertainment and have silently colluded with one another in spiritual compromise so that we can have more of what the world has We have settled for shiny things and an unsustainable and unrealistic social acceptance rather than seeking God Broadly we no longer wait upon God or tarry for the gift of the Holy Ghost or for the refreshing which would reignite us as viable zealous and then incendiary witnesses of the saving power of the LORD Jesus Christ to a lost and desperate disillusioned world Someone has to address our complacency and compromise without apology and this book does just that The inimitable marvel of the baptism of the Holy Spirit and incomparable personal encounter with the power of God can transform our entire life and character and attitude resuscitate and rekindle our contemporary worldly conciliatory Christianity and then progressively and resolutely develop us into the ardent disciples of Jesus Christ we were intended to be This work endeavors to accurately and appropriately return the emphasis of the baptism of the Holy Ghost to God's evangelical perspective and ye shall be witnesses unto me Acts 1:8

The Laying On Of Hands Alan Bennett, 2014-05-09

Clive Dunlop was a masseur of exceptional talents His services were much in demand amongst the great and the good and after his untimely death at the age of 34 they the film stars and politicians the writers and publishers the TV pundits and celebrity chefs are gathered for his memorial service The conduct of the service is a great worry for the priest taking the service but it proves to be a test for the congregation This is Alan Bennett at his absolute best with an exceptional satire It is a perfect work of fiction but it will give readers the extra frisson of pleasure of identifying many of the characters including even the masseur This is a small masterpiece
