

The background of the entire image is a soft, warm sunset or sunrise scene with a bright sun in the center and silhouettes of clouds at the bottom. Two hands, one from the top and one from the bottom, are reaching towards each other in a gesture of help or connection. The hands are rendered in a gradient of brown and orange, matching the background's color palette. Thin black curved lines frame the central text area.

Show Christ's
love to those
in need.

The Least Of These:

The Least of These Anthony E. Cook, 2014-06-11 First published in 1997 Examining race law and religion in today's America *The Least of These* highlights the power of these principles to both divide and unite and promotes a new form of liberalism that incorporates the spiritual values long neglected by earlier progressive liberals Relaunching the fundamental tenet of progressive liberalism that a justly ordered society must protect the interests and promote opportunities for the least advantaged of its population Anthony Cook argues for a revival of the progressive vision of American politics While the affirmative action debates smolder around the country Cook contends that the spiritual foundation of this liberal tenet must be unearthed and elaborated to fit our times before we can attempt to tackle the issues that the civil rights era has left unanswered As the twentieth century closes *The Least of These* provides a greater understanding of the roots of our ongoing socio political struggles and serves as an invaluable profile of progressive liberal politics from World War II to the present

The Least of These Mark B. Roe, 2022-05-05 Lying at the very edge of the eighteenth century city behind high walls and forbidding gates the Dublin Foundling Hospital was long viewed with horror and suspicion Yet following its closure it seemed to have slipped from the city's memory *The Least of These* uncovers the story of the Hospital from its origins as a workhouse in 1703 during the Penal Laws to its demise in 1830 Its mission to take in the children of poor Catholics and raise them as Protestants loyal to king and empire This was an institution where every infant was tattooed with an identification number where thousands of children were fed opium and where as with many foundling hospitals the death toll was vast But why did it endure for so long And why did quite so many die Based on original research Mark B Roe brings together eyewitness accounts letters from desperate parents and individual life stories to finally bring the tragic story of Dublin's Foundling Hospital to light

The Least of These Cindy Rice Holster, 2013-11-27 New Lexington Texas is a great place to work and raise a family in the 1950s Friends and neighbors get together to barbecue or play canasta kids play outdoors with no fear the churches are filled on Sundays In this serene world however an incident occurs so horrible in its scope so devastating in its consequences that it shakes the community to its very foundations A child is murdered in fact the only child of the local police chief After the reality of the heinous act sinks in the locals want answers especially the parents of the murdered child Suspicions arise concerning a member of the black community in the town thus causing tensions to rise between the races tensions that were always present just below the surface As the story unfolds old friends become estranged gossip and conjecture prevail and racism is exposed in all its ugliness

The Least of These Thomas Luke, 2020-11-05 The Orphans of Siem Reap Cambodia made a lasting impression upon me when I met them during my 2003 visit to Angkor Wat Cambodia I have not encountered anything sadder or more disturbing than seeing Khmer mothers and fathers selling their little girls virginity to Western pedophiles These little girls some as young as five years of age are being exposed to the transmission of HIV Often this results in the murder of these young girls after they contracted AIDS from these men I wrote a capstone

research paper for my Master of Arts in Theological Studies Trinity Evangelical Divinity School Class of 2020 From a biblical perspective I researched how to restore these traumatized child victims once they have been rescued from pedophile brothels in Cambodia After graduation I turned my capstone research into a book called *The Least of These* Defend the weak and the fatherless uphold the cause of the poor and the oppressed Rescue the weak and the needy deliver them from the hand of the wicked Psalm 82:3-4 NIV ABOUT THE AUTHOR Rev Luke is the host of The Rev Luke Show which is a Christian talk show about social justice issues and the author of the book *The Least of These* He is an ordained Christian chaplain who holds a Master of Arts in Theological Studies from Trinity Evangelical Divinity School and actively serves the business community as a Corporate Chaplain He is an Instructor of Theological Studies at Genesis University online where several of his articles have been published Also he published over 40 articles on RevLuke.com's Theological Library He is a human sex trafficking abolitionist and advocates for women's and children's rights Rev Luke was an annual guest speaker for Freedom Week at Florida International University and Florida Atlantic University regarding the sex trafficking of women and children in Southeast Asia

The Least of These Angie Ward, 2023-04-04 Why is the world so unfair Where is God in the midst of the brokenness Is there anything we can do We know that in a fallen and broken world there will always be pain and poverty sickness and sadness Yet as followers of Christ we are called to bring hope and healing to those who hurt What then is our responsibility to alleviate human suffering this side of eternity With so many needs everywhere we look where do we start One thing is certain Our faith does not allow us to turn away Our response to the least of these Jesus tells us impacts not just those in need but also our own hearts and potentially even our salvation *The Least of These* brings together a collection of respected Christian thought leaders to provide a multifaceted look at the body of Christ's relationship and responsibility both individual and corporate to the marginalized of our society Contributors include Lisa Rodriguez Watson David Hionides Ben Virgo Dennis Edwards Brandon Washington Jonathan Brooks Daniel Aaron Harris Danielle Strickland Aubrey Sampson and Christiana Rice *The Least of These* is the third in a series of Kingdom Conversations books that bring together trusted Christian voices to address some of the most urgent and perplexing challenges of our time in timeless and redemptive ways

The Least of These Lisa Garcia , Ask the average eleven to seventeen year old how much he or she knows about abortion and you might be surprised to find that the answer is very little However research shows that teens and pre-teens who understand what abortion entails are overwhelmingly against it In *The Least of These* Calling on America's Youth to Defend the Unborn Lisa Garcia seeks to educate this generation about this crucial social issue Lisa covers all the bases explaining an infant's development from conception until birth the various abortion techniques used how racism was connected to the abortion movement and how

abortion became legal in the United States No matter where you stand on the issue and no matter what faith you adhere to

This novel presents a world that is both frighteningly real and firmly ambitious; the message of Christ is so firmly and wonderfully woven into the story that it makes it sheer joy to read. It's not just about knowing Christ in this novel but living Him. Christian Book Review. **We Were the Least of These** Elaine A. Heath, 2011-05. An expert in pastoral ministry illuminates the good news of healing and liberation the Bible offers survivors of sexual abuse. For the Least of These Cari Jackson, 2012-12-29. For the Least of These is the first resource of its kind. It is a vital resource guide for churches, schools, community organizations, businesses, and others that seek to foster justice in the world. Rooted in the principle of justice from the inside out, For the Least of These equips organizations and leaders with practical tools to identify strategies for strengthening justice within their own communities and then beyond. Dr. Cari Jackson skillfully presents real-life, entertaining case studies and discussion tips that lead groups to important insights. Using these case studies helps every organization to be more effective in carrying out their missions. These case studies brought our bible study discussion alive. My congregation shared more openly and honestly things they've needed to share. One man said, "When are we going to do bible study like this again?" Rev. Gwen Dingle, pastor. In her first book, *The Gift to Listen: the Courage to Hear*, Rev. Cari Jackson helped us to recognize the ways our interactions with others often accomplish the opposite of the meaningful connections that we seek and offered some critical strategies for creating healthier relationships. With these case studies, she's done that once again. Rev. Fred Dennard, spiritual coach. This workbook is fabulous. The case studies are quite realistic, thought-provoking, and chock full of opportunities for critical discussion. And I thoroughly enjoyed reading them. A gem for any group interested in growing. Sheila Outing, teacher. Lessons From the Least of These Robert L. Woodson Sr., 2020-12-15. This book is about the least among us and the extraordinary power of grassroots leaders who are transforming the lives of forgotten men and women in the most toxic neighborhoods. The strategies they applied in healing the most desperate communities also hold the key to healing our divided and empty nation today. From the lessons he has learned from witnessing the work of committed neighborhood leaders, Robert Woodson has gleaned ten fundamental principles that should be applied to uplift not only those who are at the bottom rung of society but also people of means who experience the emptiness of life without meaning and purpose. Bob walks the reader through his discovery of each of these life-changing precepts, and along the way we discover how each of us can experience new value in our lives and be empowered to contribute to our world. In reading, you will understand what it takes to overcome adversity and transform people from the inside out. You will feel inspired to adopt these longstanding, proven values that have generated astonishing long-term results in reshaping lives and homes. Equipped with the information you will discover a whole new way of approaching revitalization of the world you serve as well as your own life. God does not choose the capable; He chooses the called and then makes them capable. *Unto the Least of These...* Douglas Alan, 2020-02-27.
