The Legend Of Catfish Little Bream:

The Legend of Catfish & Little Bream Ronnie Wells,2018-09-24 The Legend of Catfish Little Bream is a story that will touch the hearts and awaken the imaginations of young and old alike It is about a big fish who becomes bored with life in a little pond in the South He sets out on a great adventure and along the way comes to realize what is truly important in life The story teaches us that home is where the heart is and that real friendship is one of life s most valuable assets The Legend of Catfish Little Bream is brought to life by the storytelling ability and considerable artistic talent of Ronnie Wells who received the inspiration for this book from his daughter when she was 8 years old **Dragonflies...From Broken to**

Beautiful Paula Cunningham,2018-03-30 You might wonder how an average girl living a normal life could find herself in the pits of addiction I wondered that very thing How could I have ever allowed myself to be controlled by a pain pill So I decided to trace my steps and find out exactly where I went so wrong that s how this book came into existence My story was written entirely by me It s an honest account of my journey from being broken to becoming a far more beautiful version of myself When I say beautiful I m not referring to physical beauty I am referring to my soul my spirit and the essence of who I am There is much that I am ashamed of and sincerely wish I could undo However I have realized that I cannot change the past I can only learn from it and make the present and future better than I thought possible So I choose to look at my journey as a blessing for it s made me into the person that I am today and I m extremely proud of who I have become It wasn t easy it required a lot of hard work and determination but it was worth every bit of pain that I endured My sincere hope is that my story can serve as a lesson for others I want my nightmare to prevent yours And if by chance you re in the middle of your own nightmare I want you to know that I am living breathing proof that there is a happy ending waiting for you Allow me to share with you what I never wanted anyone to know my addiction and how I overcame it Freedom and a bright future are waiting for you Let me help you get there *American Book Publishing Record* ,1998 *The Angler's Guide Book and Tourist's*
