The Lenny Wilkens Story:

The Lenny Wilkens Story Lenny Wilkens, 1974 **Unguarded** Lenny Wilkens, Terry Pluto, 2001-09-01 *Unguarded* reveals the Lenny Wilkens we have never seen before the tough strong thoughtful and analytical man who has spent a life in basketball making his teammates and players better than they knew they could be Thought provoking candid always honest Wilkens shares all the secrets he s learned in his four decades surviving in the NBA storm For forty years he has been the Quiet Man of the NBA As a rookie he was overshadowed by two pretty fair guards who entered the league at the same time Jerry West and Oscar Robertson As a veteran he was both figuratively and literally a coach on the floor but he had the misfortune to play for several struggling teams As a general manager he won a championship and made back to back Finals appearances but he did it without superstars a year before Magic Johnson and Larry Bird revitalized the league And as a coach he has won more games than anyone in NBA history but spent his best years locked in the same division as Michael Jordan s Chicago Bulls Basketball connoisseurs have long appreciated the style and intelligence with which Lenny Wilkens played and the unflappability and class he s brought to coaching The respect he has earned resulted in his joining the legendary John Wooden as the only men to be inducted into the Basketball Hall of Fame twice first as a player and then as a coach Now in *Unguarded* Lenny Wilkens steps out from behind his placid demeanor to speak plainly and unequivocally on the enormous social and athletic changes he s seen in his career Wilkens sounds off about the challenges he had to overcome in the course of his journey the racism that left him off the 1960 Olympic basketball team and kept him from being chosen as head coach of the first Dream Team the fatal miscalculation that kept his Cleveland Cavaliers from getting past Michael Jordan to the NBA Finals the painful frustrating task of coaching a troubled and troublesome J R Rider a player who contributed to his departure from Atlanta And he credits those who went out of their way to help him the priests and nuns who taught him the value of discipline and reinforced his faith the coaches who pushed him to develop his talents to the fullest the selfless players such as John Johnson Hot Rod Williams Larry Nance Steve Smith and many others who sacrificed individual glory for the good of their teams his mother Henrietta and his wife Marilyn who stood beside him in many trying times **The Story of the Seattle Supersonics** Nate LeBoutillier, 2006-07 This book highlights the history of the Seattle Supersonics *Seattle Sports* Terry Anne Scott, 2020-08-17 *Seattle Sports Play Identity and Pursuit in the Emerald City* edited by Terry Anne Scott explores the vast and varied history of sports in this city where diversity and social progress are reflected in and reinforced by play The work gathered here covers Seattle s professional sports culture as well as many of the city s lesser known figures and sports milestones Fresh nuanced takes on the Seattle Mariners Supersonics and Seahawks are joined by essays on gay softball leagues city court basketball athletics in local Japanese American communities during the interwar years ultimate the fierce women of roller derby and much more Together these essays create a vivid portrait of Seattle fans who in supporting their teams often in rain sometimes in the midst of seismic activity check the country s

implicit racial bias by rallying behind outspoken local sporting heroes

Any executive can learn how to recognize the mistakes that leaders can make and how to avoid them. The lessons of *The Five Temptations of a CEO* are as relevant today as ever, and this special anniversary edition celebrates ten years of inspiration and enlightenment with a brand new introduction and reflections from Lencioni on the new challenges in business and leadership that have occurred in the past ten years. **Tales from the Detroit Pistons Locker Room**

Perry A. Farrell, 2013-03-01 Some call them the Bad Boys; others just call them bad news. Either way, few teams carry the passion, power, and determination exuded by the Detroit Pistons. A collection of incredible basketball talent, revered in Detroit and despised throughout the rest of the NBA, the Pistons are anything and everything but boring. Now Perry A. Farrell will take fans into the locker room and onto the Pistons court in this newly revised edition of *Tales from the Detroit Pistons Locker Room*. With help from Pistons legends Rick Mahorn and Joe Dumars, Farrell shares stories that cover all the key characters, including Isiah Thomas, Bill Laimbeer, John Salley, Vinny Johnson, Dennis Rodman, and coach Chuck Daly. Mahorn discusses the wars with the Bulls, Celtics, and Knicks, and championship battles with the Lakers and Blazers. The book also examines the sorry state of the franchise before the two titles, their attempts to recapture their NBA magic with Grant Hill and Jerry Stackhouse, and the recent run of success that Dumars is having as the team's general manager. Mahorn's role as color analyst for Pistons radio broadcasts has kept him in the loop as Dumars has added players like Rip Hamilton, Rasheed Wallace, and Darko Milicic, along with coach Larry Brown, over the past few seasons. Sharing stories from his playing and announcing days is a part of what makes *Tales from the Detroit Pistons Locker Room* a must-have for any Pistons fan.
