disappearing with frightful rapidity Here and there in the course of this history of Parisian life will be found preserved sometimes the type of the dwellings of the middle ages like that described in *Fame and Sorrow Scenes from Private Life* one or two specimens of which exist to the present day sometimes a house like that of Judge Popinot rue du Foulard a specimen of the former bourgeoisie here the remains of Fulbert's house there the old dock of the Seine as it was under Charles IX Why should not the historian of French society a new *Old Mortality* endeavor to save these curious expressions of the past as Walter Scott's old man rubbed up the tombstones Certainly for the last ten years the outcries of literature in this direction have not been superfluous art is beginning to disguise beneath its floriated ornaments those ignoble facades of what are called in Paris houses of product which one of our poets has jocosely compared to chests of drawers *The Lesser Bourgeoisie (Classic Reprint)* HONORE DE. BALZAC, 2015-07-17 Excerpt from *The Lesser Bourgeoisie* The Situation and the aspect of this house the frame of our present Scene of manners and morals has more over a flavor a perfume of the lesser bourgeoisie which may attract or repel attention according to the taste of each reader About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Lesser Bourgeoisie* Оноре де Бальзак, 2021-03-16 *The Lesser Bourgeoisie* Honore de Balzac, 2015-12-28 CHAPTER I DEPARTING PARIS The tourniquet Saint Jean the narrow passage entered through a turnstile a description of which was said to be so wearisome in the study entitled *A Double Life Scenes from Private Life* that naive relic of old Paris has at the present moment no existence except in our said typography The building of the Hotel de Ville such as we now see it swept away a whole section of the city In 1830 passers along the street could still see the turnstile painted on the sign of a wine merchant but even that house its last asylum has been demolished Alas old Paris is disappearing with frightful rapidity Here and there in the course of this history of Parisian life will be found preserved sometimes the type of the dwellings of the middle ages like that described in *Fame and Sorrow Scenes from Private Life* one or two specimens of which exist to the present day sometimes a house like that of Judge Popinot rue du Foulard a specimen of the former bourgeoisie here the remains of Fulbert's house there the old dock of the Seine as it was under Charles IX Why should not the historian of French society a new *Old Mortality* endeavor to save these curious expressions of the past as Walter Scott's old man rubbed up the tombstones Certainly for the last ten years the outcries of literature in this direction have not been superfluous art is beginning to disguise beneath its floriated ornaments those ignoble facades of what are called in Paris houses of product which one of our poets has jocosely compared to chests of drawers Let us remark here that the creation of the municipal

commission del ornamento which superintends at Milan the architecture of street facades and to which every house owner is compelled to subject his plan dates from the seventeenth century Consequently we see in that charming capital the effects of this public spirit on the part of nobles and burghers while we admire their buildings so full of character and originality Hideous unrestrained speculation which year after year changes the uniform level of storeys compresses a whole apartment into the space of what used to be a salon and wages war upon gardens will infallibly react on Parisian manners and morals We shall soon be forced to live more without than within Our sacred private life the freedom and liberty of home where will they be reserved for those who can muster fifty thousand francs a year In fact few millionaires now allow themselves the luxury of a house to themselves guarded by a courtyard on a street and protected from public curiosity by a shady garden at the back *The lesser bourgeoisie* Honoré de Balzac,1898 **The Lesser Bourgeoisie** Honoré de Balzac,2019-11-29 In *The Lesser Bourgeoisie* Honor de Balzac delves into the intricate social fabric of 19th century France painting a vivid portrait of the provincial middle class Through his trademark realist style Balzac presents a character driven narrative that explores the aspirations morals and daily lives of this often overlooked class The novel interweaves sharp social commentary with detailed characterizations revealing the contradictions and struggles inherent in the pursuit of upward mobility and societal respectability within the burgeoning capitalist framework of the time Honor de Balzac a seminal figure in French literature and a forerunner of the modern novel was deeply influenced by his own experiences in a rapidly changing society marked by industrialization and social stratification His acute observations of the human condition combined with his passion for exhaustive detail enabled him to encapsulate the essence of the lesser bourgeoisie who strive and falter in their quest for success and social acceptance This work is part of Balzac s monumental series *La Com die Humaine* which seeks to present a comprehensive view of French society Readers interested in the complexities of social ambition and identity will find *The Lesser Bourgeoisie* a compelling exploration of human desires and societal norms Balzac s acute insights and rich narrative style will resonate with those seeking to understand the historical and psychological dimensions of social class in literature making this novel an essential read for both scholars and casual readers alike *The Lesser Bourgeoisie* Katharine Prescott Wormeley,2008-08 *The Lesser Bourgeoisie* By K Wormeley 1896 HERE madame is one of those books which come into the mind whence no one knows giving pleasure to the author before he can foresee what reception the public our great present judge will accord to it Feeling almost certain of your sympathy in my pleasure I dedicate the book to you Ought it not to belong to you as the tithe formerly belonged to the Church in memory of God who makes all things bud and fruit in the fields and in the intellect A few lumps of clay left by Molikre at the feet of his colossal statue of Tartuffe have here been kneaded by a hand more daring than able but at whatever distance I may be from the greatest of comic writers I shall still be glad to have used these crumbs in showing the modern hypocrite in action The chief encouragement that I have had in this difficult undertaking was in finding it apart from all religious questions questions which ought to be kept out of it for the sake of one

so pious as your self and also because of what a great writer has lately called our present indifference in matters of religion May the double signification of your names be for my book a prophecy I Deign to find here the respectful gratitude of him who ventures to call himself the most devoted of your servants CONTENTS PART FIRST THE LESSER BOURGEOIS OF PARIS CHAPTER I DEPARTING PARIS 1 11 THE HISTORY OF A TYRANNY 10 111 COLLEVILLE 26 IV THE CIRCLE OF 31 AND MME TRUILLIER 35 V A PRINCIPAL PERSONAGE 53 V1 A KEYNOTE 75 V11 THE WORTHY PHELLIONS 88 v111 AD MAJOREM THEODOSIS GLORIAM 104 IX THE BANKER OF THE POOR 129 X How BRIGITTE WAS WON 141 XI THE REIGN OF THIODOSE 152 XI1 DEVILS AGAINST DEVILS 160 XI11 THE PERVERSITY OF DOVES 181 XIV ONE OF CIRIZETS FEMALE CLIENTS 193 xv THE DIFFICULTIES THAT CROP UP IN THE XVI XVII XITIII EASIEST OF THEFTS 206 Du PORTAIL 227 IN WIIICIF THE LAMB DEVOURS THE WOLF 238 SET A SAINT TO CATCH A SAINT 256 PART SECOND TIE IAKVENUS CEIAYTBH PAGE I PHELLION UNDER A NEIV ASPECT 2GO 11 TIE PROVENALS PRESEST POSITION 281 111 GOOD BLOOD CANNOT LIE 297 IV HUNGARY VERSUS PROVENCE V SIIOIVING 1x0 NEAR TIE TAIPEIAN 330 ROCK IS TO THE CAPITOL 332 VI TTVAS TIUS TIEY BADE ADIEU 349 VII How TO SHUT THE DOOR IN PEOPLES FACES 359 VIII A RUN OF ILL LUCK 370 XI XIV xv EXPLANATIOXS AND WIIAT CAME OF THEM 430 k A STAR 454 THE BAN WIIO TIINKS THE STAR TOO BRIGHT 473 A STORMY DAY 487 540 XVI CHECKMATE TO THUILLIER XVII IN TIE EXERCISE OF 111s FUNCTIONS 554
