The Lesser Of Evils

Michael Ignatieff

The Lesser Of Evils:

The Lesser Evil Michael Ignatieff, 2013-12-03 Must we fight terrorism with terror match assassination with assassination and torture with torture Must we sacrifice civil liberty to protect public safety In the age of terrorism the temptations of ruthlessness can be overwhelming But we are pulled in the other direction too by the anxiety that a violent response to violence makes us morally indistinguishable from our enemies There is perhaps no greater political challenge today than trying to win the war against terror without losing our democratic souls Michael Ignatieff confronts this challenge head on with the combination of hard headed idealism historical sensitivity and political judgment that has made him one of the most influential voices in international affairs today Ignatieff argues that we must not shrink from the use of violence that far from undermining liberal democracy force can be necessary for its survival But its use must be measured not a program of torture and revenge And we must not fool ourselves that whatever we do in the name of freedom and democracy is good We may need to kill to fight the greater evil of terrorism but we must never pretend that doing so is anything better than a lesser evil In making this case Ignatieff traces the modern history of terrorism and counter terrorism from the nihilists of Czarist Russia and the militias of Weimar Germany to the IRA and the unprecedented menace of Al Qaeda with its suicidal agents bent on mass destruction He shows how the most potent response to terror has been force decisive and direct but just as important restrained The public scrutiny and political ethics that motivate restraint also give democracy its strongest weapon the moral power to endure when the furies of vengeance and hatred are spent The book is based on the Gifford Lectures delivered at the University of Edinburgh in 2003

The Lesser Evil Helmut Dubiel, Gabriel Motzkin, 2004-04-22 This book comprises 14 essays by scholars who disagree about the methods and purposes of comparing Nazism and Communism The central idea is that if these two different memories of evil were to develop in isolation their competition for significance would distort the real evils both movements propagated Whilst many reject this comparison because they feel it could relativize the evil of one of these movements the claim that a political movement is uniquely evil can only be made by comparing it to another movement How do these issues affect postwar interrelations between memory and history Are there tensions between the ways postwar societies remember these atrocities and the ways in which intellectuals and scholars reconstruct what happened Nazism and Communism have been constantly compared since the 1920s A sense of the ways in which these comparisons have been used and abused by both Right and Left belongs to our common history These twentieth century evils invite comparison if only because of their traumatic effects We have an obligation to understand what happened and we also have an obligation to understand how we have dealt with it

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary

of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJB thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious *Politics of the Lesser Evil* Anton Pelinka, According to Pelinka Jaruzelski's politics of democratization in Poland in the 1980s which led to the first free and competitive elections in a communist system illustrate personal leadership hampered by democracy Jaruzelski initiated the roundtable process that transformed Poland into a democracy yet this process ultimately ended with his abdication

The Least of All Possible Evils Eyal Weizman, 2012-06-19 The principle of the lesser evil the acceptability of pursuing one exceptional course of action in order to prevent a greater injustice has long been a cornerstone of Western ethical philosophy From its roots in classical ethics and Christian theology to Hannah Arendt's exploration of the work of the Jewish Councils during the Nazi regime Weizman explores its development in three key transformations of the problem the defining intervention of Médecins Sans Frontières in mid 1980s Ethiopia the separation wall in Israel Palestine and international and human rights law in Bosnia Gaza and Iraq Drawing on a wealth of new research Weizman charts the latest manifestation of this age old idea In doing so he shows how military and political intervention acquired a new humanitarian acceptability and legality in the late twentieth and early twenty first centuries *Spinoza* Olli Koistinen, John Ivan Biro, 2002 The essays in this volume investigate several themes notably Spinoza's monism the nature of the individual the relation between mind and body and his place in 17th century philosophy **Covenants of Life** K.L. Vaux, M. Stenberg, 2013-03-14 The intense fervor of a Mississippi Methodist preacher the meticulous reasoning of an Oxford logician the dogged persistence of a headlongshoreman the unflagging humor of a Rabelaisian satirist To have met Paul Ramsey at a lecture in a medical university a heady conference at Hastings on Hudson a congressional hearing deliberations at a church assembly or a bull session in some coffee shop was to be confronted with a gentleman of unforgettable energy insight and delight In many roles as a young instructor in religious studies at Princeton University a concerned moral theologian commenting on the ethics of the sit ins and nuclear issues an observer and dialogue partner with physicians at Georgetown and other medical centers a faithful editor and analyst of Jonathan Edwards ethical writings a trustee of the Hastings center a voluminous correspondent with others who would join to disciplined pursuit of values Paul Ramsey in all roles was indefatigable in zeal rigorous in

demand and gracious in coadventuring to use one of his wonderful metaphors This volume captures a unique exchange between Paul Ramsey and his most prominent colleagues In one sense it remains a Festschrift in his honor characterized at times by a markedly informal tone *Just War as Christian Discipleship* Daniel M. Jr. Bell,2009-10-01 This provocative and timely primer on the just war tradition connects just war to the concrete practices and challenges of the Christian life Daniel Bell explains that the point is not simply to know the just war tradition but to live it even in the face of the tremendous difficulties associated with war He shows how just war practice if it is to be understood as a faithful form of Christian discipleship must be rooted in and shaped by the fundamental convictions and confessions of the faith The book includes a foreword by an Army chaplain who has served in Iraq and study questions for group use *Moral Dilemmas in Medieval Thought* M. V. Dougherty,2011-04-14 The history of moral dilemma theory often ignores the medieval period overlooking the sophisticated theorizing by several thinkers who debated the existence of moral dilemmas from 1150 to 1450 In this book Michael V Dougherty offers a rich and fascinating overview of the debates which were pursued by medieval philosophers theologians and canon lawyers illustrating his discussion with a diverse range of examples of the moral dilemmas which they considered He shows that much of what seems particular to twentieth century moral theory was well known long ago especially the view of some medieval thinkers that some forms of wrongdoing are inescapable and their emphasis on the principle choose the lesser of two evils His book will be valuable not only to advanced students and specialists of medieval thought but also to those interested in the history of ethics **It's a Sin to Build a Nuclear Weapon** Richard T. McSorley SJ,2010-05-01 The Aims and Means of the Catholic Worker Reprinted from The Catholic Worker newspaper May 2019 86th Anniversary Issue The aim of the Catholic Worker movement is to live in accordance with the justice and charity of Jesus Christ Our sources are the Hebrew and Greek Scriptures as handed down in the teachings of the Roman Catholic Church with our inspiration coming from the lives of the saints men and women outstanding in holiness living witnesses to Your unchanging love Preface to the Eucharistic Prayer for holy men and women This aim requires us to begin living in a different way We recall the words of our founders Dorothy Day who said God meant things to be much easier than we have made them and Peter Maurin who wanted to build a society where it is easier for people to be good **Pluripotent Stem Cell Biology** Craig Atwood,Sivan Vadakkadath Meethal,2014-07-02 Pluripotent stem cells have the potential to revolutionize treatment options for a range of diseases and conditions This book presents recent advances in our understanding of the biological mechanisms of stem cell self renewal reprogramming and regeneration Also covered are novel methodological advances in the culture purification and use of stem cells as well as the ethical and moral dilemmas of embryo donation and adoption These advances will shape the utilization of stem cells for future basic and applied applications *Moral Puzzles and Legal Perplexities* Heidi M. Hurd,2019 Engages with the life and work of Larry Alexander to explore puzzles and paradoxes in legal and moral theory **The Greatest Collection of all Time: Etiquette by Emily Post and Ethics by Benedictus de**

Smith, 2012-01-01 Modern Moral Problems addresses moral quandaries that can beguile and confuse faithful Catholics Written in a question and answer format the book covers questions regarding sexuality medical ethics business practices civic responsibilities and the sacramental life of the Church The extraordinary assortment of issues forming a single organized collection is a valuable reference for anyone seeking clear and concise answers to tough moral questions Written in a conversational tone often spiced with humor this work by a highly respected moral theologian will be read with fascination for its clarity of argument and fundamental good sense Originally published as a monthly question and answer column in a magazine for priests these selections by Msgr William B Smith retain a striking current topicality Msgr Smith often tackled matters of controversy in the Catholic Church ones which continue to draw conflicting opinions Interesting informative and eminently practical this book conveys an overall impression that sound thinking about morality is rooted in a tradition within the Catholic Church even when the answers to particular moral questions cannot be found in catechisms or Vatican

documents Msgr Smith offers a clear headed approach to the quandaries of our time precisely because of his training in traditional moral principles and his fidelity to the Catholic magisterium This book should be in the possession of all seminarians and priests who are bound to confront moral matters that are not so easily decided at first glance But lay people too will find here rich responses to the challenging and sometimes unresolved moral questions they encounter in their own lives

The City as Target Ryan Bishop, Gregory Clancey, John W. Phillips, 2012-03-29 Bringing together scholars from a diverse range of disciplines The City as Target provides a sustained and critical response to the relationship between the concept of targeting in its many forms and notions of understanding imagining and shaping the urban Among the many spatial and graphic terms used to describe cities in urban studies the word target is rarely encountered Though equally spatial it differs from these others by implying some motive force and more than that a force with some intentionality To target is to aim to project and ultimately to impact It suggests a space of violence or at least action or movement resulting in displacement which most other terms do not In that sense it is useful underused and perhaps revelatory Rather than approach the city as simply a site of growth processes and developments the contributors to this volume treat it as the recipient of attentions The work draws on a wide variety of geographical sites and historic monuments in order to explore this concept examining and challenging current urban theories It seeks to highlight both the power of The Global City and the current vulnerability and fragility of urban culture exploring the city as a recipient and a culprit in relation to issues including terrorism and urban warfare the latest cyclical failure of global financial markets and the relatively new spectre of environmental unsustainability Offering a unique and relevant contribution to the literature this work will be of great interest to scholars of urban theory international relations postcolonial politics and military studies [Spinoza: Complete Works](#)

Baruch Spinoza, 2002-11-01 The only complete edition in English of Baruch Spinoza's works this volume features Samuel Shirley's preeminent translations distinguished at once by the lucidity and fluency with which they convey the flavor and meaning of Spinoza's original texts Michael L Morgan provides a general introduction that places Spinoza in Western philosophy and culture and sketches the philosophical scientific religious moral and political dimensions of Spinoza's thought Morgan's brief introductions to each work give a succinct historical biographical and philosophical overview A chronology and index are included

The Foundations of Organizational Evil Carole L. Jurkiewicz, 2015-02-24 Numerous reprehensible corporate governmental and nonprofit activities over recent years have highlighted the existence of organizational evil Unlike other works on the topic this book fully develops the concept of organizational evil conceptually weaving the interchange between evil individuals microlevel who ultimately create the organizational environment that is evil and the macrolevel elements of policy culture and manipulations of the social environment

The Ethics Benedict de Spinoza, Benedict de Spinoza was a Dutch philosopher of Portuguese Sephardic descent He is considered one of the most influential thinkers of The Enlightenment and The Ethics is his most famous work [The Ethics](#) Benedictus de

Spinoza, 2021-01-08 Ethics is a philosophical treatise written in Latin by Benedict de Spinoza. Spinoza's magnum opus, the Ethics, was published posthumously in the year of his death. The work opposed Descartes' philosophy of mind-body dualism and earned Spinoza recognition as one of Western philosophy's most important thinkers. According to Spinoza, God is Nature and Nature is God. In fact, within the German philosophical sphere, Spinoza's influence on German Idealism was remarkable. He was both a challenge and inspiration for the three major figures of this movement: Hegel, Schelling, and Fichte. Schopenhauer points to fundamental affinities with Spinoza but he also criticizes Spinoza. Baruch Spinoza, born Benedito de Espinosa, was a Dutch philosopher of Portuguese Sephardi origin. *The Collected Works* Benedictus de Spinoza, 2021-01-08

THE COLLECTED WORKS of Spinoza ETHICS THE PHILOSOPHY A THEOLOGICO POLITICAL TREATISE Spinoza is one of the most important philosophers and certainly the most radical of the early modern period. Spinoza's ultimate intention is to reveal the truth about Scripture and religion and thereby to undercut the political power exercised in modern states by religious authorities. He also defends at least as a political ideal the tolerant, secular, and democratic polity. His extremely naturalistic views on God, the world, the human being, and knowledge serve to ground a moral philosophy centered on the control of the passions leading to virtue and happiness. They also lay the foundations for a strongly democratic political thought and a deep critique of the pretensions of Scripture and sectarian religion. Of all the philosophers of the seventeenth century, perhaps none have more relevance today than Spinoza.

This is likewise one of the factors by obtaining the soft documents of this **The Lesser Of Evils** by online. You might not require more time to spend to go to the book introduction as well as search for them. The Lesser Of Evils Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Lesser Of Evils free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Lesser Of Evils free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated

platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Lesser Of Evils free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Lesser Of Evils. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Lesser Of Evils any PDF files. With these platforms, the world of PDF downloads is just a click away.
