and mirrored skyscrapers can come as a shock to those hoping for a view of the years when Beijing was the emperor's seat a visit to any one of the principal imperial sights the Forbidden City the Temple of Heaven or the Summer Palaces easily remedies this However the greatest of Beijing's if not the world's sights lies north of the city The Great Wall never ceases to amaze and it's worth spending a couple of days out of the city to fully appreciate its majesty If you have enough time and want more imperial splendor the rugged countryside around the capital holds Ming and Qing tombs while farther afield the Mountain Resort at Chengde was long a popular emperor's haunt and has some wild scenery along with its subdued palaces and grand temples This a highly detailed guide to everything you need to know about Beijing and its surroundings the places to stay the restaurants and what to see and do along with an extensive introductory section on China as a whole The author lives in China and has been a tour guide there full time for close to 10 years This guide is an excerpt from his much larger guide to all of China also published by Hunter which is 650 pages in the print edition
