The Letters Of John And Jude:

The Letters of John and Jude William Barclay, 1976 Translated with an introduction and interpretation by William Barclay

The Letters of John and Jude William Barclay, 1960 Meant to enable men and women to know Jesus more clearly to love Him more dearly and to follow Him more nearly The Letters of John and Jude Bible. N.T. Epistles of John. English. 1960. Barclay, William Barclay, 1962 *Exploring the Letters of John & Jude* George R. Knight, 2009 The letters of John and Jude are a wake up call False teachers had infiltrated the church and introduced secular reasoning in place of apostolic teachings John and Jude wrote to their congregations not only to warn the faithful against the impostors but to emphasize true spirituality in the face of error and apostasy Its no surprise then that these four letters are of the utmost relevance to Christians today Johns first and second letters deal with issues central to a genuine Christian faith and life while the third provides a snapshot of the dynamics of at least one congregation in the A D 90s Jude confronts many of the same issues in his letter including the immorality that results from a denial of Christ This user friendly devotional commentary divides the entire text of these four letters into bite sized passages using a new translation by the author Each passage is followed by the exegetical meaning as well as the practical application for the lives of twenty first century believers Small study groups and individuals alike will benefit from this format and better understand Gods timely and very personal message Studies of the Letters of John & Jude Dennis Dinger, 2013-03-12 These letters from the Apostle John and from Jude Jesus brother address the love of God encourage believers and warn of false teachers within the church 1 John is a great letter that seeks to clarify and solidify believers faith in Christ In it John went into great detail about the love of God John s goal was to insure that all believers know that they know God 2 John 3 John and Jude encourage believers while warning of deceivers and evil workers who abound in these last days The solutions to dealing with such evil deceptions are to look to God and to build up one s faith as John explained in 1 John These are valuable letters for all Christians who are active servants of God and who await the soon return of the Lord Jesus Christ *New Daily Study Bible* William Barclay, 2012-05-10 Millions of people worldwide love William Barclay s endlessly fascinating ability to unlock and reveal the meaning of the New Testament in our daily life No writer in the New Testament presents with greater intensity the full reality of the incarnation than John Not only did Jesus come to the world as a man but he also suffered for men and women Aside from its beautiful ending Jude is often neglected but there have been times in the history of the Church when Jude was not far from being the most relevant book in the New Testament William Barclay is one of the very few to have written a commentary on the whole New Testament Uniquely he breaks down the barriers to the ancient past enabling the modern reader to understand fully what was really said in the New Testament Familiar stories are given a startling twist that many readers say they find thrilling because they are brought face to face with the characters and the action Another reason for their thrilling impact is that people are inspired by a truly great writer With his wonderful communication skills and down to earth enthusiasm William Barclay

brings hidden details into full view enriching our appreciation of the entire New Testament and changing and deepening the meanings of many well known stories

Dynamic Studies in the Letters of John and Jude Fred a Scheeren, 2024-07-12 This short series deals with a number of what are known as the New Testament Epistles In particular we will begin with the three Epistles of John John a disciple of Jesus Christ was one of the original twelve apostles and on a personal level is thought to be the person Jesus knew best He is the author of no fewer than five books of the New Testament This amounts to 8 3% of the New and Old Testaments combined and 20% of the books of the New Testament The books he authored include The Gospel of John The First Letter of John the Second Letter of John the Third Letter of John and the Revelation of Jesus Christ Jude deals with a time that is called the Apostasia the great falling away During this time many will refuse to listen to sound doctrine and be attracted to false teachers and heresies referenced in 2 Peter 2 1 and 2 Peter 3 3 Every believer should study Jude to understand the tactics of our enemy and stand against them Dr Richard Freeman Vice President of Chosen People Ministries said I have found Fred Scheeren s Bible study material to be quite thorough as well as extremely insightful I have used it as a resource myself in preparing Bible studies for group study and for my own personal study of the Bible I recommend it highly to others Steve White Ph D author and International Director of 21C International said Fred hits a great blend of commentary historical context and practical application The study questions are clear thought provoking and relevant I could easily recommend this for either individual or group study Robert T Mason former executive at an international firm and in his second career as a pastor said Fred has done it again He has a great way of opening up and explaining the Word of God This sentiment was echoed by Dr Dilo Paul a materials scientist who said I love these studies as they guide me through finding the answers to questions that arise during Bible study from the Bible itself

The Letters Of Jude and John Marc Wheway, 2023-06-23 We are living in an age where false teachings abound where many churches and their denominations make doctrinal decisions that go against the Word of God In The Letters of Jude and John prolific author Marc Wheway examines these letters as well as the warnings about false teachers These letters written more than two thousand years ago are as relevant today more than ever This book is a compilation of the letters of Jude and John 1 2 3 from the New Testament with reference to Second Peter These letters were written to early Christian communities to warn them about false teachers leading them astray and encourage them to stand firm in their faith In addition to emphasizing the importance of holding fast to the truth and loving one another Jude and John also spoke of the imminent return of Jesus Christ They warned their readers to be ready for His return and to live in a way that was pleasing to Him lest they be caught unprepared Similarly Second Peter emphasizes the need to be prepared for the return of Jesus Christ

stating But the day of the Lord will come like a thief and then the heavens will pass away with a roar and the heavenly bodies will be burned up and dissolved and the earth and the works that are done on it will be exposed Since all these things are thus to be dissolved what sort of people ought you to be in lives of holiness and godliness waiting for and hastening the coming of the day of God because of which the heavens will be set on fire and dissolved and the heavenly bodies will melt as they burn 2 Pet 3 10 12 Together these letters provide a powerful reminder that the return of Jesus Christ is imminent and that we should live our lives in anticipation of this event They also emphasize the importance of remaining faithful to the Gospel's truth thus resisting false teachings This book is an essential resource for anyone seeking to deepen their understanding of these important biblical texts and their relevance to their lives in these last days Holy Bible: the Letters From John and Jude, the Revelation to John (□□□□, □□□, □□□□□) God-breathed, 2018-09-29 Originally there were no such things as chapters or verses in the Holy Scriptures Let us go back to how it was and how it should be Let us read the Holy Scriptures easily without any interruption of numbers The chapter divisions commonly used today were developed by Stephen Langton an Archbishop of Canterbury Langton put the modern chapter divisions into place in around A D 1227 The Wycliffe English Bible of 1382 was the first Bible to use this chapter pattern Since the Wycliffe Bible nearly all Bible translations have followed Langton's chapter divisions The Hebrew Old Testament was divided into verses by a Jewish rabbi by the name of Nathan in A D 1448 Robert Estienne who was also known as Stephanus was the first to divide the New Testament into standard numbered verses in 1555 Stephanus essentially used Nathan's verse divisions for the Old Testament Since that time beginning with the Geneva Bible the chapter and verse divisions employed by Stephanus have been accepted into nearly all the Bible versions Gotquestions.org **The Letters of John and Jude.
