## **The Letters Of Sean Ocasey Volume 1 1910 1941:**

The Letters of Sean O'Casey, 1910-1941 David Krause, 1975      A History of Irish Theatre 1601-2000 Chris Morash, 2002  
Chris Morash's widely praised account of Irish Theatre traces an often forgotten history leading up to the Irish Literary Revival. He then follows that history to the present by creating a remarkably clear picture of the cultural contexts which produced the playwrights who have been responsible for making Irish theatre's world-wide historical and contemporary reputation. The main chapters are each followed by shorter chapters focusing on a single night at the theatre. This prize-winning book is an essential, entertaining and highly original guide to the history and performance of Irish theatre.

**Hegemony and Fantasy in Irish Drama, 1899-1949** P. Murphy, 2015-12-04 Hegemony and Fantasy in Irish Drama 1899-1949 offers a theoretically innovative reconsideration of drama produced in the Irish Renaissance as well as an engagement with non-canonical drama in the under-researched period 1926-1949      **Sean O'Casey** R. Ayling, M.J.

Durkan, 1978-06-17      **Bernard Shaw, Sean O'Casey, and the Dead James Connolly** Nelson O'Ceallaigh  
Ritschel, 2021-07-21 This book details the Irish socialistic tracks pursued by Bernard Shaw and Sean O'Casey mostly after 1916 that were arguably impacted by the executed James Connolly. The historical context is carefully unearthed, stretching from its 1894 roots via W.B. Yeats' dream of Shaw as a menacing yet grinning sewing machine to Shaw's and O'Casey's 1928 masterworks. In the process, Shaw's *War Issues for Irishmen*, *Annajanska the Bolshevik Empress*, *The Tragedy of an Elderly Gentleman*, *Saint Joan*, *The Intelligent Woman's Guide to Socialism and Capitalism* and O'Casey's *The Story of the Irish Citizen Army*, *The Shadow of a Gunman*, *Juno and the Paycock*, *The Plough and the Stars* and *The Silver Tassie* are reconsidered, revealing previously undiscovered textures to the masterworks. All of which provides a rethinking and a reconsideration of Ireland's great drama of the 1920s as well as furthering the knowledge of Shaw, O'Casey and Connolly.

**Guide to O'Casey's Plays** John O'Riordan, 1984-06-18      Seven Plays By Sean O'Casey Sean O'Casey, Ronald Ayling, 1985-10-14 This edition of Sean O'Casey's major plays is designed specifically for students and teachers. The plays are supported by a full introduction covering O'Casey's career and critical responses to the plays, full notes and a bibliography.

**Essays on Sean O'Casey's Autobiographies** Robert G. Lowery, 1981-06-18      *O'Casey Annual No. 1* Robert G. Lowery, 1982-06-18      **The Oxford Handbook of Modern Irish Theatre** Nicholas Grene, Chris Morash, 2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume. Drawing on more than forty contributors from around the world, the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre. Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates: Yeats, Shaw and Beckett, Seamus Heaney, while primarily a poet, also wrote for the stage. This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright, Oscar Wilde, before moving

into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right

*Encyclopedia of British Humorists* Steven H. Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

**The Sean O'Casey Review**, 1977

W. B. Yeats: A Life II R. F. Foster, 2005-03-17 The acclaimed first volume of this definitive biography of W B Yeats left him in his fiftieth year at a crossroads in his life The subsequent quarter century surveyed in *The Arch Poet* takes in his rediscovery of advanced nationalism and his struggle for an independent Irish culture his continued pursuit of supernatural truths through occult experimentation his extraordinary marriage and a series of tumultuous love affairs Throughout he was writing his greatest poems *The Fisherman* and *The Wild Swans at Coole* in their stark simplicity the magnificently complex sequences on the Troubles and Civil War the Byzantium poems and the radically compressed last work some of it literally written on his deathbed The drama of his life is mapped against the history of the Irish revolution and the new Irish state founded in 1922 Yeats's many political roles and his controversial involvement in a right wing movement during the early 1930s are covered more closely than ever before and his complex and passionate relationship with the developing history of his country remains a central theme Throughout this book the genesis alteration and presentation of his work memoirs and polemic as well as poetry is explored through his private and public life The enormous and varied circle of Yeats's friends lovers family collaborators and antagonists inhabit and enrich a personal world of astounding energy artistic commitment and verve Yeats constantly re-created himself and his work believing that art was not the chief end of life but an accident in one's search for reality a search which brought him again and again back to his governing preoccupations sex and death He also held that all knowledge is biography a belief reflected in this study of one of the greatest lives of modern times

*Riot and Great Anger* Joan Fitzpatrick Dean, 2004-06-30 Although books films and periodicals were subject to Irish government censorship through much of the twentieth century stage productions were not The theater became a public space to air cultural confrontations between Church and State individual and community and freedom of the theatre versus the audience's right to disagree And disagree they often did Throughout the twentieth century Irish performances of new plays by William Butler Yeats John Millington Synge and Sean O'Casey as well as those of such lesser known playwrights as George Birmingham often evoked heated responses from theatergoers sometimes resulting in riots and public denunciation of playwrights and actors

Writing Ireland David Cairns, Shaun Richards, 1988 *Writing Ireland* is a provocative and wide ranging examination of

culture literature and identity in nineteenth and twentieth century Ireland Moving beyond the reductionist reading of the historical moment as a backdrop to cultural production the authors deploy contemporary theories of discourse and the constitution of the colonial subject to illuminate key texts in the cultural struggle between the colonizer and the colonized The book opens with a consideration of the originary moment of the colonial relationship of England and Ireland through re-reading of works by Shakespeare and Spenser Cairns and Richards move then to the constitution of the modern discourse of Celticism in the nineteenth century A fundamental re-reading of the period of the Literary Revival through the works of Yeats Synge Joyce and O'Casey locates them in a social moment illuminated by detailed considerations of poems playwrights and polemicists such as D.P. Moran Arthur Griffith Patrick Pearse and Thomas MacDonagh Writing Ireland examines the psychic sexual and social costs of the decolonisation struggle in the society and culture of the Irish Free State and its successor Beckett Kavanagh and O'Faolain registered the enervation and paralysis consequent upon sustaining a repressive view of Irish identity The book concludes in the contemporary moment as Ireland's post-colonial culture enters crisis and writers like Seamus Heaney Brian Friel Tom Murphy and Seamus Deane grapple with the notion of alternative identities Writing Ireland provides students of literature history cultural studies and Irish studies with a lucid analysis of Ireland's colonial and post-colonial situation on which an innovative methodology transcends disciplinary divisions

*The Glamour of Grammar* Colbert Kearney, 2000-09-30 Levels of education and consequently of literacy were low in the Dublin tenements at the beginning of the 20th century and this facilitated the persistence of an oral tradition which stretched back for thousands of years This book is an analysis of O'Casey's Abbey plays in the context of the oral culture in which they were set Because they were powerless in a culture dominated by those who had reaped the advantages of education the tenement dwellers were dazzled by the apparent magic of literacy and in awe of those who wielded its power O'Casey uses this to dramatize the ease with which the poor were seduced into what he saw as a bourgeois revolution which brought them nothing but suffering and death Although Sean O'Casey's Abbey plays *The Shadow of a Gunman* *Juno and the Paycock* *The Plough and the Stars* are universally admired for the richness of their language this is the first authoritative analysis of the plays in relation to the linguistic and political culture at the turn of the century Levels of education and consequently of literacy were low in the Dublin tenements and this facilitated the persistence of an oral tradition which stretched back for thousands of years What might strike the modern reader as extravagant in the language of O'Casey's characters would be quite normal in an oral community where all communication was performative Because they were powerless in a culture dominated by those who had reaped the advantages of education the tenement dwellers were dazzled by the apparent magic of literacy and in awe of those who wielded its power O'Casey uses this to dramatize the ease with which the poor were seduced into what he saw as a bourgeois revolution which brought them nothing but suffering and death It is hardly surprising then that the villains in these plays are educated intruders who speak a language strikingly different from that of the tenement dwellers **Bernard**

**Shaw and the Making of Modern Ireland** Audrey McNamara, Nelson O'Ceallaigh Ritschel, 2020-07-13 This book is an anthology focused on Shaw's efforts literary and political that worked toward a modernizing Ireland Following Declan Kiberd's Foreword and the editor's Introduction the contributing chapters in their order of appearance are from President of Ireland Michael D Higgins Anthony Roche David Clare Elizabeth Mannion Nelson O Ceallaigh Ritschel Aisling Smith Susanne Colleary Audrey McNamara Aileen R Ruane Peter Gahan and Gustavo A Rodriguez Martin The essays establish that Shaw's Irishness was inherent and manifested itself in his work demonstrating that Ireland was a recurring feature in his considerations Locating Shaw within the march towards modernizing Ireland furthers the recent efforts to secure Shaw's place within the Irish spheres of literature and politics

**Irish Modernism** Edwina Keown, Carol Taaffe, 2010 An examination of the emergence reception and legacy of modernism in Ireland Engaging with the ongoing re evaluation of regional and national modernisms the essays collected here reveal both the importance of modernism to Ireland and that of Ireland to modernism This collection introduces fresh perspectives on modern Irish culture that reflect new understandings of the contradictory and contested nature of modernism itself

**Portraying the Self** Michael Kenneally, 1988-01-01 Irish Literary Studies Series No 26 *Irish University Review* ,1999 A journal of Irish studies
