Vas,1989-01-01 What makes an apparently ordinary human being unfavoured by either heredity or environment suddenly achieve greatness The present volume is a study of this rare phenomenon as reflected in the life and thought of one man who had greatness thrust upon him early in life and who later achieved a different kind of greatness only to give it all up J Krishnamurti It uncovers a strange mind still very imperfectly understood     Gilead; Or, the Vision of All Souls'Hospital. An Allegory John Hyatt Smith,1863     **The Saviour God** Samuel George Frederick Brandon,1963     **Rewriting White Masculinities in Contemporary Fiction and Film** Josep M. Armengol,2024-03-25 This book focuses on the construction of hegemonic masculinity as well as its representations in literature culture and film Although white heterosexual masculinity continues to be the dominant model it remains paradoxically largely invisible in gender terms While the first three chapters thus offer introductory theoretical perspectives on the latest research on white masculinities the following chapters concentrate on applying masculinity theory to the analysis of both social constructions and cultural i e literary and film representations of men s emotions with a special focus on new fatherhood models friendships between men as well as gender based violence     **The Immanent Divine** John J. Thatamanil, While traditional Christian thought and spirituality have always affirmed the divine presence in human life Thatamanil argues we have much to learn from non dualistic Hindu thought especially that of the eighth century thinker Sankara and from the Christian panentheism of Paul Tillich Thatamanil compares their diagnoses and prognoses of the human predicament in light of their doctrine of God or Ultimate Reality What emerges is a new theology of God and human beings with a richer and more radical conception of divine immanence a reconceived divine transcendence and a keener sense of how the dynamic and active Spirit at work in us anchors real hope and deep joy Using key insights from Christian and Hindu thought Thatamanil vindicates comparative theology expands the vocabulary about the ineffable God and arrives at a new construal of the problems and prospects of the human condition     **Philosophy & Comedy** Bernard Freydberg,2008 Reveals comedy s contributions to the philosophical enterprise     **Bhagavad Gita and Its Message** Sri Aurobindo,1996-03 The Bhagavad Gita literally The Song of God is one of the most important spiritual and religious texts of the world and is to Hindus what the Torah is to Jews the Bible to Christians and the Quran to Muslims With text translation and Sri Aurobindo s commentary this is probably the finest translation and commentary on the Bhagavad Gita that we have seen     **Goodbye Tarzan (RLE Feminist Theory)** Helen Franks,2012-11-12 What do men feel about the women s movement How has it changed them if at all To try and answer these questions Helen Franks talked to many men and drew upon research in Britain the US and Australia She interviewed men from all social groups business executives writers factory workers shopkeepers and all ages from fifteen to fifty nine They included divorced men husbands gay men and some who had swapped roles with the women in their lives She found some surprising results All men whatever their attitude to women

seem to be affected not to say threatened by feminism In these pages she documents the thoughts often confused of very different kinds of men on sharing housework women as colleagues sexual behaviour pornography gayness friendship with other men fatherhood and marriage Helen Franks is a sympathetic listener A committed feminist she pulls no punches in her criticisms of traditional male attitudes But she believes that the problems men find in responding constructively to feminism are considerable After all men have no broad based men s movement to sustain them And she argues that patriarchal society oppresses men just as though in a different way it does women The feminist classics of the 1960s and 1970s changed women s lives by revealing a world of shared experiences and unfulfilled potential The time has come to do the same for men
