The Librarian And His World:

The Librarian and His World E.R. Chamberlin, 1968 **The Librarian and Book World**, 1960 *The Chevalier d'Eon and his Worlds* Simon Burrows, Jonathan Conlin, Russell Goulbourne, Valerie Mainz, 2011-10-20 Cross dressing author envoy soldier and spy Charles d Eon de Beaumont s unusual career fascinated his contemporaries and continues to attract historians novelists playwrights filmmakers image makers cultural theorists and those concerned with manifestations of the extraordinary D Eon s significance as a historical figure was already being debated more than 45 years before his death Not surprisingly such sensational material has attracted the attention of enthusiasts scholars and literateurs to the strange case of the chevalier d Eon He has also attracted the attention of psychologists and sexologists and for most of the last century his gender transformation has been viewed through a Freudian lens His cross dressing it was usually assumed must have a psychosexual explanation Until the second half of the twentieth century the terms Eonist and Eonism were the standard English words for transvestites and transvestism respectively but Eonism was also thanks to Havelock Ellis widely regarded as a psychological condition or compulsion However in the mid twentieth century new ideas about gender identity disorders led to d Eon being redefined not as a transvestite but a transsexual a person who considers their sex to have been misassigned The essays in this collection contribute to d Eon s rehabilitation as a figure worthy of scholarly attention and display a variety of disciplinary approaches Drawing on new research into d Eon s life this volume offers original and nuanced readings of how a gender identity could come to be negotiated over time

The Librarian's Spell Patricia Rice, Can a timid librarian and a bold engineer save a castle s toppling tower of books The stereotypical reserved librarian Lydia Wistan has only one true love the books that whisper to her But unless she can understand the whispers she cannot become what she wants to be more than anything the Malcolm Librarian Maxwell Ives has a disastrous gift for attracting women a trait that has resulted in three sons and a desire for solitude Returning to England to find a school for one of his boys Max seeks privacy in the isolated Malcolm library But to Max s dismay the old librarian dies leaving Miss Wistan a female in charge Before he can run far far away he learns the library tower is in danger of toppling and his cousin is stealing from his mother s School of Malcolms To save the library and Max s family funds Lydia must claim to be what she is not a real librarian Fascinated that his magnetism doesn t affect the one woman who can help him Max must choose between his freedom and his family In the process of helping others Max and
