## **The Lido Fleet Italian Line Passenger Ships Services:**

*The Lido Fleet* Peter C. Kohler,1998-03-01      **Masters of the Italian Line** Ian Sebire,2018-09-15 Profusely illustrated throughout this book portraits the iconic ships of the Italian Line and the people who brought them to life      *Italian Liners of the 1960s* Ian Sebire,2021-08-15 Packed with superb rare and previously unpublished illustrations Ian Sebire looks at the defining works of the great Italian naval architect Nicolo Costanzi      **Disaster At Sea** William Flayhart,2005-03-22 Flayhart delivers a gripping chronicle of mishap and mayhem filled with danger and heroism and rich with detail Sea Power A colorful and deadly history of ocean liner disasters from the mid nineteenth century to the present Disaster at Sea is a chronicle of the most frightening episodes in the maritime history of the North Atlantic From 1850 to the present day the Atlantic has been home to hundreds of ocean liners and cruise ships each more lavish than the last all of them symbols of wealth and luxury Perhaps this is why readers have always been fascinated by the lives of these ships and their deaths Many of us know the stories of the Titanic and the Lusitania Both tragedies caused tremendous loss of life even as they made the ships immortal But there are many little known accounts of extraordinary survivals at sea such as the Inman and International liner City of Chicago that jammed her bow into an Irish peninsula in 1892 but stayed afloat long enough for all to be rescued or the City of Richmond that survived a dangerous fire in 1891 and a year earlier the City of Paris whose starboard engine exploded at full speed in the mid Atlantic and yet miraculously still made port Often such tales are forgotten even if the ship sank In 1898 the Holland America liner Veendam hit a submerged wreck and sank at sea but all lives were saved so this vessel s dramatic story seemed less important in maritime history than incidents involving human loss As recently as 2000 the Sea Breeze I sank off the East Coast of the United States while on a positioning voyage but all her crew members were rescued in a heroic effort by U S Coast Guard helicopters These stories and many others are dramatic and acclaimed maritime scholar William Flayhart has spent much of the last forty years in search of material from which to create colorful narratives Author of *The American Line 1871 1902* and coauthor of *Majesty at Sea* and the first edition of *QE2* Flayhart retells classic ocean liner disaster stories while bringing to light never before published but compelling episodes in man s ongoing battle with the sea Originally published in hardcover under the title *Perils of the Atlantic*      **Perils Of The Atlantic** William Flayhart,2003-05-27 *Perils of the Atlantic* captures the stories of a number of vessels that experienced adventure on the high seas from the tragic loss of the liner Arctic in 1854 to the swift sinking of the Italian Andrea Doria in 1956

**Lifeline Across the Sea** David L. Williams,2015-07-06 The safe exchange of wounded or gravely ill prisoners of war protected personnel medical staff and clergy and diplomats civilians and alien internees is a little known dimension of the Second World War yet it was highly dangerous work Here David L Williams tells the gripping story of some fifty mercy ships engaged in these repatriation voyages each of the exchanges arranged individually between Allied nations and the Axis belligerents through neutral intermediaries and often conducted under the supervision of the International Red Cross Sailing

alone and undefended through hostile waters and conspicuously illuminated at night the ships were constantly in danger from submarine and aircraft their safety depending totally on the transmission and receipt of safe passage commands to the armed units in their paths However despite the risk of attack and severe loss of life these exchange operations were essential for providing a lifeline to thousands of people caught up in a cruel and brutal war     **Ships Monthly** ,2005     *The Last Voyage of the Andrea Doria* Greg King,Penny Wilson,2020-04-07 An extensively documented account of the 1956 sinking of the Italian luxury liner amazing stories of serendipitous luck heroism cowardice and tragedy Booklist In 1956 a stunned world watched as the famous Italian ocean liner Andrea Doria sank after being struck by a Swedish vessel off the coast of Nantucket Unlike the tragedy of the Titanic this sinking played out in real time across radios and televisions the first disaster of the modern age Audiences witnessed everything that ensued after the unthinkable collision from the heroic rescue of passengers to the ship s final sinking beneath the Atlantic taking some fifty lives with her The Andrea Doria represented the romance of travel and the glamorous side of mid twentieth century life Now Greg King and Penny Wilson offer a fresh look at this legendary liner and her tragic fate They bring the fateful voyage to life in a narrative focused on her passengers Cary Grant s wife Philadelphia s flamboyant mayor the heiress to the Marshall Field fortune and many brave Italian emigrants who found themselves plunged into a desperate struggle to survive The Last Voyage of the Andrea Doria follows the effect this trauma had on their lives and brings the story up to date with the latest expeditions and never before seen photos of the wreck     **Marine News** ,1998     *Steamboat Bill* ,2007     **Merchant Fleets in Profile: Italia, 1881-2001** Duncan Haws,1978     **Picture History of the Andrea Doria** William H., Jr. Miller,2013-01-24 Scores of rare photographs recall one of the most luxuriously outfitted ships of the 20th century 183 black and white photographs show views of lounges and staterooms shots of the ship in port more     **Stern's Guide to the Cruise Vacation: 20/21 Edition** Steven B.
