He has indeed been called the Columbus of Central Africa but the title is inadequate. At the head of a long roll of honorable names he has placed his own not by some mere chance of circumstance or fortuitous turn of fortune's wheel but by dint of sheer determination to seek to find and not to yield by a rare courage and a devotion to duty hardly short of heroism. He is more than a mere discoverer for the scene of his many marvelous exploits has also been the center around which his highest hopes and deepest feelings have revolved. For twenty years he has been an African traveler for fifteen an African enthusiast. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
